

Arena Karen Hancock

An instant New York Times, Washington Post, and USA TODAY bestseller—based on the true story of the heroic librarians at the American Library in Paris during World War II—The Paris Library is a moving and unforgettable “ode to the importance of libraries, books, and the human connections we find within both” (Kristin Harmel, New York Times bestselling author). Paris, 1939: Young and ambitious Odile Souchet seems to have the perfect life with her handsome police officer beau and a dream job at the American Library in Paris. When the Nazis march into the city, Odile stands to lose everything she holds dear, including her beloved library. Together with her fellow librarians, Odile joins the Resistance with the best weapons she has: books. But when the war finally ends, instead of freedom, Odile tastes the bitter sting of unspeakable betrayal. Montana, 1983: Lily is a lonely teenager looking for adventure in small-town Montana. Her interest is piqued by her solitary, elderly neighbor. As Lily uncovers more about her neighbor’s mysterious past, she finds that they share a love of language, the same longings, and the same intense jealousy, never suspecting that a dark secret from the past connects them. “A love letter to Paris, the power of books, and the beauty of intergenerational friendship” (Booklist), The Paris Library shows that extraordinary heroism

can sometimes be found in the quietest places. The powerful finale to the Christy Award-winning novels in the LEGENDS OF THE GUARDIAN-KING series Believed dead by all but the handful of supporters who rescued him from his Mataian enemies, Abramm Kalladorne has fled his homeland to the high mountains of northern Chesedh. Traveling under a new name with a group of bitter and increasingly desperate fellow exiles, Abramm hopes to reunite with his wife in Chesedh, where he will offer his services to her father in fighting the invading armies of the Black Moon. But with every step he is hindered, delayed, and diverted from the direction he desires to go, and it soon becomes clear Eidon has other plans for him. In the royal city of Fannath Rill, Maddie alone believes Abramm still lives. But since she has no proof, her friends, family, and public opinion press her to remarry. With its neighboring realms now under enemy control, Chesedh has become the last bastion of Eidon's Light. Desperately overmatched, it cannot survive on its own. Yet the rich, handsome eastern warlord who is openly courting Maddie has a vast fleet of galley ships that could turn the tide in Chesedh's favor.... When Violet runs away from home in 1918 to find her suffragist sister, she ends up in Nashville, Tennessee, where "Suffs" and "Antis" are gathered, awaiting the crucial vote on the nineteenth amendment.

A Book of Secrets is the story of a woman named Susan Charlewood living in Elizabethan England. Born in what is now Ghana, Susan is enslaved by the Portuguese but later rescued by British sailors, who bring her to England. Once in England, she is raised and educated in an English Catholic household. When Susan comes of age, the family marry her off to an older Catholic man, John Charlewood. Charlewood runs a printing press and uses it to supply the Papist nobility with illegal Catholic texts and foment rebellion amongst the Catholic underclass. When Charlewood dies, Susan takes over the business and uses her new position to find out more about her origins. A look at racial relationships on the eve of the beginning of the transatlantic slave trade, A Book of Secrets is a revealing and compelling glimpse into a fraught time. A guidebook for those who want to cultivate literary taste— knowing how to recognize and benefit from books that are spiritually and aesthetically good. Literary expert Gene Veith helps book lovers better understand what they read as he explains how each major literary genre communicates. Showing how comedy, tragedy, realism, and fantasy can portray the Christian worldview, Veith delves into related topics such as the value of fairy tales, the tragic and the comic sense of life, the contrast between the classical and the Hebraic traditions, and the role of postmodernity (a subject of vital importance to

Christians). Introducing readers to writers past and present, Veith helps Christians to influence culture from an educated perspective and get more out of their reading.

The New York Times bestselling author of the Tradd Street novels explores a Southern family's buried history, which will change the life of the woman who unearths it, secret by shattering secret. Two years after the death of her husband, Merritt Heyward receives unexpected news—Cal's family home in Beaufort, South Carolina, bequeathed by his reclusive grandmother, now belongs to Merritt. In Beaufort, the secrets of Cal's unspoken-of past reside among the pluff mud and jasmine of the ancestral Heyward home on the Bluff. This unknown legacy, now Merritt's, will change and define her as she navigates her new life—a life complicated by the arrival of her too young stepmother and ten-year-old half brother. Soon, in this house of strangers, Merritt is forced into unraveling the Heyward family past as she faces her own fears and finds the healing she needs in the salt air of the Lowcountry.

In the tradition of *Persepolis*, *In the Shadow of No Towers*, and *Our Cancer Year*, an illustrated memoir of remarkable depth, power, and beauty Danny Gregory and his wife, Patti, hadn't been married long. Their baby, Jack, was ten months old; life was pretty swell. And then Patti fell under a subway train and was paralyzed from the waist down. In a world

where nothing seemed to have much meaning, Danny decided to teach himself to draw, and what he learned stunned him. Suddenly things had color again, and value. The result is *Everyday Matters*, his journal of discovery, recovery, and daily life in New York City. It is as funny, insightful, and surprising as life itself.

This book is a conversation—not a lecture—for women. If women are wondering how to approach their careers at any age and how to decide when the time is right to have children, there are questions to help make the decision. Chapters in this book provide women additional perspectives on deciding the type of career, taking advantage of opportunities, networking, surviving in the corporate environment, and when it is time to become an entrepreneur.

How does a woman, who had everything, find her way in this world when all the meaning has been removed? Mara Dalton has a life that most women only dream of. She has an amazing husband, a new baby boy and owns her own company. When her husband and son are killed tragically just days before Christmas, Mara stops living as well. For years she tries to live but finds herself only existing. She attempts to avoid reliving another year of horrible memories at Christmas by leaving her home; which has become her tomb. While traveling with not much of a plan other than avoidance, she discovers a small town in Alabama. The quaint town seems the

perfect place to avoid the holiday and her pain. She finds more than she bargained for in the Lambert family; a family whose roots are buried deep in their small southern town. Mara discovers the one thing she has lost, herself. She struggles to allow herself to live again, at the same time breathing life into the town and the Lamberts. Sometimes we don't get to choose where we lay our roots, it chooses us.

Legends of the Guardian King, book 2, from the award-winning author of Arena. Karen Hancock brings to imaginative life the supernatural battle between good and evil, the preconceptions that keep us from embracing truth, and the distortions that trick and trap us. Four years have passed since the conclusion of The Light of Eidon. Abramm has been living peacefully abroad, but when he hears of trouble in his homeland, he returns to claim the crown he thought he'd never wear. But he has many enemies, including his murderous brother. The only thing that will save him is the Light that lives within him, but to appease his critics, he hides this. Before he can fulfill his kingship, he must reveal the truth and be reminded, painfully and powerfully, that his destiny can only be realized through humbly acknowledging his own weakness and the utter sufficiency of the One who created his destiny in the first place.

Explores how investing in a racially and ethnically diverse workforce will help make contemporary businesses more dynamic, powerful, and profitable In our fast-changing demographic landscape, companies that proactively embrace diversity in all areas of their operations will be best poised to thrive. Renowned business leader and visionary Carol Fulp explores staffing trends in the US and provides a blueprint for what businesses must do to maintain their competitiveness

and customer base, including hiring in new ways, aligning managers around diversity, providing new kinds of leadership development, and engaging employees to embrace differences. Using detailed case histories of corporate cultures such as the NFL, Eastern Bank, John Hancock, Hallmark Health, and PepsiCo, as well as her own experiences in the workplace and in advising companies on diversity practice, Fulp demonstrates how people of different races and ethnicities represent an essential asset to contemporary companies and organizations.

An investigation into the discoveries of Lewis and Clark and other early explorers of America and the terrible acts committed to suppress them • Provides archaeological proof of giants, the fountain of youth, and descriptions from Lewis's journals of a tribe of "nearly white, blue-eyed" Indians • Uncovers evidence of explorers from Europe and Asia prior to Columbus and of ancient civilizations in North America and the Caribbean • Investigates the Smithsonian conspiracy to cover up Lewis and Clark's discoveries and what lead to Lewis's murder Meriwether Lewis discovered far more than the history books tell--ancient civilizations, strange monuments, "nearly white, blue-eyed" Indians, and evidence that the American continent was visited long before the first European settlers arrived. And he was murdered to keep it all secret. Examining the shadows and cracks between America's official version of history, Xaviant Haze and Paul Schrag propose that the America of old taught in schools is not the America that was discovered by Lewis and Clark and other early explorers. Investigating the discoveries of Spanish conquistadors and Olmec stories of contact with European-like natives, the authors uncover evidence of explorers from Europe and Asia prior to Columbus, sophisticated ancient civilizations in North America and the Caribbean, the fountain of youth, and a long-extinct race of giants. Verifying stories

from Lewis's journals with modern archaeological finds, geological studies, 18th- and 19th-century newspapers, and accounts of the world in the days of Columbus, the authors reveal how Lewis and Clark's finds infuriated powerful interests in Washington--including the Smithsonian Institution--culminating in the murder of Meriwether Lewis. From the No.1 Sunday Times bestselling author of *The Ashes of London* comes the next book in the phenomenally successful series following *James Marwood* and *Cat Lovett*. The #1 New York Times bestselling author of *The Baxter Family* novels shares an inspiring short story about campus life at Liberty University. Ever wonder what it would be like to be a student at an evangelical Christian university? Inspired by her time as a visiting professor at Liberty University, Karen Kingsbury decided to write a short story series set on its beautiful campus in Lynchburg, Virginia. In part one of *Once Upon a Campus*, readers can sit with incoming freshmen at convocation—the largest Christian student gathering in the world, cheer with them from the stands on a football Saturday, and feel their hearts pound as romance and lifelong friendships begin.

Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the *Book of Lost Names*. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome

forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the Book of Last Names will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

Why does the University of Illinois campus at Urbana-Champaign look as it does today? Drawing on a wealth of research and featuring more than one hundred color photographs, *An Illini Place* provides an engrossing and beautiful answer to that question. Lex Tate and John Franch trace the story of the university's evolution through its buildings. Oral histories, official reports, dedication programs, and developmental plans both practical and quixotic inform the story. The authors also provide special chapters on campus icons and on the buildings, arenas and other spaces made possible by donors and friends of the university. Adding to the experience is a web companion that includes profiles of the planners, architects, and presidents instrumental in the campus's growth, plus an illustrated inventory of current and former campus plans and buildings.

Book 1 of *Legends of the Guardian King* which follows the life of Abramm Kalladorne in his turbulent search for truth and self--a search that will transform him from a sickly, head-in-the-clouds youth to a legendary hero of strength and courage. Set in a world of swords and cloaks, of glittering palaces and mystical temples, of galley ships and ancient, mist-bound cities, his journey illustrates how God pursues and how He uses suffering to mold His children into something greater than was ever thought possible. Written by Karen Hancock, the acclaimed author of *Arena*.

Essentials of Marketing Research: Putting Research into Practice, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

A BuzzFeed Most Anticipated Book of the Year • A The Millions Most Anticipated Book of the Year "A massively entertaining and slyly enlightening story nestled inside another story like a ghost within its host." —Kathleen Rooney, author of *Cher Ami* and *Major Whittlesey* and *Lillian Boxfish Takes a Walk* In this provocative meditation on new motherhood—Shirley Jackson meets *The Awakening*—a postpartum woman's psychological unraveling becomes intertwined with the ghostly appearance of children's book writer Margaret Wise Brown. There's a madwoman upstairs, and only Megan Weiler can see her. Ravaged and sore from

giving birth to her first child, Megan is mostly raising her newborn alone while her husband travels for work. Physically exhausted and mentally drained, she's also wracked with guilt over her unfinished dissertation—a thesis on mid-century children's literature. Enter a new upstairs neighbor: the ghost of quixotic children's book writer Margaret Wise Brown—author of the beloved classic *Goodnight Moon*—whose existence no one else will acknowledge. It seems Margaret has unfinished business with her former lover, the once-famous socialite and actress Michael Strange, and is determined to draw Megan into the fray. As Michael joins the haunting, Megan finds herself caught in the wake of a supernatural power struggle—and until she can find a way to quiet these spirits, she and her newborn daughter are in terrible danger. Using Megan's postpartum haunting as a powerful metaphor for a woman's fraught relationship with her body and mind, Julia Fine once again delivers an imaginative and “barely restrained, careful musing on female desire, loneliness, and hereditary inheritances” (*Washington Post*).

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating

from 1740 to 1945.

Plug back into the dangerous world of virtual gaming, in the next thrilling novel from the author of *Arena*. Kali Ling has faced down death hundreds of times for the entertainment of millions. She knows fear—and she knows what’s truly terrifying... There’s a new game in town. A brutal, winner-takes-all, international video game tournament showcasing the world’s most elite players, promising fame, prestige, and unbelievable fortune. But there’s a catch. The game uses new VR pods guaranteed to push digital warriors to their physical and psychological brink—adapting every time a gamer makes a move. As the first female captain and youngest team owner in VGL history, Kali is used to defying the odds. But as the all-star tournament heats up, her determination begins to waver and the pressures of media, sponsors, and the game itself begin to put cracks in her hard-set convictions—and strain on her relationship with the one person who matters most. If Kali and her teammates are to survive, they’ll have to find a way to be stronger than ever before. But battling the system may prove too difficult for even the most hardened of fighters...

A Journey She Did Not Choose Will Change Her Life Forever Transported surreptitiously to a terrifying alien world, with limited resources and only a few cryptic words to guide her, Callie Hayes finds herself engulfed in a perilous battle for freedom - for her

very life. After agreeing to participate in a routine psychology research experiment, she must unravel the mysteries shrouding her only route of escape or risk succumbing to the deadly deception of the Arena. A mesmerizing journey through the treacherous terrain of a strange and terrifying world. A powerful allegory that will capture your imagination with its timelessness and aching familiarity.

In mid-nineteenth-century London, destitute Ivy, whose main asset is her red hair, comes to the attention of a painter of the pre-Raphaelite school who, with the connivance of her family, is determined to make her his model and muse.

Because the battle begins before a book even hits the shelves, an author needs every weapon to get ahead of the competition. *Guerrilla Marketing for Writers* is packed with proven insights and advice, it details 100 "Classified secrets" that will help authors. From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — *The New York Times Book Review* A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power

that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

ArenaBethany House

Three strangers, who each encounter the same mysterious storm and awake to find that everyone has vanished, eventually cross paths and discover they are being watched, but when a little boy who holds clues to the mystery disappears, the three flee Chicago in search of answers and more survivors. Original. 15,000 first printing.

A fast-paced and gripping near-future science fiction debut about the gritty world of competitive gaming... Every week, Kali Ling fights to the death on national TV. She's died hundreds of times. And it never gets easier... The RAGE tournaments—the Virtual Gaming League's elite competition where the best gamers in the world compete in a no-holds-barred fight to the digital death. Every bloody kill is broadcast to millions. Every player is a modern gladiator—leading a life of ultimate fame, responsible only for entertaining the masses. And though their weapons and armor are digital, the

pain is real. Chosen to be the first female captain in RAGE tournament history, Kali Ling is at the top of the world—until one of her teammates overdoses. Now, she must confront the truth about the tournament. Because it is much more than a game—and even in the real world, not everything is as it seems. The VGL hides dark secrets. And the only way to change the rules is to fight from the inside...

Content analysis is one of the most important but complex research methodologies in the social sciences. In this thoroughly updated Second Edition of *The Content Analysis Guidebook*, author Kimberly Neuendorf provides an accessible core text for upper-level undergraduates and graduate students across the social sciences. Comprising step-by-step instructions and practical advice, this text unravels the complicated aspects of content analysis. In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Provides biographies of American and British authors of Christian themed works from World War II until the present day.

A rollicking, picaresque novel about family and perseverance set during America's "forgotten war" of 1812. Young Henry Phipps is on a quest to realize his dying mother's last wish: to be buried at sea, surrounded by her family. Not an easy task considering Henry's ne'er-do-well father is in debtor's prison and his comically earnest older brother is busy fighting the red coats on the battlefields of Maryland. But Henry's stubborn determination knows no bounds. As he dodges the cannon fire of clashing armies and picks among the ruins of a burning capital he meets looters, British defectors, renegade slaves, a pregnant maiden in distress, and scoundrels of all types. *Mad Boy* is at once an antic adventure and a thoroughly convincing work of historical fiction that recreates a young nation's first truly international conflict and a key moment in the history of the emancipation of African-American slaves. Entertaining, atmospheric, and touching, *Mad Boy* will transport readers with its cast of vivid characters, its masterful storytelling, and its poignant tale of a young man burdened by an outsized undertaking. "Nick Arvin is an immensely gifted writer, and he has given us a thrilling, soulful book." —David Wroblewcki, author of *The Story of Edgar Sawtelle* on *The Reconstructionist* "This compact, intense first novel...evokes the nightmare into which soldiers are suddenly thrown." —The New York Times Review of Books on *Articles of War* "This brilliant musket blast of a novel—in which the lucky reader will encounter falling cows, repurposed pickle barrels, fascinating schemes and fabulous schemers—is alive with humor, heat and heart. *Mad Boy* is a tremendous accomplishment. Nick Arvin is the real thing." —Laird Hunt, author of *The Evening Road*

Now in paperback, the acclaimed national bestseller from

Hollywood legend and Academy Award-winning Charlton Heston, star of such legendary films as "The Ten Commandments" and "Ben Hur". Photos.

From before the time of Christ, there have been rumors of a secret society called The Illuminati...a vicious tribe of Druids with mystical, supernatural powers. Many saw them as demons or gods. Those who opposed them simply disappeared...or met an even worse fate. Unknown to all but the very few, this group slowly infiltrated world organizations and financial institutions with a singular goal--to control the world's economic system. Now fast-forward to the year 2020. The Illuminati has succeeded in placing one of their people in the office of the presidency of the United States. With the worldwide launch of a financial system known as Data-Net, they suddenly have the power to single out groups of people and control their money, fuel, and food supply. How do you escape an unknown enemy operating at the highest levels who can track your every move? And how do you defeat a society that practices ancient rituals and appears to have power beyond the grave? The Illuminati is a futuristic thriller tied to ancient mysticism that will appeal to fans of The DaVinci Code and the Left Behind series. It will also leave readers wondering where fact ends and fiction begins.

From London to Corsica to Paris -- as a young woman pursues the truth about her late mother, two captivating love stories unfurl in this captivating novel from the author of The Guest List. Kate Darling's enigmatic mother -- a once-famous ballerina -- has passed away, leaving Kate bereft. When her grandmother falls ill and bequeaths to Kate a small portrait of a woman who bears a striking resemblance to Kate's mother, Kate uncovers a mystery that may upend everything she thought she knew. Kate's journey to find the true identity of the woman in the portrait takes her to some of the world's most iconic and indulgent locales, revealing a love story that

began in the wild 1920s and was disrupted by war and could now spark new love for Kate. Alternating between Kate's present-day hunt and voices from the past, *The Book of Lost and Found* casts light on family secrets and love -- both lost and found.

Legends of the Guardian King Book 3- Karen Hancock has created a beautiful and powerful fantasy series that continues to win new readers and remind them of who holds their hopes and victories in His hands. In Abramm's world, God is close to his followers, evil takes many forms, and one must believe in the light to see the darkness. While Abramm's coronation is still underway, rival leaders are already plotting their return to power. Worse yet, as the hour approaches for Abramm's marriage to the Chesedhan crown princess--required to seal the desperately needed alliance between their two countries--he finds himself deeply attracted to her younger sister. Will Eidon give Abramm ultimate victory, or will his enemies succeed in destroying him and his beloved realm? It is the very stuff of legend. A man from the very bottom of the American caste emerges, seemingly out of nowhere, captures the nations imagination and improbably -- within four odd years, defies gravity and rises to the dizzying height of the American presidency thereby becoming the first non-white in history elected to lead an overwhelmingly white nation. A Cinderella like fairy tale? No. That's the story of President Barack Obama. Seismic and epic, it is a biblical tale of the trials, travails, tribulations and dazzling triumphs of the rejected stone that became cornerstone of Moses as pharaoh. Reviled and vilified like his legendary idol,

Abraham Lincoln, whose election sparked the American civil war, Obamas election likewise triggered a cold uncivil civil war. That notwithstanding, his achievements are impressive even historic. Regarded as a Gettysburg-like pivotal moment in American history, Obamas metaphorical conquest of the American presidency is a monumental achievement, a crossing of the Rubicon and a historic 1066-type turning point matched in its sheer historic weight and majesty only by the achievements of Washington and Lincoln. It reboots American democracy and heralds a new Yes We can! era of American and world history with new and expansive possibilities already evident in the unusual and iconoclastic demographic profiles of many of his wannabe successors. It gives credence to the creed All men are created equal and confers legitimacy on American democracy. It redounds to the credit of the nation, and burnishes her image as the pacesetter in the quest for interracial harmony. Citing these and Obamas many other achievements such as saving a moribund economy and reforming healthcare, the author predicts that Obama will be revered as one of Americas greatest presidents.

A delightfully illustrated picture book about support for families with babies, and the coming of a new baby. The charming and simple text has been written by Yvonne Morrison, author of THE KIWI NIGHT BEFORE CHRISTMAS and KIWI JINGLE BELLS.

Illustrations by Jenny Cooper, who has illustrated DOWN IN THE FOREST and many educational books. This book was produced following a request from Plunket, who felt they should celebrate their centenary with something for children as well as more serious works for adults.

Robert R. McLaughlin is the pastor of Grace Bible Church in Somerset, Massachusetts and the President of Robert McLaughlin Bible Ministries. Both ministries are non-denominational grace ministries dedicated to teaching the Word of God from the original languages and making it available at no charge throughout the world. For over 30 years Pastor McLaughlin has taught from the original languages of scripture, The Ministry is dedicated to equipping the believers in the Lord Jesus Christ to live the life that the Lord has designed for them. This is a life of contentment and strength as we go through the inevitable problems and challenges that life brings. Like it or not, believe it or not, we are all a part of an Angelic Conflict. One can hardly live in today's society and not come across the concept of good versus evil. Books, movies, video games, news, it is found everywhere. It is actually a measure of Satan's genius that he uses all of these things to disguise, obscure, and pervert the truth. This book explains why most people, including many Christians, are unable to associate the events of their lives with the big picture, the Angelic Conflict

itself. The Bible teaches that before the creation of man, a conflict arose between God and His angels, when Satan attempted to ascend to the Mount of Heaven and wrestle God's ruler-ship away from Him. The resulting battle left the surface of the earth in ruins, at this point the earth was packed in ice. Presumably it was at this time that the trial occurred in which Satan and the angels that followed him were found guilty and sentenced to the Lake of Fire. Since Satan is obviously not yet in the Lake of Fire, the logical conclusion is that he appealed his sentence. We can speculate a number of grounds on which he is making this appeal. One is an accusation against God's character that we hear often enough in life: How can a loving God cast His creatures into hell? To answer this appeal, God created man, a lower being, and set him in the great stadium of earth for all the angels to observe. God would take on the form of this lower being Himself. He would allow sinful man to abuse and mock Him, and finally to nail Him to a Roman Cross in an attempt to destroy Him. Our Lord Jesus Christ would then bear the penalty for the sins of all mankind. By doing so He neutralized the claims His justice had against us, so that we could live with Him and fellowship with Him forever. This book unlocks the secrets of the Angelic Conflict!
