Most of the young women who work at the building's Switchboard Operating Facility, which connects the whole city of Oskar, look the other way as Ever roams around in the shadows. But one of them, Lisa, keeps an eye on the boy. So does the head of the Switchboard, Madame Alexander . . . a rather sharp eye. Enter Hannah, the spunky daughter of the building's owner. She thinks Ever needs a friend, even if he doesn't know it yet. Good thing she does! Lisa and Madame Alexander are each clearly up to something. Ever is beset by a menacing band of rogues looking to unlock the secret he holds--at any cost. And whatever is hidden deep in the Switchboard building will determine all of their futures. In Disney•Pixar's original movie "Inside Out," he will take us to the most extraordinary location of all—inside the mind. Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. In this new accessible philosophy of friendship, Mark Vernon links the resources of the philosophical tradition with numerous illustrations from modern culture to ask what friendship is, how it relates to sex, work, politics and spirituality. Unusually, he argues that Plato and Nietzsche, as much as Aristotle and Aelred, should be put centre stage. Their penetrating and occasionally tough insights are invaluable if friendship is to be a full, not merely sentimental, way of life for today.
