In the tradition of Star Wars, a galaxy-hopping space adventure about a galactic kingdom bent on control and the young misfit who must find the power within before it's too late. Cade Sura holds the future of the galaxy in his hands: the ultimate weapon that will bring total peace. He didn't ask for it, he doesn't want it, and there's no worse choice to wield it in all of space, but if he doesn't, everyone's totally screwed. The evil Praxis kingdom is on the cusp of having every star system under its control, and if that happens, there'll be no contesting their cruel reign. Especially if its fanatical overlord, Ga Halle, manages to capture Cade and snag the all-powerful weapon for herself. Cade can't hide from Praxis, and he can't run from the destiny that's been shoved into his hands. So he only has one option: He has to fight. Cade's not going to let destiny send him on a suicide run, though. With some help from his friends—rebels and scoundrels alike—Cade's going to use this weapon to chart a new destiny for the galaxy, and for himself. He just has to do so before everyone around him discovers that he's a complete and total fraud.
