En Inde comme dans bien d'autres pays, la nation ne se définit pas seulement sur le mode ouvert de la citoyenneté, mais aussi sur celui, fermé, de l'ethnicité. Le premier a longtemps été représenté par le parti du Congrès de Gandhi puis de Nehru, et le second par les nationalistes hindous, pour lesquels la communauté majoritaire, faite de fils du sol, incarne l'Inde éternelle, tandis que les chrétiens et les musulmans sont des pièces rapportées devant prêter allégeance aux symboles hindous pour être reconnus comme des Indiens à part entière. Né dans les années 1920, le nationalisme hindou n'a pris son essor que dans les années 1990 avant de conquérir le pouvoir en 2014. Ce tournant doit beaucoup au populisme de son leader, Narendra Modi, une personnalité atypique qui a d'abord gouverné la province du Gujarat – où il s'est imposé, suite au pogrom antimusulman de 2002, grâce à ses succès économiques et au soutien des milieux d'affaires, avant de conduire son parti, le BJP, à la victoire. En cinq ans, les nationalistes hindous ont changé la face de l'Inde. Non seulement ils ont mis au pas les tenants du sécularisme (universitaires, ONG...), mais ils se sont aussi attaqués aux chrétiens et aux musulmans au point de les marginaliser dans les assemblées nationales et régionales, et, surtout, de mettre en place une police culturelle. Ce dispositif, s'il ne s'est pas traduit par des réformes constitutionnelles, donne aujourd'hui naissance à une démocratie ethnique de fait. Christophe Jaffrelot, ancien directeur du CERI, est directeur de recherche au CNRS et enseignant à Sciences Po. Il est le grand spécialiste de l'Asie du Sud et s'intéresse plus particulièrement à sa politique, au carrefour des dynamiques sociales et religieuses.

This report focuses on how human development can be ensured for everyone, now and in future. It starts with an account of the hopes and challenges of today's world, envisioning where humanity wants to go. This vision draws from and builds on the 2030 Agenda and the Sustainable Development Goals. It explores who has been left behind in human development progress and why. It argues that to ensure that human development reaches everyone, some aspects of the human development framework and assessment perspectives have to be brought to the fore. The Report also identifies the national policies and key strategies to ensure that will enable every human being achieve at least basic human development and to sustain and protect the gains.

This book is the first critical survey of modern Egyptian drama during the period of its maturity from the 1930s to the present day. A discussion of the work of Tawfiq al-Hakim is followed by an examination of the less experimental plays of his successors, Mahmud Taymur, Bakathir and Fathi Radwan.

Originally published in 1957, the first part of the book discusses the general problems of approach, classification, typology and terminology, and examines ancillary fields of study and the methods of teaching comparative government. Part Two is concerned with studies of particular areas, democratic control of foreign policy, political parties, contemporary revolutionary movements, parliamentary procedures, electoral systems and elections, and nationalized industries.

Quoting actual dialogue, the volume describes modes of speaking in three contemporary Hawaiian communities as children relate to parents, siblings, and peers. It demonstrates in detail the link to educational practice and to point to positive consequences in the handling of cultural differences in language use.

This book, first published in 1985, argues that changes in the education system are closely bound up with wider social and political changes. It considers items within education such as developments in teacher assessment policy and changes in the control of education policy; and external items such as new directions in the management of the economy, of class relations and of the political system. Throughout, the book reflects a mood of growing frustration and anxiety shared by many teachers and educationalists which, the book argues, stems from a feeling that the education system is not being run as it should be. This title will be of interest to students of education and sociology.

A Thousand Cuts is a harrowing, sobering and ultimately inspiring autobiography of Professor T.J. Joseph, who in 2010 became the victim of a brutal terrorist assault, accused of blasphemy after setting an exam question that enraged fundamentalists. This book is an important reminder of the pernicious effect of religious extremism and the duty of every person to speak out against those who would silence free expression' SHASHI THAROOR 'There is excruciating agony here, but also black humour and irony that enliven and lighten the narrative even at the height of anguish' K. SATCHIDANANDAN 'The poignant tale, with its sense of urgency and helplessness, has been sensitively translated as A Thousand Cuts' RANA SAFVI A chilling account of religious extremism In 2010, T.J. Joseph, a professor of Malayalam at Newman College, Kerala, framed an innocuous question for an internal examination that changed his life forever. Following a trumped-up charge of blasphemy, members of a radical Islamist organization set upon him in public, viciously maiming him and chopping off his right hand. His memoir, told with amazing restraint and wry humour, is the moving tale of his life and family as they went through hell and beyond. Here's the extraordinary story of a man who survived dismembering only to be betrayed by his own Church. Let alone stand by him, it robbed him of his livelihood and isolated him from his community, driving Joseph's long-suffering wife to melancholia and eventual suicide. Joseph's story is one of fortitude, will power, forgiveness and compassion, told with rare wit that will make readers chuckle through their tears. This is a tale that will leave the reader seething, weeping and smiling by turns.

In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Financial Management is so crucial for any organization—public or private sector—as profit maximization and increasing the shareholder value depend, to a large measure, on efficient and effective financial management of the company or firm. With this end in view, Professor Bhabatosh Banerjee, drawing from his expertise and his rich and long years of experience, gives a masterly analysis of the fundamental principles of financial management along with their applications. While retaining the distinguishing features of the

previous edition, the book is now a much more comprehensive one on Financial Management. Significant changes have been incorporated into the chapters relating to cost of capital, analysis of leverages, capital structure theories and planning, capital budgeting decision, working capital management, changes in financial position, accounting ratios and financial statement analysis, mergers and acquisitions and corporate governance for further value addition of the book. The book is logically organized into five parts—Part I: Basic Concepts, Part II: Financial and Dividend Decisions, Part III: Investing in Long-term and Short-term Assets, Part IV: Performance Analysis and Measurement, Part V: Contemporary Topics—to enable the students to understand the concepts, with suitable cases, chronologically and more effortlessly. This book is primarily intended as a text for the students of commerce and management courses. It will also be highly useful for those appearing in CA and ICWAI examinations. In addition, the text will benefit practising finance and accounting professionals, corporate managers, and participants in management development programs. KEY FEATURES • Includes numerous illustrations, worked-out problems and exercises covering recent questions in university and professional examinations. • Gives corporate practices in professional management, wherever found necessary. This will enable the students to acquaint themselves with real-life situations. • Provides Case Studies in a few complex chapters to enhance the analytical and presentation skills of the students in a classroom setting.

Creativity and innovation as hallmarks of entrepreneurship have been recognized as the modern-day mantra for success in business and industry. It is with this realization, the Government of India, by announcing a number of policies and schemes, has been giving ever-increasing emphasis on developing creativity and innovation in entrepreneurship in the country. So much so, an increasing number of educational institutions in the country have started offering the paper on creativity and innovation in entrepreneurship in their course curricula. Because Creativity and Innovation in Entrepreneurship, as a subject, is relative of recent origin in India, there has so far not been any comprehensive textbook available on the subject in the Indian context. The present book is a modest attempt to fill in this gap.

The International Year of Fruits and Vegetables 2021 (IYFV), as declared by the UN General Assembly in Resolution A/RES/74/244, aims at raising awareness of, directing policy attention to, and sharing good practices on the nutritional and health benefits of fruit and vegetable consumption, the contribution of fruit and vegetable consumption to the promotion of diversified, balanced and healthy diets and lifestyles, and reducing loss and waste of fruits and vegetables. This background paper outlines the benefits of fruit and vegetable consumption, but also examines the various aspects of the fruit and vegetable sector from a food systems approach: from sustainable production and trade to loss and waste management. This paper provides an overview of the sector and a framework and a starting point for discussion for the Year, highlighting the interlinkages of stakeholders and key issues to be considered for action during the IYFV.
