The fourth book in the “outstanding” (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I'd rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson's front door like a nervous teenage girl. One thing I like about Owen: he doesn't shy away from my past—or my present. And right now I have a bull's-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means there's a fifty-fifty chance one of us won't survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I'm her long-lost sibling . . . or that I'm the murderer she's been chasing through Ashland for weeks. And what Bria doesn't know just might get us both dead. . . .

“Assassin Levi Agozi has lived a brutal life, but at his core is a man of strength and honor—my favorite kind of hero. I have added a new author to my list and her name is Ella Sheridan!” –Lara Adrian, New York Times bestselling author

I killed my first man at the age of twelve. I've been killing ever since. I thought it was all I lived for...until Abby. Until the woman I'd kidnapped became the woman I couldn't walk away from. She owns a piece of me I wouldn't take back, but the rest? The only way to protect her is to hold back the parts inside me that are too ugly to ever reveal. I'll keep her safe, even from me. And it works. We have the nights, and I hunt my way through the days. Alone. Until an attack reveals a threat we didn't see coming. One that could take away the dream I didn't realize I had. Everything. With her. I'm on the hunt of my life. My prey might run, but in this fight—for her, for us—they don't stand a chance. \* ASSASSIN'S PREY is the second book of a duet. It is recommended that you read ASSASSIN'S MARK first to enjoy the full story.

"I inhaled this sexy, gritty, thrilling new series and I can't wait for more!" — Lara Adrian, NYT Best-selling Author I knew the minute I saw him that Levi Agozi was too perfect to be real. I didn't care. He came to me, asked for me, and, dazzled by his dark good looks and the bad-boy aura surrounding him, I gave in. Willingly. My father is set to become the next governor of Georgia, and he'll use me to get there if he has to. He'll hand me over, virginity and all, to the man with the biggest bank account and political pull. I wanted something more. I wanted Levi. And I had him—until I woke up, disoriented and confused, at his mercy. He's a bad boy, all right. A sexy, deadly assassin. And I'm the pawn torn between him and my father, two powerful men intent on destroying each other. I might not understand their war, but I do understand one thing: no matter who wins, I lose.

Abraham Lincoln watched a play. James Garfield walked through a train station. William McKinley shook hands with his public. John Kennedy smiled and waved from a motorcade. In these moments shots rang out and four presidents suffered mortal wounds. Some say their assassins were calculating killers. Others say they were madmen guided by strange notions of the world. Assassins' America examines the lives of each killer and his victim. Their stories are full of twists and mysteries, and even today Americans live with lasting effects of these terrible crimes.

The only small annoyance had come from a little old lady who owned of all things a corner shop. She had refused to accept any of his special parcels and wanted to go to the police, so she'd been given two bullets, the 'double tap', both to shut her up and to send a message to everyone else in the network. Unknown to Lee she was married to a specialist, a man who, in a former life killed men for a living. He had two friends, one a gatherer of information, the master in his field, one a breaker of men, who was so vicious that it was rumoured that each time he hit a man he cut him. Each of these three men had spent thirty years and more playing the 'great game'. Inside the security company called 'The Firm' they were legends known only as The Assassin, The Grey Man and The Surgeon. Now living at the edge of the secret world and about to disappear into history, this atrocity had brought them back centre stage but the question is, do they still have what it takes to go up against today's hard men?

What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the same about me. Little does she know, I'm a cold-blooded killer . . . who is about to save her life.

John Douglas may be a well-trained political assassin, but he has met his match in the woman he once called a friend. When his childhood playmate reenters his life, she's not looking to rekindle their friendship...she's out for blood. With a vendetta to settle, Charlotte Cornewalle isn't stopping until she finds the man who killed her father. All signs point to Robert Douglas, the leader of the opposing faction of assassins...and John's father. To get her revenge, no one will stand in her way...not even the boy she once adored. Fate forces them together as they fight to prove their innocence and right the wrongs they have suffered. Sparks fly from more than just their swords, but will they be able to put the past behind them? Will they be able to find the truth before it destroys them both? ?

"Ten days after the war ended, my sister Laura drove a car off a bridge." These words are spoken by Iris Chase Griffen, married at eighteen to a wealthy industrialist but now poor and eighty-two. Iris recalls her far from exemplary life, and the events leading up to her sister's death, gradually revealing the carefully guarded Chase family secrets. Among these is "The Blind Assassin," a novel that earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, it was a pulp fantasy improvised by two unnamed lovers who meet secretly in rented rooms and seedy cafés. As this novel-within-a-novel twists and turns through love and jealousy, self-sacrifice and betrayal, so does the real narrative, as both move closer to war and catastrophe. Margaret Atwood's Booker Prize-winning sensation combines elements of gothic drama, romantic suspense, and science fiction fantasy in a spellbinding tale. When Sybella discovers there is another trained assassin from St. Mortain's convent deep undercover in the French court, she must use every skill in her arsenal to navigate the deadly royal politics and find her sister-in-arms before her time--and that of the newly crowned queen--runs out. I'm the genius behind the keyboard, the man at my brothers' backs when trouble comes calling. Killing might not have been my nature, but I learned to do what I had to, to survive. To keep them alive. Now, with everything going right, with my family finally happy, a new threat has risen. A shadow. A menace that could take it all away in a single breath. And not just from my family. From hers. Nix. One glance and I knew I'd walk through fire to make her see me, make her mine.
