This revised fifth edition from estate-planning expert Harvey J. Platt details the most up-to-date strategies for using a living trust to create a flexible estate plan. Platt explains the latest tax laws, including the American Taxpayer Relief Act of 2012, the broadening of statutes for amending trusts, and the rule against perpetuities (RAP). Platt also addresses updates on many existing topics, including lifetime exemptions; the estate, gift, and generation-skipping tax; charitable deductions; state estate tax savings; and private annuities. *Your Living Trust & Estate Plan* maps out the most effective techniques for saving money and property and covers the essentials of successful estate planning. Other resources frequently overlook vital areas such as unlocking the benefits of living trusts, protecting beneficiaries, using life insurance, handling retirement benefits properly, and fixing inadequate estate planning postmortem, but *Your Living Trust* is the complete guide. This invaluable resource will teach you how to maximize your family's assets, plan your estate, and provide for your loved ones well into the future.

Plan ahead: estate planning to secure your wishes Estate Planning is your overview of the estate planning concepts that are necessary to consider when advising your clients about the different facets of wealth transfer planning. Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to:

- Graduate from medical school with as little debt as possible
- Escape from student loans within two to five years of residency graduation
- Purchase the right types and amounts of insurance
- Decide when to buy a house and how much to spend on it
- Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor
- Avoid investments which are designed to be sold, not bought
- Select advisors who give great service and advice at a fair price
- Become a millionaire within five to ten years of residency graduation
- Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes
- Protect your hard-won assets from professional and personal lawsuits
- Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die
- Minimize your tax burden, keeping more of your hard-earned money
- Decide between an employee job and an independent contractor job
- Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation

This book cuts through the confusion that pervades today's real estate investor's understanding of asset protection. It provides in-depth, easy to understand analysis of different asset protection entities as they relate to real estate investing.

Written in clear, conversational English, this book can help anyone understand how a living trust avoids the complications, expenses, and delays of probate at times of incapacity and death.

A revocable living trust is a type of trust created for the purpose of holding ownership of an individual's assets during that person's lifetime, and for distributing those assets after their death. This particular type of trust can be an excellent tool for solving a number of issues confronting individuals and families today, including the avoidance of probate, the management of property during periods of incapacity, the protection of property for beneficiaries who can't handle an inheritance on their own, protecting assets from disgruntled heirs, the elimination or minimization of federal estate taxes, and the assurance that personal affairs will remain private. This self-help legal book provides you with step-by-step instructions, detailed information and all the legal forms necessary to enable you to establish your own revocable living trust.

This updated volume brings together the knowledge of multiple experts in the field of asset protection to provide an in-depth, professional analysis and review of the key issues that lawyers and financial planning professionals face in advising clients on plans designed to achieve the goals of tax savings, providing for other family members, and protecting the estate from creditors. Congratulations! You have worked hard for many years and own a booming business; or perhaps you are a successful doctor, attorney, CPA, or another high-income earner. Making that money was difficult; now, you have to create a strategy to keep it. Unfortunately, you are on the radar with pending lawsuits from other businesses, employees, business partners, past marriages, relatives, the government, or anyone else who thinks they can reach your assets. With a little knowledge and access to the Internet, anyone can discover a lot of information about you, including: your home, cars, boats, real estate, bank, and investment accounts -- essentially everything you own. On average, 80,000 lawsuits were filed in 2006 each day. Fortunately, you can act now to protect yourself and family later. In this easy-to-read and comprehensive book, you will learn the simple steps you need to do to protect yourself before there is a problem. The book provides a number of worksheets to help you decide the best plan of action for your financial position and personal needs. You will learn the ins and outs of protecting yourself and your family through legal methods, such as corporations, family limited partnerships and trusts, family saving trusts, offshore trusts corporations, and limited liability companies (LLCs). You will learn how to reposition your assets into legal entities that you control, creating bullet-proof security. You will learn about irrevocable living trusts, creating and maintaining LLCs, equity-stripping techniques, privacy plans, durable power of attorney, bankruptcy legislation, and estate planning for high-income individuals, as well as living, testamentary, and pour-over wills. The trick is to own nothing directly but control everything legally.

SIMPLE, AFFORDABLE STEPS YOU CAN TAKE TO PROTECT WHAT'S YOURS By the time you're named as a defendant in a lawsuit or divorce proceeding, it may be too late to protect your assets. The time to shield the hard-won fruits of your labor is now! Fortunately, protecting your assets can be much easier and far less expensive than you think. In this complete, practical, and easy-to-follow guide, leading tax and estate planning attorney and bestselling author Martin Shenkman presents the steps you can and should take to protect your home, your savings, and other assets from creditors, litigants, and divorce. Shenkman explains the essential concepts of protecting what you own from malpractice claims, lawsuits, and divorce. This book offers step-by-step guidance in determining which asset-protection strategies and techniques are right for you. You'll learn numerous legal and effective methods you can use to: * Protect your personal assets from business and professional claims * Protect your assets and your heirs' assets from divorce *

Minimize your risk of lawsuits and other claims against your assets * Create limited partnerships and LLCs to protect your assets * Make your home-based business judgment-proof * Use domestic trusts to protect against lawsuits * Secure real estate and stock holdings against lawsuits

The proliferation of lawsuits throughout society exposes business owners, physicians, and other professionals to enormous risk if they don't adequately protect their personal and business assets. In *The ABA Consumer Guide to Asset Protection*, leading asset protection attorney Jeffrey Matsen provides a step-by-step guide to creating a "shield of liability" around personal and business assets through a combination of business and investment entity selections; estate planning techniques; and the creation of appropriate trusts. Matsen's multi-tiered approach is designed to help virtually everyone who has significant assets and to provide a plan appropriate to their particular circumstances. Readers will gain the knowledge to choose the right advisor and actively participate in the creation and management of their own asset protection plan."

What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes — such as family or special charities — it becomes necessary to make special advance preparations. To ensure your assets are protected and final wishes are carried out, there are some common actions that should be taken now. Proper estate planning allows you to plan for yourself and your loved ones without giving up control of your affairs. Your estate plan should also allow for the possibility of your own disability. It should detail what you own and whom you want to leave it to at a time of your choosing and the way you want. Your estate plan should include fully disclosed, controlled costs for you and your loved ones. The last thing you want to worry about is having your estate drained of value through taxes and legal costs. The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. *The Complete Guide to Planning Your Estate in Texas* will help you glide through this complicated process. This new book has been adapted to offer Texas residents state-specific advice for estate planning. Author Linda C. Ashar, Attorney at Law, has crafted an estate planning primer, allowing Texas residents to become more informed and more involved during the process. Many books on estate planning indicate you do not need the services of an attorney, but this book highly recommends using an attorney versed in this area: You should not go through the process alone. This book is intended explain the complicated issues, terminology, and planning strategies of estate planning so when you do meet with a qualified attorney, you will be well prepared. You will understand the legal terms and be ready to discuss issues and strategies with familiarity, saving you time and legal fees and ensuring peace of mind. Texas -specific information is offered throughout this book,

including: Texas's probate code; Texas rules, regulations, and laws specific to estate planning; elements of a valid Texas will; planning your living will in Texas; explanations of Texas laws regarding durable health care power of attorneys, do not resuscitate (DNR) orders, and directives to withhold CPR. The book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their future. This book also offers an overview of abatement rules, settlement costs, guardianship and minor children, executors and trustees, life insurance, potential long-term care needs, marital deductions, types of trusts, gift splitting, survivorship deeds, 529 plans, reducing or eliminating estate taxes, avoiding tax on life insurance, using insurance to pay estate taxes, gift tax issues, generation skipping transfer tax, and tax-deferred accounts. Estate planning should be a positive experience. It involves reviewing your situation and planning for your future. Although few people want to think about the possibility of disability or disease, advance planning is also a way to show your love and to reduce potential distress later. Other books offer a non-state-specific overview of estate planning, causing many readers to be misinformed about rules and regulations particular to their state; but, this new book provides information Texas residents need to know. Do not get outdated or wrong information that does not pertain to you specifically. Use this new book to craft an estate plan that is not only legally sound but also fully carries out your last wishes and protects your loved ones.

Self-help/how-to by a lawyer on Medicaid use by elders in Florida.

Have you ever considered the advantages of creating a living trust? Avoiding probate through the use of living trusts is a well-known solution, but author Evan H. Farr takes this issue one step further. In *Protecting Your Assets from Probate and Long-Term Care*, Farr explains the need to consider both probate and the expenses of long-term care when you create a living trust. A revocable living trust, the main tool used for protecting your assets from probate, does not protect assets from the catastrophic expenses of long-term care. A very useful and popular estate planning tool, revocable living

trusts are recommended by tens of thousands of attorneys across the United States and are used as the central estate planning document by millions of Americans. However, what most Americans don't realize is that assets in such a trust are not protected from lawsuits or from the limitless expenses associated with nursing homes or long-term care. In order to help readers protect themselves from both probate and long-term care, Farr delves into the many details you should know when creating a living trust. He also outlines his Living Trust Plus™ Asset Protection Trust, which is the only type of self-created asset protection trust that allows you to avoid probate and retain an interest in the trust while also protecting the assets from being counted by state Medicaid agencies. He details the process of avoiding probate and securing assets, including: Joint ownership problems Special needs planning How to pay for the nursing home Why Medicaid planning is ethical The ten most common Medicaid myths Finding the right lawyer Protecting Your Assets from Probate and Long-Term Care will help to ensure your family does not have to reap the consequences (and expenses) of improperly creating a living trust.

The Arizona Estate Administration Answer Book is your best resource for understanding practical issues that commonly arise when responding to the death of an Arizona resident or property owner. Each chapter provides advice and explanations to help you wade through the complex, and often bizarre, legal requirements associated with estate and trust law in Arizona. Whenever possible, the Arizona Estate Administration Answer Book emphasizes the unique aspects of Arizona law.

The complexities of planning and administering an estate are clearly explained in this up-to-date and authoritative guide. This new edition covers the best techniques for transferring property through Irrevocable Life Insurance Trusts, gifting programs, paying grandchildren's medical and tuition expenses, and more. From wills, trusts, powers of attorney, and health care directives to probate and administering an estate, it's all here in easy-to-read, plain English. A five-step planning process details how to create and implement a sound estate plan. The Living Trust Plus Asset Protection Trust protects your assets from probate PLUS lawsuits PLUS the catastrophic expenses often incurred in connection with nursing home care. The Living Trust Plus is the only type of self-settled asset protection trust that allows a settlor to be trustee and retain an interest in the trust while also protecting the assets from being counted by state Medicaid agencies. Even though the Living Trust Plus is irrevocable, you retain a high degree of control over your trust assets because: (1) you can be the trustee if desired; (2) you can retain the right to receive all of the trust income; (3) you have the right to live in and use your real estate; (4) you have the right to change trustees; and (5) you have the right to change beneficiaries. Evan H. Farr, Certified Elder Law Attorney, is the creator of the Living Trust Plus Asset Protection System used by dozens of Estate Planning and Elder Law Attorneys around the country, and is widely recognized as one of the foremost experts in the nation in the field of Medicaid Planning and Medicaid Asset Protection Trusts. Evan has been recognized as one of the nation's top lawyers by SuperLawyers.com, Martindale-Hubbell, Best Lawyers in America, and Newsweek Magazine. A nationally-renowned Best-Selling author and frequent educator of attorneys across the U.S., Evan is known as the "expert to the experts," having educated tens of thousands of attorneys across the country. His numerous publications include a Best-Selling book, *Protect and Defend*, the *Nursing Home Survival Guide*, as well as two legal treatises published by the American Law Institute in affiliation with the American Bar Association: *Planning and Defending Asset Protection Trusts and Trusts for Senior Citizens.*"
