

Attitude Is Everything By Jeff Keller

The author discovered the power of a positive attitude! Jeff Keller began an intensive study of personal growth principles. You, too, have the ability to transform your own life and soar to new heights of success and fulfillment.

Get ready to SHIFT your life! "Through shifting your focus and way of thinking, Steve Rizzo shows how to succeed on all levels of life, while actually enjoying the process. What could be better?! You will love the truth, the humor, and the wisdom this book contains." -- Dr. Mehmet Oz, host of The Dr. Oz Show and bestselling coauthor of You: The Owner's Manual "I'm positive you will love this book!" — Jeffrey Gitomer, bestselling author of the Little Red Book of Selling "The stories in this book will make you think, laugh, and think again. It's an indispensable tool for maximizing your personal and professional success and happiness." -- Joe Vitale, bestselling author of The Attractor Factor "Engaging, hilarious, heartfelt, and authentic—just like Steve--this book is for anyone seeking more purpose and joy in business and in life. I couldn't put it down." -- Lt. Col. Rob "Waldo" Waldman, bestselling author of Never Fly Solo "With humor, research, and personal insights, Steve Rizzo will help you enjoy the journey of life, both personally and professionally. And he will make you laugh--bonus!" -- Chester Elton, bestselling coauthor of The Carrot Principle and All In "Everyone is looking for a road map. Steve provides the driving instructions for those who are ready to shift into high gear on the highway of life." -- Wayne B. Goldberg, President and CEO, La Quinta Inns and Suites "In a book overflowing with wit, passion, and serious truth, Steve helps you navigate that often elusive, yet vital shift in focus that allows you to reclaim the success, joy, and happiness for which your life was intended. Your eyes will be opened, and you will never be the same." -- Joseph Fusco, Vice President, Casella Waste Systems, Inc. LAUGH YOUR WAY TO SUCCESS . . . Who says you have to "get serious" to get everything you want out of life? According to Steve Rizzo, The Attitude Adjuster, you simply need to shift your attitude to get the ball rolling, both at work and in your personal life. In his funny and moving motivational guide, Rizzo shares the life-changing secrets that helped him confront his fears and shift from a promising career as a stand-up comic to his incredible success as a public speaker. Packed with humor, charm, and mind-altering insights--no, not that kind!--Rizzo's unique approach will show you how to: Find the humor in every situation Turn negatives into positives--every single day Make your workplace the best place to succeed Stop being a full-time resident of the Negative Zone Face your fears and get on with your life Make happiness a choice--and have fun doing it! Throughout the book, you'll find specific Attitude Adjustment Strategies that you can apply to every aspect of your professional and personal life. You'll learn how to avoid the Eeyore Syndrome, tap into your Humor Being, turn self-doubt into selfconfidence, and make everyday conversations more engaging and more productive. You'll discover a tried-and-true method for shutting down that selfdefeating Big Mouth inside your head--so you can listen to what's inside your heart. Along the way you'll hear about Rizzo's enlightening firsthand encounters with Eddie Murphy, Rodney Dangerfield, Naomi Judd, Christopher Reeve, and many more. It's all you need to get your shift together, and that's no joke. When the shift hits the fan, your new life begins--with love, with joy, and, of course, with laughter. Imagine you are driving home from a winter vacation. Your arrival time was on your

smartphone calendar. At the appropriate time, your smart home turned up the thermostats to ensure it would be warm when you arrived. As you approached your smart home, the garage door opened, and the security system was disarmed. The lights turned on in the mudroom, hall, and kitchen. When you walked into the kitchen, the counter top speaker made an announcement. "Welcome home. Today is Sunday, January 14, and the time is 9:15 PM. The temperature outside is 28 degrees and the humidity is 34 percent. Someone came to the front door last night, but did not give a name. I saved a picture to your smartphone. Have a nice evening." Classical music began to play throughout the smart home. If there had been a water leak while you were away, the water main would have automatically turned off, you would have received a text message, and a call would have been placed to your plumbing service. Any malfunction with the electrical, heating, or air conditioning systems would likewise have resulted in a text to you and a call to the appropriate service organization. Read what some global thought leaders think of Home Attitude. "Home Attitude is your practical guide to take advantage of the many benefits of home automation. You will be amazed at what the future will bring, but even more about what's possible today. Futurist John Patrick points the way for all of us." Skip Prichard, President & CEO, OCLC, Inc. and author of The Book of Mistakes "John Patrick's latest book in his growing Attitude Series provides an excellent overview of how a hands-on homeowner can build an automated home which is energy efficient, secure, and just plain fun. Patrick clearly explains the many benefits of an automated home, its key building blocks, and how to get started. Whether you're interested in simply reducing your utility bills, or building the home of the future, Home Attitude will help make it possible today." Ronald H. Gruner, Founder, Alliant Computer and Shareholder.com "John Patrick is a renowned visionary and evangelist for what is possible when the Internet, technology, and people intersect. Home Attitude brings John's insightful principles and thought leadership intimately into our homes. This is a must read for anyone feeling their home is falling behind the technology trends of our time." Dan Ohlson, Founder, Realtek Holding Investments "John is one of the very few people who have been a driving force behind the PC and Internet revolution. Remember Mark Zuckerberg's smart home video with JARVIS? It is no longer rocket science to automate your home. Anyone with the right attitude and dedication can build a smart home for a very reasonable price. Read John's book to gain this attitude and let your home make your life easier." Bilal Athar, CEO, Wifigen LLC "Automating your home is much more than a hobby," notes Dr. John. "It is an attitude." "It is this state of mind, coupled with his ability to sense the future and demystify technology, which distinguishes his growing collection of works. Home Attitude continues the tradition. Like a digital Rumpelstiltskin, John turns straw into gold. He spots technology trends, catalogs hundreds of products from the Internet of Things, to home operating systems, security systems, climate control, entertainment, geofencing, and pizza tracking. It's a pinata of shiny objects; a dizzying profusion of choices, for which you need this book, and a house doctor. Alexa, get me Dr. John!" James G. Kollegger, CEO, Genesys Partners, Inc. "For most of us, home automation is still a very new field. In Home Attitude, John Patrick shares his knowledge and experience from over 25 years in home automation. This book gives a comprehensive overview and many real-life examples. It will bring anyone's home attitude to the next level. It certainly did so for me." Konrad Gulla, CEO/Founder, Keeeb, Inc.

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking." —PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it." —Mashable.com "I adored all three of these characters and the way they talked to and loved one another." —New York Times

CHANGE YOUR THINKING CHANGE YOUR LIFE "Every line in this book is bursting with truth, wisdom, and power. Brian Tracy is the preeminent authority on showing you how to dramatically improve your life. Let him be your guide. I've learned so much from Brian myself that I can't thank him enough!" —Robert G. Allen, #1 New York Times bestselling author "This book gives you a step-by-step system to transform your thinking about yourself and your potential, enabling you to achieve greater success in every area of your life." —Lee Iacocca, Chairman, Lee Iacocca & Associates "Once again, Brian Tracy has written an incredible book which shows individuals how to delve into their inner resources so that they can not only identify realistic goals but develop a plan on how to achieve these goals. This book promises to be a bestseller and to influence the lives of so many. It is must reading." —Sally Pipes, President, Pacific Research Institute "Outstanding! Brian Tracy's *Change Your Thinking, Change Your Life* is a must-read. Use the powerful 'mental software' program in this book to tap your vast inner resources and bring the life you've been dreaming about into reality." —Ken Blanchard, coauthor of *The One Minute Manager* and *Full Steam Ahead!* "As usual, Brian Tracy has hit another home run with *Change Your Thinking, Change Your Life*. It's a must-read!" —Mac Anderson, founder, Successories, Inc. "Brian's new book, *Change Your Thinking, Change Your Life*, will show you how to attract the people and resources you need to achieve any goal you set for yourself." —Tony Jeary, Mr. Presentation, author of *Life Is a Series of Presentations* "This is a masterful book laden with wisdom and knowledge. It'll catapult you from intention to implementation. It arms you with the information and insights you need to achieve success and significance in your life." —Nido R. Qubein, founder, National Speakers Association Foundation Chairman, Great Harvest Bread Company

What is the one quality that all successful people have in common? They have

mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

In "The Power of Neuroplasticity," Shad Helmstetter, Ph.D., presents the scientific discovery that the thoughts we think physically rewire and reshape our brains and change our lives. Dr. Helmstetter shows how to use the latest research from the field of neuroscience to wire your brain to change attitudes, overcome negativity, improve health and fitness, reach personal goals, increase mental sharpness and clarity, improve usable IQ, super-charge your thinking and reshape your life, all with neuroscience on your side.

Jeff Winston, forty-three, didn't know he was a replayer until he died and woke up twenty-five years younger in his college dorm room; he lived another life. And died again. And lived again and died again -- in a continuous twenty-five-year cycle -- each time starting from scratch at the age of eighteen to reclaim lost loves, remedy past mistakes, or make a fortune in the stock market. A novel of gripping adventure, romance, and fascinating speculation on the nature of time, *Replay* asks the question: "What if you could live your life over again?"

Do you dread going to work? Do you feel tired, unhappy, weighed down? Have you given up on your dreams? The road to a happier, more successful life starts with your attitude-and your attitude is within your control. Whether your outlook is negative, positive or somewhere in between, Jeff Keller, motivational speaker and coach, will show you how to take control and unleash your hidden potential through three powerful steps: -THINK! Success begins in the mind. The power of attitude can change your destiny. -SPEAK! Watch your words. How you speak can propel you towards your goals. -ACT! Don't sit back. Take active steps to turn your dreams into reality. Soon,

you will be energized and see new possibilities. You will be able to counter adversities and develop talents unique to you. Your relationships will improve, both at work and in your personal life. All you need is this step-by-step programme to change your attitude and your life!

Place of publication from publisher's website.

Even in this hurly-burly world, people have the power to become the person they were destined to be -- to create the life they desire. Developmental psychologist Dottie Billington presents this inspirational guide to assist baby-boomers, busy moms, men and women in transition -- even college students -- jump-start the life they want. They can -- Discover their passion -- and live it -- Create a winning attitude -- Develop deeper, more satisfying relationships and -- Learn why 'Ya Gotta Be Juicy.'

A new hilarious novel from the author of *The Greatest Zombie Movie Ever* and *Stranger Things Have Happened*. Rod's life doesn't suck. If you ask him, it's pretty awesome. He may not be popular, but he and his best friends play in a band that has a standing gig. Yeah, it's Monday night and they don't get paid, but they can turn the volume up as loud as they want. And Rod's girlfriend is hot, smart, and believes in their band—believes in Rod. Aside from a winning lottery ticket, what more could he ask for? Answer: A different cousin. When Rod's scheming, two-faced cousin Blake moves in for the semester, Rod tries to keep calm. Blake seems to have everyone else fooled with good manners and suave smile, except Rod knows better. Blake is taking over his room, taking over his band, taking over his life! But Rod's not about to give up without a fight. Game on. May the best prankster win...

Everyone desires success and is capable of achieving it. Having what you truly desire begins with adopting a winning attitude. By positively channeling your attitude and thoughts, using empowering language, and taking action, you'll be sufficiently equipped to successfully accomplish any goal. *Attitude Is Everything for Success* contains morsels of wisdom and easy-to-learn tools to help you along your journey. The key to your success is your attitude for it determines the quality of your life. For 40 consecutive days, start and end each day with one of the 40 key words for successful living and be amazed at the results. Or when you find yourself feeling rushed and needing to focus your thoughts, flip to a word and gain inspiration and encouragement as you repeat the affirmations, meditate on the quotes, reflect on the anecdotes, and act on the directives that accompany each word. *Attitude Is Everything for Success* is designed to reprogram your attitude, lift your spirits, and keep you on course.

In 1904, a relatively unknown Englishman named James Allen wrote a little book called *As a Man Thinketh*. The book has become one of the world's greatest self-help books — “self-empowerment” is a better term — for it not only reveals to us that the keys to success are within our own minds, it shows us how to use these keys to unlock the greatest fulfillment we can imagine. In this revised edition, author and publisher Marc Allen updates this classic, changing language that has become dated or obsolete, and honing the clarity of the message. He makes *As You Think* gender inclusive, showing how these principles are truly universal and apply to everyone, regardless of sex, age, race, beliefs, social class, or education. *As You Think* is a simple yet powerful reminder that “all we achieve and all that we fail to achieve is the direct result of our own thoughts.” We are the masters of our destinies.

Mega-successful motivational speaker profiled in the *Wall Street Journal*, Keith Harrell

shows how to put good attitude to work to get ahead in all aspects of life Keith Harrell has been taking the corporate lecture circuit—and the media—by storm, and is poised to take his place among the motivational greats of the world. At six feet six inches, 43-year-old Harrell has the charisma of Tony Robbins, the intellect of Stephen Covey and the looks of Stedman Graham. He regularly inspires Fortune 500 companies with a 100% satisfaction rate. His message is simple yet powerful: Attitude, whether positive or negative, has the power to impact on an organization's or individual's success. Harrell teaches readers techniques for maintaining a powerful positive attitude in order to get ahead in life.

Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," *The Willpower Instinct* is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, *The Willpower Instinct* explains exactly what willpower is, how it works, and why it matters. For example, readers will learn:

- Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep.
- Willpower is not an unlimited resource. Too much self-control can actually be bad for your health.
- Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower
- Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control.
- Giving up control is sometimes the only way to gain self-control.
- Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models.

In the groundbreaking tradition of *Getting Things Done*, *The Willpower Instinct* combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

Her name's Antonia "Toni" Bennette (yeah, she's heard all the jokes before) and she's not a rock star. Neither are the Lillys—not yet. But the difference between being famous and being almost famous can be a single wrong note...or the start of something that'll change your life forever. Growing up in dive bars up and down the East Coast, Toni Bennette's guitar was her only companion...until she met Sebastian Quick. Seb was a little older, a lot wiser, and before long he was Toni's way out, promising they'd escape their stifling small town together. Then Seb turned eighteen and split without looking back. Now, Toni's all grown up and making a name for herself in Philadelphia's indie scene. When a friend suggests she try out for a hot new up-and-coming band, Toni decides to take a chance. Strong, feminist, and fierce as fire, Toni B. and the Lillys are the perfect match...except Seb's now moonlighting as their manager. Whatever. Toni can handle it. No problem. Or it wouldn't be if Seb didn't still hold a piece of her heart...not to mention the key to her future.

Demonstrates how introverted people are misunderstood and undervalued in modern culture, charting the rise of extrovert ideology while sharing anecdotal examples of how to use introvert talents to adapt to various situations.

2013 Mom's Choice Awards® Winner *Hormones. Growth spurts. Mood swings. All combined with blood sugars..* The teen years with diabetes on board are a challenging time for parents and anyone who cares about a child with diabetes. *Raising Teens with Diabetes: A Survival Guide for Parents*, by well-known diabetes mom, author, and advocate Moira McCarthy, is a no-nonsense, honest approach at not just surviving but thriving in those years, from a mom who

has been there.. Raising Teens with Diabetes is a must-have resource for anyone navigating the waters of parenting a child with diabetes.

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

The book is divided into several sections covering Warren Buffett's personal business management: . Managing one's life - focuses on Buffett's insistence on a good education, picking one's heroes early in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . Managing One's Career - Buffett believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . Managing Employees - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . Managing the Business - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more money year after year and are the easiest to manage. . Managing of Personal Money - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

By learning and applying the 12 lessons in this book, you'll be energized ... you'll begin to see new possibilities ... you'll take action to develop your unique talents ... and you'll achieve extraordinary results.

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

On his way from Tangiers to China, the medieval Moorish traveller Ibn Battuta arrives in Konya, Turkey where the legendary dervish Rumi had lived, danced and died. More than half a century may have passed since his death, but his poetry remains alive, inscribed in every stone and tree and pathway. Rumi's followers entrust Ibn Battuta with a manuscript of his life stories to spread word of the mystic on his travels. As Battuta reads and recites these tales, his listeners discover their own lives reflected in these stories—fate has bound them, and perhaps you, to Rumi. *A Mirrored Life* reaffirms the magical powers of storytelling, making us find Rumi in each of our hearts.

New York Times bestselling author Tilly Bagshawe, continuing the enduring legacy of #1 bestselling suspense author Sidney Sheldon, is back with a new tale of glamour, suspense, and unexpected twists in Sidney Sheldon's *The Silent Widow*. A young American au pair, Charlotte Clancy, vanishes without a trace in Mexico City. The case is left cold, but its legacy will be devastating. A decade later, LA is shaken by a spate of violent murders. Psychologist Nikki Roberts is the common link between the victims, her patients at the heart of this treacherous web. When someone makes an attempt on Nikki's life, it's clear she is a marked

woman. Nikki makes a living out of reading people, drawing out their secrets, but the key to this shocking pattern eludes her. With the police at a dead end Nikki drafts in Derek Williams, a PI who isn't afraid to put his hand into the hornet's nest. Williams was thwarted in the notorious Charlotte Clancy case all those years ago, but what he unearths in LA—and the mention of one name in particular—leaves him cold, and takes him on a dangerous path into the past. A shadowy manipulator has brought his deadly game to the streets of LA. In a crime spanning generations, it seems Nikki Roberts knows all too much—and a ruthless killer knows the price of her silence. In this crooked city, where enemies and friends are one and the same, Nikki must be the master of her own escape... Have you ever thought about your existence? What is your purpose, and how can you find it? What is the ultimate goal of your life? Do you know what Siddhi is, and how to reach that ultimate state of bliss? This book, through its ten spokes of the wheel - Samriddhi, Sahitya, Sanskars, Sambhaav, Sadbhavna, Seva, Sakriya, Samarpan, Satarkta and Sadhna, leads us to its very core - Siddhi. These steps were described by all spiritual leaders of Sikhism, Jainism, Hinduism, Buddhism, Christian leaders like Baba Nanak, Mahavir, Arjun, Shiv, Krishna, Gautam Buddh, Jesus etc. These are also part of modern life gurus like Art of Living founder Sri Sri Ravishankar, Isha foundation head Sadguru Jaggi Vasudev, Osho founder Rajnish, Mindfulness and Vipassana founder Goenka. These steps are often described by Robin Sharma in his books 5AM Club and The Monk Who Sold his Ferrari and also by Sandeep Maheshwari and Dr. Deepak Chopra. These ideas have helped Jeff Bezos, Mark Zuckerberg, Bill Gates, Tony Robbins, Elon Musk, Joe Biden, Barak Obama, Narendra Modi, Amit Shah, Dr. Manmohan Singh, Sachin Tendulkar, Virat Kohli, Mahendra Dhoni and almost all famous personalities. These ideas are like the Secret. These were discussed in books like Ikigai, The Rudest Book ever also. These are tricks to joy, success, money, jobs, happiness, laughter, positivity, health and prosperity. This book shows you the path, the journey and its lessons are yours to take. Explains how one's disposition is a key factor in his or her leadership capabilities, identifying the factors that shape a person's attitude while offering advice on how to overcome common obstacles.

Saransh works at a life insurance company, as part of the Special Projects Group (SPG). Their current project is top-secret: the development of an Artificial Intelligence system that will leave 552 branch-level employees redundant overnight. Because of site-specific customizations, however, the system needs to collect information from the company's various branches. Thus, begins a cycle in which Saransh travels across the country, interviewing the very people that his machine will replace soon. Meanwhile, his conscientious ex-journalist girlfriend Jyoti repeatedly questions Saransh's complicity in the impending destruction of hundreds of lives. The Machine is Learning is a novel about twenty-first-century workplaces, love and the impact of technology in all of our lives. It interrogates a world order that accommodates guilt but offers no truly ethical course correction.

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read. Attitude Is Everything Change Your Attitude...and You Change Your Life! INTI Publishing & Resource Books

"The small town of Azalea Springs that has lived in seemingly charmed ignorance for generations finds itself floundering in a modern era of hate and revenge. Gary Tatum battles intolerance, racism, and ethnic superiority while Azalea Springs' least favorite son, Rusty Wicker, battles to keep the power that he has won through murder, intimidation, and the local drug trade. Russell Vaughn is the big-time, small town lawyer who secretly struggles with his desire for revenge. Michael and Grace Fleming are the newcomers who are thrust into a conspiracy that pits Old South ideals against the progress of the New South"--Page 4 of cover.

Thousands of Protestant churches are perplexed by plateaued or declining attendance, while other congregations nearby thrive. Is there a way for them to combine forces, drawing on both their strengths, in ways that also increase their missional impact? In Better Together, Expanded and Updated: Making Church Mergers Work, church merger consultant Jim Tomberlin and award-winning writer Warren Bird make the case that mergers today work best not with two struggling churches but with a vital, momentum-filled lead church partnering with a joining church. This much-needed resource describes the range of mergers for strong, stable, stuck, and struggling churches. No matter what type of merger a church may be considering, the authors address key questions about the process: How can a merger help a church go forward? How will a merger process unfold? Where can a declining church find another congregation to join? What are the pitfalls that both pastor and congregation should avoid? How can "better together" lead to more, rather than fewer, life-giving, high-impact, reproducing churches? They provide a complete, practical, hands-on guide for church leaders of both struggling and vibrant churches, so they can understand

the issues, develop strategies, and execute mergers for church expansion and renewal--ultimately, so they can reinvigorate declining churches and give them a "second life." No matter what your motivation for merging your church with another--to begin a new church life cycle, cross racial lines, reach more people for Christ, multiply your church's impact, or better serve your local community--Better Together will give you the tools you need to create a thriving new entity.

NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE
Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. *Everything Happens for a Reason* tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising
“A brilliant book that will make your heart and life sing.” -Mark Victor Hansen, cocreator of the #1 New York Times best-selling series *Chicken Soup for the Soul* “Simple, easy to understand, Hernacki spells out 'intention' so that everyone can get it.” -Cherie Carter-Scott, Ph. D., author of *If Life is a Game, These Are the Rules* The key to success, happiness, and financial security lies in the power of the human mind and the human will. Mike Hernacki asserts that you are

in charge of your own future, and he provides inspiring stories which prove that with the willingness and intention to succeed, you can achieve all your life goals. With a positive attitude and an open mind, anything is possible—a better job, a happy marriage, an education, a new home, good health, and fortune. The future is yours for the making, and with Hernacki's help, you can get absolutely everything you want and more.

As a motivational speaker and coach, one question that Jeff Keller often gets asked is 'What separates successful people from everyone else?' His answer is an overwhelming stress on the 'right attitude'. In fact, it always boils down to what Jeff popularly refers to as the 'winning attitude'. No matter where you are on your journey of self-development, a winning attitude will always be the differentiator as Jeff Shows in example after example, covering virtually all the important aspects of our life. This book presents fifty-four golden principles that can dramatically change your life. For more than thirty years, these principles have changed Jeff's life for the better - and they have done it for millions of others. Read it, enjoy it, apply the principles and you will create extraordinary results in your life. Sixteen leading experts reveal their secrets and strategies for achieving both success and happiness

This book is a compilation of 62 essays on principles for successful living, written by Jeff Keller (best-selling author of ATTITUDE IS EVERYTHING). The reader learns practical techniques for building a positive attitude and applying success principles. These essays have inspired people all over the world to develop their potential and lead a happier, more fulfilling life.

From the author of *Annihilation*, a brilliant speculative thriller of dark conspiracy, endangered species, and the possible end of all things. Security consultant “Jane Smith” receives an envelope with a key to a storage unit that holds a taxidermied hummingbird and clues leading her to a taxidermied salamander. Silvina, the dead woman who left the note, is a reputed ecoterrorist and the daughter of an Argentine industrialist. By taking the hummingbird from the storage unit, Jane sets in motion a series of events that quickly spin beyond her control. Soon, Jane and her family are in danger, with few allies to help her make sense of the true scope of the peril. Is the only way to safety to follow in Silvina’s footsteps? Is it too late to stop? As she desperately seeks answers about why Silvina contacted her, time is running out—for her and possibly for the world. *Hummingbird Salamander* is Jeff VanderMeer at his brilliant, cinematic best, wrapping profound questions about climate change, identity, and the world we live in into a tightly plotted thriller full of unexpected twists and elaborate conspiracy.
