A sweeping novel of intrigue and identity, of love and legacy, as a young woman discovers that her own fate is irrevocably tied—for better or worse—to literature's greatest star-crossed lovers. Twenty-five-year-old Julie Jacobs is heartbroken over the death of her beloved aunt Rose. But the shock goes even deeper when she learns that the woman who has been like a mother to her has left her entire estate to Julie's twin sister. The only thing Julie receives is a key—one carried by her mother on the day she herself died—to a safety-deposit box in Siena, Italy. This key sends Julie on a journey that will change her life forever—a journey into the troubled past of her ancestor Giulietta Tolomei. In 1340, still reeling from the slaughter of her parents, Giulietta was smuggled into Siena, where she met a young man named Romeo. Their ill-fated love turned medieval Siena upside-down and went on to inspire generations of poets and artists, the story reaching its pinnacle in Shakespeare's famous tragedy. But six centuries have a way of catching up to the present, and Julie gradually begins to discover that here, in this ancient city, the past and present are hard to tell apart. The deeper she delves into the history of Romeo and Giulietta, and the closer she gets to the treasure they allegedly left behind, the greater the danger surrounding

her—superstitions, ancient hostilities, and personal vendettas. As Julie crosses paths with the descendants of the families involved in the unforgettable blood feud, she begins to fear that the notorious curse—“A plague on both your houses!”—is still at work, and that she is destined to be its next target. Only someone like Romeo, it seems, could save her from this dreaded fate, but his story ended long ago. Or did it? Praise for Juliet “One of those rare novels that have it all . . . I was swept away”—Sara Gruen, author of *Water for Elephants* “Juliet leads us on a thrilling treasure hunt through present-day Italy that makes the classic tragedy itself spellbinding all over again.”—Elle “Boldly imagined, brilliantly plotted, beautifully described, Juliet will carry you spellbound until the gripping end.”—Susan Vreeland, author of *Clara and Mr. Tiffany* “The Shakespearean scholarship on display is both impressive and well-handled.”—The Washington Post

My name is Honor, but I have none to speak of. I'm a high-society princess on the verge of ending it all. I have nothing to show for my life, though my bank account would say otherwise. Money and status has controlled every ounce of my world and I want no part of it. It's what took away the most important person in my life. He's gone and I'm alone, and no one is here to save me. Pain is the only pleasure I can feel anymore. To find a healthier avenue to deal with my grief,

I turned to Lotus House Yoga for salvation—and found it in the tall, dark, and brutally attractive Nicholas Salerno. He’s everything I’m not. Lives every day to the fullest, loves his family, and goes after what he wants with a thrust that’s unmatched. I can’t help but be swept up in his beauty as he attempts to show me the light and reawaken my desires. Except Nick doesn’t know what I’ve hidden, and I’m afraid he’ll despise what he finds...when my sins are no longer silent.

Sweet and naïve in the ways of the world, Camille “Cami” Johnston has done whatever it takes to survive in New York City. Unbroken by her tumultuous past, she is pursuing a stable and secure future that doesn’t include worrying about where the rent money will come from. Little does she know, a full-time position at Jensen Construction will do more than pay the bills, it will bring her everything she ever dreamed of having, but didn’t believe she was worthy of. Known ladies’ man, Nathaniel “Nate” Walker, has never had a problem securing a date. As a widely successful lawyer and business owner, he knows exactly how to get what he wants, when he wants it, in and out of the courtroom... until he meets Camille Johnston. Nate’s overly confident, alpha male tendencies toward Cami have her thoughts and emotions in a jumble of uncertainty and lust. But once the sparks fly between the cheeky lawyer and his precious Camille, the resounding

flames are unstoppable. As the couple try to find their way toward a future they both yearn for, secrets from Camille's past and present start piling up into a vortex of half-truths and lies of omission. Now the instant connection that brought Nate and Cami together is held together by a tenuous thread.

At least that's what I thought when I arrived in Washington, DC, until I was met by old man ShIPLEY's debonair and insanely handsome son. The Senator from California, Aaron ShIPLEY. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. "Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks. Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I

had no choice but to make the decision I made. My ex, the man that ruined the concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. *** In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. *** In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts

out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in *Body* (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship.

Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. *MIND* is book 2 of a three-part trilogy. *Body* (Trinity Trilogy - Book 1) must be read prior to reading *MIND*.

Men ruin women. Especially men like Chase Davis. Good looking, intelligent, rich and powerful. I never stood a chance. I didn't want to want him. I didn't want to need him. I didn't want to fall for him. He wouldn't take no for an answer, and I let him consume me. Arrogant, confident, controlling, demanding ... intense. When he entered my life, I was finally healing after having barely survived the men of my past. My soul sisters told me to take a chance. To let someone in. I let him in, and he surrounded me with a light so bright I was blinded by the truth... Men don't ruin women. They devour them in every way that counts. Book 1 has a “Happy for Now” type ending.

Although she's pretending to be a gold-digger, Warren turns out to have a heart of gold. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind.

We are not all created equal. Seventeen-year-old Cody and her boyfriend, James, were two of the lucky ones randomly selected before birth to receive genetic engineering. Known as the Ones, this one percent of the population is healthy, beautiful, and talented...and to some that's not fair. Mounting fear and jealousy of the Ones' success leads to the creation of the Equality Movement, which quickly gains enough political traction to demote Cody, James, and others like them to second-class citizens. Cody knows even before the brick smashes through her window that it's going to be bad. As their school, the American government, and even family and friends turn against them, Cody begins to believe they have no other choice but to protect their own. She draws closer to a group of radical Ones led by the passionate and fevered Kai, and James begins to question just how far she is willing to go for the cause... Themes of justice, discrimination and terrorism mix with actual science to create a frightening version of our near future in Daniel Sweren-Becker's pulse-pounding thriller. An Imprint Book "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1

NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of

devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. *** In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.

I’m going to Chicago to pretend to be some Italian Stallion’s future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I’m not paid to know why. I’m paid \$100,000 to be his escort, or in this case, the woman he’s supposedly “going” to marry. The moment I met Antony “Tony” Fasano, I thought I might

have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

Danielle Steel celebrates families of every stripe in her compelling novel—a tale of three very different couples who struggle and survive, love, laugh, and learn to take life . . . Coco Barrington was born into a legendary Hollywood family. Her mother, Florence, is a mega-bestselling author. Her sister, Jane, is one of Hollywood's top producers and has lived with her partner, Liz, for ten years in a solid, loving relationship. Florence, widowed but still radiant, has just begun a secret romance with a man twenty-four years her junior. But Coco, a law-school dropout and the family black sheep, works as a dog walker, having fled life in the spotlight for an artsy Northern California beach town. When Coco reluctantly agrees to house-sit for Jane, she discovers an unexpected houseguest: Leslie Baxter, a dashing but down-to-earth British actor who's fleeing a psycho ex-girlfriend. Their worlds couldn't be more different. The attraction couldn't be more immediate. And as Coco contemplates a future with one of Hollywood's hottest stars, as her mother and sister settle into their lives, old wounds are healed and new families are formed—some traditional, some not so traditional, but all bonded by love. With wit and intelligence, Danielle Steel's novel explores love in all its guises, taking us into the lives of three unusual but wonderfully real couples. Funny, sexy, and wise, *One Day at a Time* is at once moving, thought-

provoking, and utterly impossible to put down.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.
