The Kenya Gazette is an official publication of the
government of the Republic of Kenya. It contains notices
of new legislation, notices required to be published by
law or policy as well as other announcements that are
published for general public information. It is published
every week, usually on Friday, with occasional releases
of special or supplementary editions within the week.

This book traces the post-war development of gas
turbine engines for use in passenger cars and
commercial vehicles in the UK, Germany, Italy and the
USA. It is based on interviews with leading engineering
figures of the day as well as reports by journalists. The
work also contains photographs of engines and vehicles
as well as diagrams of various gas turbine engines.
