**The Kingdom** Emmanuel Carrère,2017-03-07 A sweeping fictional account of the early Christians, whose unlikely beliefs conquered the world Gripped by the tale of a Messiah whose blood we drink and body we eat, the genre-defying author Emmanuel Carrère revisits the story of the early Church in his latest work. With an idiosyncratic and at times iconoclastic take on the charms and foibles of the Church fathers, Carrère ferries readers through his “doors” into the biblical narrative. Once inside, he follows the ragtag group of early Christians through the tumultuous days of the faith’s founding. Shouldering biblical scholarship like a camcorder, Carrère re-creates the climate of the New Testament with the acumen of a seasoned storyteller, intertwining his own account of reckoning with the central tenets of the faith with the lives of the first Christians. Carrère puts himself in the shoes of Saint Paul and above all Saint Luke, charting Luke’s encounter with the marginal Jewish sect that eventually became Christianity, and retracing his investigation of its founder, an obscure religious freak who died under notorious circumstances. Boldly blending scholarship with speculation, memoir with journalistic muckraking, Carrère

sets out on a headlong chase through the latter part of the Bible, drawing out protagonists who believed they were caught up in the most important events of their time. An expansive and clever meditation on belief, *The Kingdom* chronicles the advent of a religion, and the ongoing quest to find a place within it.

**Freddie Mercury: An Intimate Memoir by the Man who Knew Him Best** Peter Freestone, 2010-01-07 An intimate memoir of the flamboyant Queen singer by the man who knew him best. Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died. In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and Mercury's relationships with men, women and the other members of Queen. From the famous names - including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart - to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play their part in the tragi-comedy that was Freddie Mercury's life. Freestone lived with Mercury in Europe and America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died - not to mention innumerable international hotel rooms and apartments in between - Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went. "I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt," he writes. "I shopped for him both at supermarkets and art markets, I travelled the world with him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when needed and in the end, of course, I was one of his nurses." Freestone's bet-selling account of a talented and extravagant star's life and death is compelling, entertaining and ultimately, very touching. Illustrated with many photos from personal and Freestone's own archives. Press Reviews "An entertaining and thought provoking read" - PRS for Music Sales "This collection of Freddie's own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother" - reFRESH magazine, Leading Gay mag in the UK

**Futurist Women** Paola Sica, 2016-01-26 *Futurist Women* broadens current debates on Futurism and literary studies by demonstrating the expanding global impact of women Futurist artists and writers in the period succeeding the First World War. This study initially focuses on the local: the making of the self in the work by the women who were affiliated with the journal *L'Italia futurista* during World War I in Florence. But then it broadens its field of inquiry to the global. It compares the achievements of these women with those of key precursors and followers. It also conceives these women's work as an ongoing dialogue with contemporary political and scientific trends in Europe and North America, especially first wave feminism, eugenics, naturism and esotericism. Finally, it examines the vital importance and repercussions of these women's

ideas in current debates on gender and the posthuman condition. This ground-breaking study will prove invaluable for all scholars and upper-level students of modern European literature, Futurism, and gender studies.

**Heaven And Hell** Aldous Huxley,2014-01-01 Inspired by the poetry of William Blake, *Heaven and Hell* delves into the murky topic of human consciousness through a discussion of religious mystical perception, biochemistry and psychoactive drug experimentation. *Heaven and Hell* explains how science, art, religion, literature, and psychoactive drugs can expand the reader's everyday view of reality, offering a more profound grasp of the human experience. Like his earlier essay, *The Doors of Perception*, Aldous Huxley's *Heaven and Hell* exerted a tremendous influence on the counter-culture movement of the 1960s, inspiring the imaginations of an entire generation of artists and revolutionaries like Jim Morrison and Jackson Pollack. Here Paul Shepard uncovers the cultural roots of our ecological crisis and proposes ways to repair broken bonds with the earth, our past, and nature. Ultimately encouraging, he notes, There is a secret person undamaged in every individual. We have not lost, and cannot lose, the genuine impulse.

**Beatles Gear** Andy Babiuk,2001 Chronicles the Beatles' use of instruments from 1956 through 1970, including photographs and discussion about Paul's 1963 Hofner 500/1 violin bass, John's Rickenbacker 325 12-string, and George's Gibson Les Paul.

**Midnight in the Century** Victor Serge,2014-12-16 In 1933, Victor Serge was arrested by Stalin's police, interrogated, and held in solitary confinement for more than eighty days. Released, he spent two years in exile in remote Orenburg. These experiences were the inspiration for *Midnight in the Century*, Serge's searching novel about revolutionaries living in the shadow of Stalin's betrayal of the revolution. Among the exiles gathered in the town of Chenor, or Black-Waters, are the granite-faced Old Bolshevik Ryzhik, stoic yet gentle Varvara, and Rodion, a young, self-educated worker who is trying to make sense of the world and history. They struggle in the unlikely company of Russian Orthodox Old Believers who are also suffering for their faith. Against unbelievable odds, the young Rodion will escape captivity and find a new life in the wild.

Surviving the dark winter night of the soul, he rediscovers the only real, and most radical, form of resistance: hope.

*Pasolini Requiem* Barth David Schwartz, 1995 Riveting, obsessive, impassioned, and scandalous, here is a major biography of one of the great Renaissance men of the 20th century. Pier Paolo Pasolini was uncompromising, homosexual, anti-Fascist, anti-Communist, anti-clerical, even as he yielded to his callings as world-renowned novelist (*A Violent Life*, *The Ragazzi*), poet, polemicist, and filmmaker. Photographs. Advertising.

Voicing the Word Marina Spunta, 2004 Drawing on the recent renewal of interest in the debate on orality and literacy this book investigates the varying perceptions and representations of orality in contemporary Italian fiction, providing a fresh perspective on this rich and fast-developing debate and on the study of the Italian literary language. The book brings together a number of complementary approaches to orality from the fields of linguistics, literary and media studies and offers a detailed analysis of a broad variety of authors and texts that appeared over the last three decades - ranging from internationally acclaimed writers such as Celati, Duranti and Tabucchi, through De Luca and Baricco, to the latest generation of writers, such as Campo, Ballestra and Nove. By exploring the complementary facets of Italian orality, and its diachronical developments since the seventies, this study questions the traditionally dichotomic approach to the study of orality and literacy and posits a more flexible, cross-modal approach that accounts for the increasing hybridisation of text forms and media and for the greater interaction between the spoken and the written as well as their representations.
