

Automatic Transmission Maintenance Guide

Covers theory, maintenance, diagnosis, and repair on all automatic transmissions and transaxles.

The model that truly launched BMW into the performance arena in the United States were the second generation of 3-series cars. Today, the E30 family of BMWs are both readily affordable, and are popular with enthusiasts wanting to personalize them.

Okay, so you're not a gearhead, but like most folks, you want to keep your car in peak condition. For more than eighty years, the Pep Boys—Manny, Moe, and Jack—have been “the three best friends your car ever had.” And now, with The Pep Boys Auto Guide to Car Care and Maintenance, any Tom, Dick, or Harriet can learn how to keep his or her car running smoothly and looking its best. The ideal car care guide for do-it-yourselfers, this is your one-stop source for everything from the basics to the hard stuff (so you'll know what to tackle yourself and when to call in the experts). Inside you'll discover • a simple anatomy of your car and a handy glossary of terms • accident prevention measures and how to handle emergencies on the road, from jump-starting your engine to changing a flat tire • key seasonal and monthly maintenance tasks—including checking oil levels and battery life, tire rotation, and monitoring tread wear • tips for improving fuel mileage • how to diagnose major and minor problems—and how to fix them Straightforward and easy to use, The Pep Boys Auto Guide to Car Care and Maintenance will give you the knowledge and confidence you need to keep your car in top condition.

A comprehensive introduction to automotive repair for novices presents a helpful self-diagnosis guide organized for quick troubleshooting, along with more than three hundred illustrations, warranty information, step-by-step instructions on how to conduct routine maintenance, and an overview of each automotive system and how it works. Original. 20,000 first printing.

Explains how the automatic transmission works and provides instructions and technical information on how to repair it

Mr Car Man aims to provide simple and easy ways to understand information applicable to all car owners who wish to save money, prevent problems arising, and keep their car(s) on the road. Pride and satisfaction in performing basic tasks on your car will allow you to improve your self-confidence. I love cars, and I wish others could enjoy the same passion! A little car know-how' will save you a lot of money!

Mr Car Man is the first aid', not the brain surgery; begin with the basics and move through the grades, up to performing regular tune-ups and servicing. A car purchase is often the second most pricey purchase, behind our beloved house, and yet most owners are too scared to perform the most basic tasks on their own car. Do you want to know tips, secrets, and handy hints to achieve the best deals for yourself?
