Awakening Shakti The Transformative Power Of Goddesses Yoga Sally Kempton

Adapted from ancient Sanskrit texts, the stories in Beauty, Power & Grace represent one of the most fundamental aspects of Hinduism — the innumerable manifestations of divinity. Among these, the portrayal of the Goddess is perhaps the most alluring. She appears as a devoted wife, a master of the arts, a terrifying demon slayer, a scornful critic, and a doting mother, to name a few of her forms. In Vedic tradition, these depictions of the Goddess reflect the belief that male and female are simply different expressions of one supreme, absolute truth. These profound stories are brought together in an exquisitely illustrated collection that reveals the various manifestations of the Goddess, ranging from the iconic to the obscure: Mother Yashoda peers into her infant’s mouth and is astonished to catch a glimpse of the entire universe; Ganga Devi, now synonymous with the sacred river, rides upon a great crocodile and purifies those whom she encounters; and Kali, adorned with a garland of skulls, drinks the blood of her victims on the battlefield. A definitive celebration of Goddess imagery, symbolism, and lore, Beauty, Power & Grace displays the fascinating intersection between color, form, and meaning at the heart of Hindu tradition.

Feminine Empowerment Path of the Goddess: At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Many conceptions of the Goddess are mysterious and seemingly paradoxical. Yet at its source, the Divine Feminine is one. I Am (With) Her takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine. Inside this book you will learn: • How the Goddess path offers an empowering message and inspiration • The importance of re-establishing a healthy balance and integration of both the "masculine" and the "feminine" archetypes • That the notion of God as archetypal "Sky-Father" is fairly recent in Western culture • Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries • How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others • How Goddesses can serve as empowering guides in your personal and professional life • Why especially black Goddesses/dark-skinned Mothers (e.g., Kali or Black Madonna) are a powerful symbol and catalyst for change in our times, both individually and collectively • And much, much more!

Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how
each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb. Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb’s sacred magic of creation and manifestation. Looks at the power of the moon and its connection to sacred Womb Consciousness. Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia. Includes access to three guided Womb Awakening audio journeys. The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

In today’s disconnected, distracted world, it seems like deep love gets harder to maintain every day. We spend more time looking at screens than at each other, cycle through new partners every time the spark starts to fade, and wall away our feelings until we become strangers who share a house and kids. But underneath all this, our souls long for an unbreakable love which deepens over time and lovemaking that gets hotter, not cooler, inside a lifetime commitment. This bond we yearn for is not impossible. It's not even improbable. You can create it in your life right now. \(\text{intimacy}\)
that opens both you and your partner to a divine awakening you could not create on
your own, lovemaking that curls your toes, and a partnership where both people
champion each other's best interests, where even the difficult moments bring you closer
together. This is sacred relationship, and it exists in these pages. This book is an
owner's manual for intimacy, a map for loving at the deepest level, and an invitation into
sacred practice where divine connection becomes part of everyday life.

You may have seen the movies and read the books about manifestation, but your
power to create your dreams still seems to be missing the mark. Don't throw in the
towel yet—there's a radically new approach that may reveal the missing piece of the
puzzle. With Creating on Purpose, innovative teachers Anodea Judith and Lion
Goodman present a comprehensive, systematic method for realizing your highest
aspirations. Shared with thousands in their popular nationwide workshops, this unique,

and how to connect the two to make your dreams come true. Manifestation is the
process of bringing the spiritual and material together to create a better life for yourself,
your family, and your community, explain Anodea and Lion. At the heart of this work are
the energy centers known as the chakras, which offer us a profound formula for
wholeness, a template for transformation, and a sacred map for manifestation. Learn
how to make use of the top-down flow of energy between chakras—an ancient key to
effective change, and a way of aligning our desires with our highest good, as you

participate in this important work through Creating on Purpose.

The Transformative Power of The Goddesses of Yoga

How do you live a life of spiritual
awakening as well as outer abundance, inner freedom as well as deep intimacy? How
do you serve the world selflessly, yet passionately celebrate your life? The sages of
Tantra have known for centuries that when you follow the path of Shakti — the sacred
feminine principle personified by the goddesses of yoga — these gifts can manifest
spontaneously. Yet most of us, women as well as men, have yet to experience the full
potential of our inner feminine energies. In Awakening Shakti, you will learn how to
recognize and invite:
- Kali, bringer of strength, fierce love, and untamed freedom
- Lakshmi, who confers prosperity and beauty
- Saraswati, for clarity of communication and intuition
- Radha, who carries the divine energy of spiritual longing
- Bhuvaneshvari, who creates the space for sacred transformation
- Parvati, to awaken creativity and the capacity to love

With a wealth of meditations, visualizations, mantras,
teachings, and beautifully told stories, Awakening Shakti provides a practical guide for activating the currents of the divine feminine in every aspect of your life. Sally Kempton has been studying and teaching the wisdom of yoga for 45 years. A highly regarded teacher of meditation and spiritual philosophy, she writes the popular Yoga Journal column "Wisdom." Sally teaches retreats, teleclasses and workshops internationally. She resides in Carmel Valley, California. Illustrator Ekabhumi Charles Ellik is a poet, artist, husband, student, and teacher of Classical Tantric Hatha Yoga. A student of Nepalese master painter Dinesh Charan, he also studied painting in the lineage of Harish Johari.

One thousand years ago, in the valley of Kashmir, a great Tantric master named Kshemaraja wrote his masterpiece: the Pratyabhijnahrdayam, which means "The Essence of the Recognition Philosophy". This text was a concise primer, written to introduce spiritual seekers to the Recognition philosophy in less formally philosophical, more approachable language. What Kshemaraja created turned out to be one of the world's great spiritual masterpieces, breathtaking in its brevity but stunning in its power. It came to be considered equivalent to scripture itself by later generations, because of its undeniable inspiration. This book expounds the subtleties of this spiritual and philosophical classic. One of the most powerful and revelatory spiritual masterpieces of world history, the Pratyabhijnahrdayam is one of the primary sources for the study and practice of nondual Tantrik Yoga, and it has never been accurately translated or fully explained until now.

Revised and updated edition, includes new preface: "Author's Warning"In this courageous and radical book, Uma Dinsmore-Tuli explores the sexual politics of yoga from a perspective that sees women's spiritual transformation as the most revolutionary force. Packed with fascinating real life stories and vibrant testimony, as well as history and philosophy and practical guidance, Yoni Shakti is about freedom and power, encompassing yoga, sex, health and spirituality. Always refreshing, irreverent and inspiring, Yoni Shakti brings womb yoga, Goddess-focused tantra and vibrant feminism together in an astonishingly potent combination.

"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention--specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. Healing Mantras is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for -
Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and Healing Mantras now makes this sound medicine available to everyone.

As women seek to cultivate an understanding of their lives, a mythological model can provide a tool for self-discovery and realizing individual potential. The Circle of Nine presents nine archetypes that represent different, but equally important aspects of the feminine psyche. They portray both the life of the individual and the story of woman as a whole—a circle of ever-changing patterns that is a source of wisdom and inspiration. Three mothers, three queens, and three ladies form the circle. The Great Mother nurtures her children with a love that embraces the cycle of life, the Queen of the Night transforms the raw energy of instinct into skill and vision, and the Lady of the Hearth brings warmth and creativity into the home. By recognizing these and the other six archetypes of the circle, women can hold up a mirror to their souls to gain new perspectives and unlock their potential. Drawing from history, her work with women’s groups, and contemporary observations, Cherry Gilchrist presents a mythology that explores the psychology of the modern woman. Her analysis, interpretations, and practical advice help to unravel the mystery of the divine feminine and provide a useful guide for daily life.

This study of various female deities of Graeco-Roman antiquity is the first to provide evidence that primary goddesses were conceived of as virgin mothers in the earliest layers of their cults. By taking feminist analysis of divinities further, this book provides a fresh angle on our understanding of these deities.

SHAKTI MANTRAS Tapping into the Great Goddess Energy Within • Enhance your spiritual gifts • Lighten your karmic burden • Improve your health and increase prosperity • Live in harmony with the universe Now, with Shakti Mantras, we can all benefit from this ancient practice. Thomas Ashley-Farrand, a Vedic priest, is an American expert in the intricacies of Sanskrit mantra. With nearly thirty years and thousands of hours of experience in chanting, he is supremely well-equipped to write the first book that teaches women (and men as well) to tap into the dynamic feminine energy of love in all its manifestations. By sharing enchanting Hindu myths and astonishing true stories from his own practice, Ashley-Farrand helps us to understand the real power that this age-old art awakens in those who perform it. Through dozens of actual mantras—each one presented with phonetic spelling for easy pronunciation and recommendations for specific applications—he enables us to increase our “shakti” (power) and use it to solve problems, ensure abundance, create health and well-being, summon protection, and invoke personal and universal peace. Whether you’re new to chanting or an old hand, Shakti Mantras will take you places you’ve never been before . . . and measurably enrich your life.

Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism,
emphasizing the cultivation of "divine power" (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

Discover your ability to be brave in times of adversity with Courage: The Joy of Living Dangerously—from one of the greatest spiritual teachers of the twentieth century. Courage is not the absence of fear, says Osho. It is, rather, the total presence of fear, with the courage to face it. This book provides a bird's-eye view of the whole terrain—where fears originate, how to understand them, and how to call on your inner strength to confront them. In the process, Osho proposes that whenever we are faced with uncertainty and change in our lives, it is actually a cause for celebration. Instead of trying to hang on to the familiar and the known, we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us. Having courage is more than just heroic acts in exceptional circumstances. It's a necessity to lead authentic and fulfilling lives on a day-to-day basis. This is the courage to change when change is needed, the courage to stand up for our own truth, even against the opinions of others, and the courage to embrace the unknown in spite of our fears—in our relationships, in our careers, or in the ongoing journey of understanding who we are and why we are here. Courage also features meditation techniques specifically designed by Osho to help people cope with their fears. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

This culmination of award-winning author Andrew Harvey’s life’s work bridges the great divide between spiritual resignation and engaged spiritual activism. A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom, it is a wake-up call to put love and compassion to urgent, focused action. According to Harvey, we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration, a return to the heart-centered way of the Divine Feminine, the words of the mystics throughout the ages, and the cultivation of the nonviolent philosophies of Gandhi, Nelson Mandela, Aung San Suu Kyi, and the Dalai Lama. Harvey’s concepts of radical passion and sacred activism fly in the face of restraint, of pessimism, of denial, of all that is inhumane, fusing the mystic’s passion for God with the activist’s passion for justice and for healing the division between heaven and earth, heart and will, body and soul, prayer and action. Sacred activism asks that we engage deeply on a personal, spiritual, and political level so as to become a fully empowered, fully active, and contemplative humanity that can turn tragedy into grace, and desolation into the opportunity to build and co-create a new world. Unlike many spiritual books, Radical Passion does not veil the dark with artificial hope. It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible—right now and in the future. From the Trade Paperback edition.

Transformational wisdom designed for both women and men to access and enhance the inner power of the Divine • Reveals how to activate your sacred sexual self and find your soul
mission • Shows how to access the wisdom of the Galactic Center • Explains why men need
the Shakti Circuit to connect with the Divine Masculine Shakti is the Divine life force that
caselessly manifests, creates, and activates. Igniting this living power within is the key for
both men and women to transform themselves and attain union, harmony, and peace. The fluid
intelligence of Shakti enflames, empowers, and awakens, igniting life force, joy, and organic
wisdom within. Uniting the forms of Tantra Yoga found in Indian, Tibetan, and Aramaic sacred
traditions, Padma Aon Prakasha reveals how to activate the power of Shakti by opening the 18
energetic pathways of the Shakti Circuit. The Circuit begins with galactic energy entering the
body at the Alta Major chakra, located at the back of the head. Traveling down the pillar of the
spine through the root chakra, the Circuit passes through the Seven Gates of the Womb-Grail
to link the sacred sexual center and the heart center. From the heart, the energy completes the
Circuit by traveling to the third eye and back to the Alta Major starting point to reveal the All-
seeing eye. Centered on the womb in women and the hara in men, the Shakti Circuit links the
soul, body-mind, emotions, and chakras to the power and loving wisdom of the Galactic
Center. The Power of Shakti includes the insights and experiences of both men and women as
they activate the power of Shakti and shows that clearing all 18 pathways of the Shakti Circuit
enables us to activate our sacred sexual self and find our soul mission.

A beautiful colour, illustrated book of authentic Yoga Meditation techniques that encourage the
practice of Yoga in its broadest sense – as a vehicle for calming the mind, enhancing
awareness and contentment, and developing deep inner peace. Drawing mainly on the
tradition of Kriya Yoga – the goal of which is to attune individual consciousness with the Divine,
or Universal, Consciousness – yoga and meditation teacher Stephen Sturgess reveals in this
book how to progress beyond the supple body to the vital, contented mind. After first explaining
the deep value of Yoga Meditation, outlining the Eight Limbs of Yoga (as presented by ancient
sage Patanjali in his Yoga Sutras text) and giving clear, comprehensive explanations of our
internal energy system (including kundalini, chakras, nadis, the three bodies and the five
sheaths), Stephen then goes on to present a wide range of yoga practices that can be used as
a regular holistic health programme. If we were to view the body as a temple, the combination
of asana, purification and pranayama practices first cleans the temple windows – building the
physical body and mind – while the meditations then shine light into the inner sanctum –
lighting up the Inner Self and enabling a deep sense of spirituality and peace. A section at the
end is then devoted to helping readers develop their personal practice, including advice on
living with increased awareness, how to make yoga meditation a daily reality and a range of
specially designed morning and evening routines, from a 15-minute programme up to 1 hour
45. In summary, readers are guided on a practical and nurturing journey towards a sense of
enhanced calm, joy, happiness, harmony and personal fulfilment in life, where they will
experience their fullest potential for both creative thought and action.

Unlocking the Source for True Leadership Too many people, men and women alike, have
bought into a notion of leadership that exclusively emphasizes traditionally “masculine”
qualities: hierarchical, militaristic, win-at-all-costs. The result has been corruption,
environmental degradation, social breakdown, stress, depression, and a host of other serious
problems. Nilima Bhat and Raj Sisodia show us a more balanced way, an archetype of
leadership that is generative, cooperative, creative, inclusive, and empathetic. While these are
traditionally regarded as “feminine” qualities, we all have them. In the Indian yogic tradition
they’re symbolized by Shakti, the source that powers all life. Through exercises and
inspirational examples, Bhat and Sisodia show how to access this infinite energy and lead with
your whole self. Male or female, leaders who understand and practice Shakti Leadership act
from a consciousness of life-giving caring, creativity, and sustainability to achieve self-mastery
internally and be of selfless service to the world.

In 1982, at the age of 26, ‘ordinary wife and mother’ Laura Kamm recovered from a painful and
terrifying near-death experience with an amazing new ability - she could tell just from looking at someone if they were suffering from a medical or spiritual malaise. The arrival of this incredible gift changed her life, and she went on to study with shamans and healers from around the world. In her amazing book, she clearly explains the philosophies that guide her work, and reveals how identifying the emotional 'messages' trapped in our bodies can liberate us from conditions such as depression and overweight. She offers practical exercises that help readers learn about their own unique energy systems, develop confidence in their intuition, and resolve their emotional and physical pain. Filled with inspiring stories and written with the down-to-earth warmth of a trusted friend, Kamm's profound insight teaches us how we can heal ourselves of ailments both physical and emotional through working with our innate 'forgotten' power.

The sages of Tantra taught that when we follow the path of Shakti, the sacred feminine principle personified by the goddesses of yoga, we awaken the full potential of our own inner energies. Kali, teaches Sally Kempton, may be both the most powerful—and misunderstood—goddess of all. Kali—her name means “Black One”—is the original Dark Goddess, whose hidden gift is ecstasy. She brings both fierceness and love, destruction and rebirth—and untamed courage and freedom for those willing to fully comprehend and embrace her many gifts. In this e-book, readers are invited to explore teachings, stories, meditations, prayers, poems, mantras, invocations, and rituals to align with this cosmic force of radical transformation.

The universal force known as Kundalini has been shrouded in mystery for centuries, yet it influences our every breath, thought, and emotion. With Awakening Kundalini, one of the West's most respected teachers and researchers in the field explores this spiritual principle in unprecedented depth, with detailed guidance for discovering and working with it directly. In India's spiritual teachings, Kundalini is known as the principle within that compels us to evolve and grow. Traditions across the globe have described it as a force that lies dormant within us and, when awakened, connects us to the energy of creation and profoundly elevates consciousness. With his unique expertise in modern psychology, neuroscience, meditation training, and spiritual traditions, Lawrence Edwards clarifies for readers the many dimensions of Kundalini awakening, including practices and meditations for recognizing its manifestations and preparing the body and mind to enter its expansive, empowering flow. When experienced skillfully, Kundalini can be the most profoundly transformative experience of our lives.

‘Shakti’ or "power, ability, strength, might, effort, energy, capability" is the divine energy which flows through the entire Universe. Shakti is also a personification of the divine feminine power
residing in all of us. The Shakti Awakening is a story saga of 24 ordinary women who rose up and showed courage in everyday life redefining feminism. Women, like you and me waking up to their true Shakti and showing what women empowerment is actually about. Each story is a tale of courage to inspire and start a movement across. Winner of the 2017 Nautilus Gold Book Award! The wisdom of the Mahavidyas, the ten wisdom goddesses who represent the interconnected darkness and light within all of us, has been steeped in esoteric and mystical descriptions that made them seem irrelevant to ordinary life. But with this book, written by a respected cardiologist who found herself on a spiritual search for the highest truth, you’re invited to explore this ancient knowledge and learn how it can be applied to daily struggles and triumphs—and how it can help you find unreserved self-love and acceptance. The pursuit of contentment is an innate part of the human experience, arising from a fundamental sense of lack or inadequacy—all the things we believe to be wrong with us when we compare or judge ourselves. In our search for peace and happiness, we may find ourselves fighting the shadows within us, trying to repress or disown certain qualities, especially our anger, violence, discomfort, craving, and disappointment. But in order to stop this fight, we must expand our understanding beyond the dualities of good versus bad, right versus wrong, and beautiful versus ugly, and accept the parts of ourselves we’ve tried to deny. Pulling from Eastern traditions including tantra and yoga, and focusing on the feminine principle of divine energy also known as Shakti, this book bridges the divide between dualistic concepts and non-dual philosophy. By exploring the symbolism of the Mahavidyas (Kali, Tara, Tripurasundari, Bhuvaneshwari, Tripura Bhairavi, Chinnamasta, Dhumavati, Baglamukhi, Matangi, and Kamalatmika)—each with a veiled face representing a destructive quality that perpetuates ignorance and suffering, and a true face representing the wisdom that stimulates profound transformation and liberation—you’ll learn to embrace and incorporate every aspect of who you are. With practices, self-inquiry prompts, and stories from the author’s own spiritual seeking, this exploration of the divine feminine will gently reveal the source of your fear, pain, and suffering, showing you that when you allow those parts of yourself to arise and simply be, you can finally begin to heal, overcome your limitations, and open to the light and beauty of your true nature.

What is one to make of a group of goddesses that includes a goddess who cuts her own head off, a goddess who sits on a corpse while pulling the tongue of a demon, or a goddess who prefers sex with corpses? Tantra visions of the Divine Feminine deals with

When one person dares to speak her truth, it challenges us all to live our own. With Red Hot and Holy, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability—vividly mixed with red wine, rock songs, tattoos, and erotic encounters—Sera candidly chronicles the highs and lows of her mystical journey. From the innocence of her childhood crush on God; through a whirlwind of torrid liaisons and bitter break-ups with Christianity, Buddhism, Sufism, Hinduism, and the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak’s luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book The Red Book a breakout success. With Red Hot and Holy she offers a far more personal book—an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love. Excerpt As a child, I was madly in love with God. Gaga for God. In grade school, I used to write “I (heart) God” at the top of all my homework assignments and in the margins of the notes I passed to my girlfriends about which boys we thought were cute. Next to The Little Princess, a children’s bible was kept on my bedside table for nightly reading. Miracles? Prophetic dreams? Angels? Healing the sick? Sign me up for those gigs! And every Thursday I believed J.C. dropped by my bedroom so I could ask him personal questions and tell him which sister was annoying me the most. I was magnetized to rosaries, prayers, and pyramids the way other kids were to doughnuts, MTV and the Cabbage Patch Kids, and every time I saw a religious figure (priest, nun, Buddhist monk, Hare Krishna) out in public, it would take an enormous amount of willpower not to stalk them. When Career Days at school would come around, my questionnaire would look a little something like this: Favorite subject? God Favorite hobby? God What do you want to be when you grow up? God (Okay, there was a brief time when I was six years old when the answer to that last question was “an albino.” I thought albinism would make me glow in the dark.) When I was a child, God was not a belief of a magical Santa Claus type. He was as real as my heart. I felt Him (inside me). I recognized Him (everywhere). I knew Him (personally). We hung out together, and I never wanted our rendezvous to stop. I only wanted us to draw closer. I assumed I was experiencing what many Catholics refer to as “the call” to be a priest, so I matter-of-factly informed my parish priests and Sunday school teachers of my future vocation. They laughed, patted my head, and told me I couldn’t have heard the call to be a priest because I had a vagina. Okay, they didn’t say that last part, but believe me, it was implied. They did tell me that only men were allowed to be priests because Jesus only had male disciples (to which Mary Magdalene juts out her left hip and slaps her round cheek with The Gospel of Mary Magdalene). But, of course, I could always be a nun.
