Chapter One -- Chapter Two -- Chapter Three -- Chapter Four -- Chapter Five -- Chapter Six -- Chapter Seven -- Chapter Eight -- Chapter Nine -- Chapter Ten -- Chapter Eleven -- Chapter Twelve

After a physical altercation with a troubled student, school officials remove jaded veteran English teacher Manny Quesada from his high school classroom. They assign him administrative duties in the “Rubber Room” of lore and legend in the superintendent’s office where lost souls known as ‘rogue teachers’ await judgment. Rather than wait passively to be exonerated for what he considers justifiable defense, Manny undertakes a quest to clear himself. He uncovers startling evidence that educational officials are falsifying statistics - and that the scandal reaches the highest levels of city politics. As the new realities of urban education erode his ideals, Manny wallow in self-pity. He spirals downward on alcohol, drugs, and his favorite student, Maggie, a bright, green-eyed beauty interested—unlike the others—in learning, whose infatuation temps him in his weakened state. But then blackmail and a murder investigation cast serious doubt on his return to the classroom, and Manny must decide if his ministry to problem students can survive his personal turmoil. Reminiscent of such notable works as *Blackboard Jungle*, *Up the Down Stair Case*, and *To Sir with Love*, *Confessions of a Rogue Teacher* paints a sobering portrait of the American classroom and artfully captures the realities of public education today.

This book contains the scientific contributions published within the Animals topical collection “Feeding Strategies to Improve Sustainability and Welfare in Animal Production”. Originally a Special Issue, it has turned into a permanent collection, with its first article being published in July 2019 and more than 30 published articles a year later: evidence of the great interest from the scientific community regarding the topics addressed. The articles, which are grouped by species (poultry, ruminants, pigs, etc.) and by topic, deal with a wide range of arguments that, first of all, highlight the extraordinary complexity and diversity that exists in the animal production sector, and then, the great influence that nutrition and feeding can have in terms of optimizing the use of environmental resources and improving the welfare of farmed animals. In addition, all this is closely connected with the urgent need to safeguard the resources of the planet on which we live.

From popular LGBTQ advice columnist and writer John Paul Brammer comes a hilarious, heartwarming memoir-in-essays chronicling his journey growing up as a queer, mixed-race kid in America’s heartland to becoming the “Chicano Carrie Bradshaw” of his generation. “A wise and charming book. [Brammer] is such a good writer, and so well rounded.”—David Sedaris “[Brammer] is both kind and piercingly funny, often in the same sentence....Personal and affecting....¡Hola Papi! is a master class of tone and tenderness, as Brammer balances self-compassion with humor.” —THE NEW YORK TIMES BOOK REVIEW (EDITORS’ CHOICE) “[¡Hola Papi! should be] required reading...[Brammer’s] writing is incredibly funny, kind, and gracious to his readers, and deeply vulnerable in a way that makes it feel as if he’s talking to only you.” —LOS ANGELES TIMES The first time someone called John Paul (JP) Brammer “Papi” was on the popular gay hookup app Grindr. At first, it was flattering; JP took this as white-guy speak for “hey, handsome.” Who doesn’t want to be called handsome? But then it happened again and again...and again, leaving JP wondering: Who the hell is Papi? What started as a racialized moniker given to him on a hookup app soon became the inspiration for his now wildly popular advice column “¡Hola Papi!,” launching his career as the Cheryl Strayed for young queer people everywhere—and some straight people too. JP had his doubts at first—what advice could he really offer while he himself stumbled through his early 20s? Sometimes the best advice to dole out comes from looking within, which is what JP has done in his column and book—and readers have flocked to him for honest, heartfelt wisdom, and of course, a few laughs. In ¡Hola Papi!, JP shares his story of growing up biracial and in the closet in America’s heartland, while attempting to answer some of life’s toughest questions: How do I let go of the past? How do I become the person I want to be? Is there such a thing as being too gay? Should I hook up with my grade school bully now that he’s out of the closet? Questions we’ve all asked ourselves, surely. ¡Hola Papi! is “a warm, witty compendium of hard-won life lessons,” (Harper’s Bazaar) for anyone—gay, straight, and everything in between—who has ever taken stock of their unique place in the world. “Readers are likely to become addicted to these stories; they’re that good...Brammer comes to know himself very well, and readers will be delighted to make his acquaintance, too,” (Booklist, starred review).

In a novel-in-verse that brims with grief and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. Great for summer reading or anytime!
