Named one of the world's great blues-rock guitarists by Rolling Stone, Mike Bloomfield (1943–1981) remains beloved by fans nearly forty years after his untimely death. Taking readers backstage, onstage, and into the recording studio with this legendary virtuoso, David Dann tells the riveting stories behind Bloomfield's work in the seminal Paul Butterfield Blues Band and the mesmerizing Electric Flag, as well as the Super Session album with Al Kooper and Stephen Stills, Bob Dylan's Highway 61 Revisited, and soundtrack work with Peter Fonda and Jack Nicholson. In vivid chapters drawn from meticulous research, including more than seventy interviews with the musician's friends, relatives, and band members, music historian David Dann brings to life Bloomfield's worlds, from his comfortable upbringing in a Jewish family on Chicago's North Shore to the gritty taverns and raucous nightclubs where this self-taught guitarist helped transform the sound of contemporary blues and rock music. With scenes that are as electrifying as Bloomfield's music, this is the story of a life lived at full volume.

The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend “No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the gospel of the blues.”—President Barack Obama “He is without a doubt the most important artist the blues has ever produced.”—Eric Clapton Riley “Blues Boy” King (1925-2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from exhausting toil in the fields. Inspired by a local minister's guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration, from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago's Cook County Jail, endure in legend to this day. His career roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Visé has interviewed almost every surviving member of B.B. King's inner circle—family, band members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby “Blue” Bland simply called “the man.”

Blues legend B.B. King spent his life sharing the music of his soul, which shone relentlessly through hardship and triumph alike. He never wavered from his vocation, even as he gathered up other musicians in his wake and melded them into the harmony of his animating passion. In this intimate portrait of King, author Diane Williams offers a brief account

of the monumental blues man's life before settling in for a series of interviews with his bandmates and beloved family members, offering readers an invaluable opportunity to feel like they know King too.

Every aspect of playing great blues guitar is covered, building from first principles such as blues rhythm, riffs, structure and fills, to more advanced techniques such as approach chords, shell chords and 'drop two' chord voicings.

36 early blues classics from his RPM recordings including: Boogie Woogie Woman * Every Day I Have the Blues * Everything I Do Is Wrong * Hard Working Woman * It's My Own Fault Darlin' * Please Hurry Home * Ruby Lee * She's a Mean Woman * Shut Your Mouth * A Whole Lot of Lovin' * Woke Up This Morning * and more.

B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution from country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.

Lonnie Johnson (1894–1970) was a virtuoso guitarist who influenced generations of musicians from Django Reinhardt to Eric Clapton to Bill Wyman and especially B. B. King. Born in New

Orleans, he began playing violin and guitar in his father's band at an early age. When most of his family was wiped out by the 1918 flu epidemic, he and his surviving brother moved to St. Louis, where he won a blues contest that included a recording contract. His career was launched. Johnson can be heard on many Duke Ellington and Louis Armstrong records, including the latter's famous "Savoy Blues" with the Hot Five. He is perhaps best known for his 12-string guitar solos and his ground-breaking recordings with the white guitarist Eddie Lang in the late 1920s. After World War II he began playing rhythm and blues and continued to record and tour until his death. This is the first full-length work on Johnson. Dean Alger answers many biographical mysteries, including how many members of Johnson's large family were left after the epidemic. It also places Johnson and his musical contemporaries in the context of American race relations and argues for the importance of music in the fight for civil rights. Finally, Alger analyzes Johnson's major recordings in terms of technique and style. Distribution of an accompanying music CD will be coordinated with the release of this book.

The 77 titles include: Blues at Midnight * Don't Get Around Much Anymore * Into the Night * Let the Good Times Roll * Lucille * Never Trust a Woman * Right Time, Wrong Place * The Thrill Is Gone * When Love Comes to Town.
