The Newbery Medal-winning book for young readers presents “a human portrait of a politician honorably confronting the most vexing issues of his era” (The New York Times Book Review). Abraham Lincoln stood out in a crowd as much for his wit and rollicking humor as for his height. This Newbery Medal-winning biography of our Civil War president is warm, appealing, and illustrated with dozens of carefully chosen photographs and prints. Russell Freedman begins with a lively account of Abraham Lincoln's boyhood, his career as a country lawyer, and his courtship and marriage to Mary Todd. Then the author focuses on Lincoln's presidency, skillfully explaining the many complex issues he grappled with as he led a deeply divided nation through the Civil War. The book's final chapter is a moving account of his tragic death at Ford's Theatre on April 14, 1865. The volume concludes with a sampling of Lincoln writings and a detailed list of Lincoln historical sites. "Few, if any, of the many books written for children about Lincoln can compare with Freedman's contribution...This is an outstanding example of what (juvenile) biography can be. Like Lincoln himself, it stands head and shoulders above its competition." —School Library Journal

**NEW YORK TIMES BEST SELLER** • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. “A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down.”—Serena Williams In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

Tells the story of this athlete's early life, All-Star basketball career, and winning of three medals in track and field at the 1932 Olympics.

A gold medal Olympian, Babe Didrikson was arguably the greatest athlete of the twentieth century, excelling at every sport she tried: running, jumping, javelin throwing, swimming, basketball, golf, and baseball, to name just a few. Following the U.S. Women's soccer team's victory in 1999, Babe was mentioned repeatedly as a sports icon for female athletes everywhere. Her achievements, though vast, were cut short at age forty-three when she died from cancer, but Babe set the bar for every female athlete in her wake and opened the world's eyes to what one empowered woman can achieve! The Babe's biography will inspire young adult readers--embracing the current surge of Girlpower--who resonate with her quest for the American Dream, her efforts to compete in a male world, her battle to overcome discrimination against female athletes, and her struggle with identity. The stuff of American legend" (Karen Abbott, New York Times–bestselling author). The Boys in the Boat meets A League of Their Own in this true story of a Depression-era championship women's team. Rhoden, *New York Times* bestselling author), the inspirational and largely unknown true story of the eighteen African American athletes who competed in the 1936 Berlin Olympic Games, defying the racism of both Nazi Germany and the Jim Crow South. Set against the turbulent backdrop of a segregated United States, sixteen Black men and two Black women are torn between boycotting the Olympic Games in Nazi Germany or participating. If they go, they would represent a country that considered them second-class citizens and would compete amid a strong undercurrent of Aryan superiority that considered them inferior. Yet, if they stayed, would they ever have a chance to prove them wrong on a global stage? Five athletes, full of discipline and heart, guide you through this harrowing and inspiring journey. There's a young and feisty Tidye Pickett from Chicago, whose lithe speed makes her the first African American woman to compete in the Olympic Games; a quiet Louise Stokes from Malden, Massachusetts, who breaks records across the Northeast with humble beginnings training on railroad tracks. We find Mack Robinson in Pasadena, California, setting an example for his younger brother, Jackie Robinson; and the unlikely competitor Archie Williams, a lanky book-smart teen in Oakland takes home a gold medal. This book is both beautiful and wrenching, and essential to understanding the rich history of African American athletes” (Kevin Merida, editor-in-chief of ESPN's *The Undefeated*).

John Montague was a boisterous enigma. In the 1930s, he was called "the world's greatest golfer" by famed sportswriter Grantland Rice. He could drive the ball 300 yards and more, or he could chip it across a room into a highball glass. He played golf with everyone from Howard Hughes and W. C. Fields to Babe Ruth and Bing Crosby. Yet strangely, he never entered a professional tournament or allowed himself to be photographed. Then, a Time magazine photographer snapped his picture with a telephoto lens and police quickly recognized Montague as a fugitive with a dark secret. From the glamour of 1930s Hollywood, to John Montague's extraordinary skill and triumphs on the golf course, to the shady world of Adirondack rumrunners and the most controversial, star-studded court trial of its day, The Mysterious Montague captures a man and an era with extraordinary color, verve, and energy.

A biography of Babe Didrikson, who broke records in golf, track and field, and other sports, at a time when there were few opportunities for female athletes.
