From the bestselling author of the Guardian Trilogy comes a new romantic suspense... On an ordinary day in early September, Kennedy Shaw leaves for school unaware that within a few minutes the world she knows will be gone - succumbed to an outbreak of epidemic proportions. After finding a safe haven inside the security of her enclosed high school, she learns that four others have survived, one being a bold, mysterious transfer student from Texas whose unruffled demeanor harbors more than a cool interest in her. As they struggle to survive the dead fighting their way inside, will Kennedy discover there is more to life than survival? And will she and the others find a way to live in

this terrifying new world?

Little ones will like what they see in these bold books that help them learn about the big world--and themselves. A 3-D cover features the softest velour for babies to feel, and a mirror lets them see their own smiling faces! Inside Jungle, babies will find crinkly pages to touch and hear and lots of engaging illustrations to see. They can go on safari deep in the jungle and see a monkey, zebra, lion, and more. Since newborns respond best to high contrast colors, each book features cute furry animals in black, white, and red. These color combinations will captivate your baby while encouraging visual development and physical activity--like wiggling, kicking, clapping, and waving.

Let's Visit the Farm! A Children's eBook with Pictures of Farm Animals and Baby Animals has been designed to be the first step in helping your child build their vocabulary. Included in each book is a number of high quality images of very cute farm animals and baby animals that your child will enjoy looking and reading about for months. In this book your child will be learning about which animals live on the farm and what job or role they have on the farm. My books use simple one or two sentence facts which is accompanied by a relevant picture of the animal. This makes the perfect first word book to share because young children will love reading along while being encouraged to start using their words to read along. This is an excellent and fun educational resource to start your child off with. No more having to buy complex and ugly picture books. Your child will also enjoy getting to use the family tablet for fun time which is also learning time. Let's Visit the Farm! is a fun and entertaining journey for a young child to find out interesting facts about the world's most common farm animals along with baby animals. The Let's visit series is particularly aimed at the 0-5 age group, but it can be used for any beginner readers who are interested in farm animals. This children's book contains high quality images of farm animals. It has been optimized to look great on all devices. With the number of great reviews I have been getting I feel that my "Let's Visit" book series is one of the best new children's book series of 2014 to hit the e-book market. Don't forget to check out the other books within the series.
