"McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F\*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of

success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

I married my stepbrother. No one is more surprised than me. All I wanted was a quiet summer before starting college to catch up on my books and maybe get a summer job. Then he dropped into my life. His name is Gavin Caldwell and he's rich, cocky, arrogant and hot. He's parading around our bridal suite shirtless and pantless. He has no shame and I have to pretend to be in love with him when I hate him. So why can't I stop thinking about him?

When he discovers his brother's ex-girlfriend Sophie and his nephew Noah are living in near poverty, tattooed biker Ruger steps in to help them and gets more than he bargained for when Sophie shows him just how much she wants him in her life--and in her bed. Original. 75,000 first printing.

From the first time Hawk saw her, he knew he wanted to do dirty things to her in his bed. Hawk, the muscled, tatted, badass Vice President of the Insurgents Motorcycle Club, sees women as bed warmers, nothing more. He never stays with the same woman, and although there are plenty of women who want to be his old lady, he wants none of that. He doesn't date. He doesn't let chicks ride on the back of his bike. He doesn't fall in love. And that suits him just fine until he

Cara Minelli doesn't want to go to the biker bar, but her friend talks her into it. Swearing off men since she caught her fianc cheating on her right before her wedding, she has buried herself in her career not wanting a man in her life. Until she sees him. He is sexy, rough, crude, and oh so very wrong for her. So why can't she stop thinking of all the nasty things he'll do to her if she relents and lets him in her bed? Then a vicious killer who has been strangling women in the area focuses on Cara. Police think bikers are involved. Can Cara set aside her trust issues and let Hawk into her life? Hawk sees it as his job to protect what is his...and Cara is very much his even if she doesn't know it yet. Cara keeps her heart guarded, but when danger comes calling, their lives collide. Hawk will stop at nothing to keep Cara safe and make her "Property of Hawk". The Insurgents MC series are standalone romance novels. Hawk's Property is Book One in the series. Sometimes it's hard to keep a low profile as an attractive woman in a casino. I was minding my own business, using my skill to win enough money at the blackjack tables to pay off my student debt, when I noticed someone else was minding my business, too. He was hot, he looked ultra-rich, and he had no reason to notice me. So why was he stalking me from table to table? I thought I might be in trouble for winning too much. I had no idea how sexy the trouble would turn out to be.

But it will require a dangerous journey to Scotland, where she will come face-to-face with danger . . . and a sinfully handsome rogue who may be the greatest threat of all. Any gentleman would lend his hand to a lady in distress, but handsome, rough-hewn Griffin Shaw is no gentleman, and Astrid is far from safe in his company. EXCERPT: "Austin," I whisper as he steps forward and uses the weight of his body to get me right where he wants me. I want to keep kissing forever, tasting sultry Southern boy and good manners and a filthy f\*\*\*\*\* mouth, but I think he has other plans. "If you don't want this," he whispers as he grazes my ear with his white, white teeth. "Then you better tell me now because once I get started, I ain't gonna be able to stop." How unfair, I think because really, there is no way that I can speak with scalding kisses being pressed to the side of my neck and my shoulder. Instead, another sound escapes my lips, bursting out into the air like a sigh of relief. Finally, I think. After all these years of reading about bad boys and alpha males and delicious men with ridiculous names, it's my turn. Mine. Mine. Sorry, Horse; Sorry, Kellan Kyle; Sorry, Ty McCabe; Sorry, Travis Maddox; Sorry, Gideon Cross. But I'm breaking up with all of you. "That's what I thought." Austin Sparks crushes me against the pool table with his hips, the roughness of his jeans rubbing against the smoothness of my thighs as he pushes up my skirt with his warm hands. "Get ready for this, beautiful." And then he's spinning me around, so suddenly that my mouth opens wide and my cheek (my unbruised one, thankfully) slams into the felt of the pool table. Reprint.
