Every man has the potential for a great body, insane sex, and an unreal life. (Seriously) Want to lose body fat? That's easy—you can drop 20 pounds in 6 weeks. Want bigger muscles? Done. A 50-pound increase to your bench press, coming right up. Want to be smarter? Not a problem—the strategies in this book have been proven to increase brain function. Want an awesome sex life? Yeah, there's a fix for that, too—increased libido and improved performance are just weeks away. You were born to achieve greatness, to be a man. But somewhere along the way you started to live an ordinary life. Fitness experts John Romaniello and Adam Bornstein developed a system that targets hormone optimization; their approach is specifically designed to transform you into the Alpha you were always meant to be. Strong. Confident. Powerful. Based on cutting-edge, scientifically validated methods known only to the fitness elite, *Man 2.0* provides a step-by-step road map to regaining your health, looking your best, supercharging your sex life—even reversing the aging process. The systems in this book have changed the lives of countless men who've worked with Romaniello and Bornstein. In this book, you will discover: Answers to all the questions you have about training and nutrition—and even ones you haven't thought of yet. An easy-to-understand plan designed to work with your body, not against it, to burn fat, and build dense, rock-hard muscle. A comprehensive nutrition program, fully customized for Alphas, complete with meal plans.

A hilarious and inspiring memoir about one young woman's journey to find a better path to both physical and mental health. At twenty-nine, Kelsey Miller had done it all: crash diets, healthy diets, and nutritionist-prescribed "eating plans," which are diets that you pay more money for. She'd been fighting her un-thin body since early childhood, and after a lifetime of failure, finally hit bottom. No diet could transform her body or her life. There was no shortcut to skinny salvation. She'd dug herself into this hole, and now it was time to climb out of it. With the help of an Intuitive Eating coach and fitness professionals, she learned how to eat based on her body's instincts and exercise sustainably, without obsessing over calories burned and thighs gapped. But, with each thrilling step toward a healthy future, she had to contend with the painful truths of her past. *BIG GIRL* chronicles Kelsey's journey into self-loathing and disordered eating—and out of it. This is a memoir for anyone who's dealt with a distorted body image, food issues, or a dysfunctional family. It's for the late-bloomers and the not-yet-bloomed. It's for everyone who's tried and failed and felt like a big, fat loser. So, basically, everyone.

Trained as a physicist to rely only on concrete, verifiable research, John Kiefer has spent over a decade trying to discover a way to shed those unwanted pounds. This small volume explains his discovery and presents the research to back it up. To insure success, Kiefer not only provides arguments, answers and explanations, but he searched through food databases to assemble extensive food lists, created balanced meal plans for every lifestyle and provides over 50 fabulous recipes accessible to chefs of

rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it.

A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

The CrossFit superstar and author of the bestselling *The Badass Body Diet* is back with a day-by-day guide designed to encourage habit change through fun, dynamic daily tasks challenging your mind, body, and spirit. Christmas Abbott knows the importance of a badass lifestyle; physically, mentally, and spiritually. The key is balance: using essential daily practices for the mind, body, and soul. *The Badass Life* is her month-long-program based on building positive daily habits, to help you achieve a higher quality of life and a heightened sense of self-worth. It takes 30 days to break a bad habit and 30 days to create a good one. Christmas provides a daily challenge for your mental, physical, and spiritual awareness to help you develop positive thinking and successful behavior and boost your brainpower. Each day is centered around a specific "action theme," such as "Eliminate Excuses," "Lean on Mentors," and "Feel Sexy, Be Sexy." Christmas shows you how to create a better blueprint for your daily habits to maximize their beneficial effects, and includes suggestions for healthy eating, fun puzzles, life questions, and brain teasers to get you thinking in new directions. Christmas also emphasizes the need for daily spiritual wellness, and gives you ideas for practicing intended acts of connection, such as helping a complete stranger unconditionally, setting specific intentions, and recording what

you appreciate about yourself. No matter your level of health wellbeing, The Badass Life will help you channel the power of the mind-body-spirit connection to become your best self in every way. Includes 32 pages of color photos.

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL's 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—who continues to play at an elite level into his forties—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

resilient, and ready to change the world.”—Steph Gaudreau

A state-of-the-art weight-lifting and nutritional blueprint for "skinny" guys who want to pack on muscle Let's face it, naturally skinny guys are at a distinct genetic disadvantage when it comes to building muscle mass. But with the proper advice, these "hardgainers" definitely can realize their fitness goals. In *Scrawny to Brawny*, the authors draw on their years of practical experience as private strength and nutrition coaches to provide hardgainers with:

- A progressive, state-of-the-art program that optimizes results with shorter, less frequent workouts that maximize compound exercises
- A unique, action-based perspective on nutrition that shows how to prepare quick muscle-building meals and snacks-and how to take advantage of several critical times in the day when muscle growth can be stimulated by food intake
- Vital information on how to identify and fix any weak links in their physiques that may be precursors to injury

Designed not only for frustrated adult hardgainers but also--with its strong anti-steroid message--a terrific book for the large teen market, *Scrawny to Brawny* fills a significant gap in the weight-lifting arsenal.

Don't hate on snacks! This is your one-stop guide to smart snacking. If you're wanting to lose weight and tone up, it's important to keep your metabolism firing by enjoying healthy, filling snacks between meals, without being derailed. *Snack Power* features 225 delicious recipes from Tiffany Hall's TIFFXO fitness program, including:

- the best pre- and post-workout snacks
- snacks to eat according to your different moods
- the best snacks for special occasions
- snacks to satisfy the whole family
- easy-to-follow tips and tricks for batch-cooking, prepping in advance and snacking on-the-go.

These snacks are designed to be compatible with a busy lifestyle and will complement your training program, helping you to look and feel better than ever before. No matter what your goal - to have more energy, build lean muscle, lose weight or just satiate your hunger - there's always a smart way to snack!

It's time to throw away the diet book and start living intuitively. In our increasingly busy world, how to be healthy has become more and more confusing and our relationship with food is ever-changing and often complex. We're bombarded with so many messages that it's causing a disconnect between us and what true health really is: a connection to our body's innate wisdom. In other words, our intuition. This six-week guide introduces the concept that by using our intuition, we can become experts on ourselves and, in turn, learn how to best navigate our own health and happiness. Each week is broken down into steps, giving you the tools and techniques to make the right food and health choices for you. Through celebrating food, encouraging kindness and embracing a positive body image, Holistic Nutritionist and Life Coach, Pandora Paloma takes you on a journey to reconnect with your body and transform your life.

Dr. Ian K. Smith's *Shred* is the answer to every dieter's biggest dilemmas: how to lose that last twenty pounds? How to push through that frustrating plateau? What to do when nothing else is working? Here, Smith has created a weight loss program that uses all he knows about strategic dieting in one plan--like putting all the best players on the field at once to create a can't lose combination. *Shred* combines a low GI diet, meal spacing, and meal replacements. Those who follow *Shred* will constantly be eating (every three and a half hours!), four meals or meal replacements (soups, smoothies, shakes) and 3 snacks a day, over a six week program. *Shred* also introduces Dr. Ian's concept of "Diet Confusion". Diet Confusion, like muscle confusion, tricks the body

weekly high-intensity program for increasing strength, revving metabolism, and building muscle for a total fitness experience. Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, "Soda is liquid Satan" and "You are a total moron if you think the Atkins Diet will make you thin," it's a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, there's solid guidance. *Skinny Bitch* espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling "clean and pure and energized."

Combines a simple exercise and diet program with the skills and know-how to transform your body for life.

A breakout training and fitness book by Hollywood trainer and former Navy SEAL, Duffy Gaver, featuring the tried and true workouts used by movie stars like Chris Pratt and Brad Pitt. Former Marine sniper and ex-navy Seal, Duffy Gaver is the unsung hero of Hollywood. As a master trainer to the stars, he has transformed the bodies of actors such as Chris Hemsworth, Chris Pratt, Scarlett Johanson, Brad Pitt and many others. He is a Hero-Maker. He gets the most out of his clients by making them rethink their lives. For Duffy, the fitness industry sells a myth: it's all about the latest and greatest fads. Back in 1965, Larry Scott won the first Mr. Olympia. There was no Nike. No thermogenic products. No supplement industry. How did he do it then? With his will, his discipline, his desire. The things that big businesses can't manufacture. The first four minute mile, the first iron man triathlon, and the first world's strongest man all took place before 99% of today's companies even existed. What does this prove? None of this stuff is necessary. Inside *Hero Maker*, Duffy Gaver shares the knowledge and motivational sit-downs that get his stars to take hold of their own bodies. None of these stars bought their way to their impressive physiques; they earned it with old fashioned work and dedication. He will tell you what you need to do to look super heroic, and he will show you how you too can do this if you put yourself to the task. Inside, you will also find some of his game-changing workouts to help get you there.

Are you ready for a total body transformation? In *The 21-Day Yoga Body*, renowned wellness warrior and lifestyle expert Sadie Nardini gives you a program to renovate your body, mind and spirit. This fast-acting program, based on Sadie's potent inspirations, real-world recipes and unique Core Strength Vinyasa yoga style will turbocharge your results: speed up your metabolism, build lean muscle, and burn fat, all while building nutritional savvy and emotional strength. Designed to fit into your busy life, each day of the three-week plan includes a series of daily lifestyle tips, new-generation yoga poses (illustrated with step-by-step photos), breathing and meditation exercises, and nutrition tips and recipes (vegans, vegetarians and meat-eaters alike, welcome!). There's even wine! Here's what results many people are getting in just 3 weeks:

- A fun, fresh yoga practice that's based in cutting edge anatomy for the maximum safety, strength, flexibility, and mind-centering benefits for the time you spend on the mat.
- More confidence, clarity of purpose, a renewed spirit and the ability to know yourself more deeply and act from your truth.
- Daily guidance about how to approach your personal, life and relationship challenges—and totally rock them.

One of the foremost researchers in human metabolism reveals surprising new science behind food and exercise. We burn 2,000 calories a day. And if we exercise and cut carbs, we'll lose more weight. Right? Wrong. In this paradigm-shifting book, Herman Pontzer reveals for the first time how human metabolism really works so that we can finally manage our weight and improve our health. Pontzer's groundbreaking studies with hunter-gatherer tribes show how exercise doesn't increase our metabolism. Instead, we burn calories within a very narrow range: nearly 3,000 calories per day, no matter our activity level. This was a brilliant evolutionary strategy to survive in times of famine. Now it seems to doom us to obesity. The good news is we can lose weight, but we need to cut calories. Refuting such weight-loss hype as paleo, keto, anti-gluten, anti-grain, and even vegan, Pontzer discusses how all diets succeed or fail: For shedding pounds, a calorie is a calorie. At the same time, we must exercise to keep our body systems and signals functioning optimally, even if it won't make us thinner. Hunter-gatherers like the Hadza move about five hours a day and remain remarkably healthy into old age. But elite athletes can push the body too far, burning calories faster than their bodies can take them in. It may be that the most spectacular athletic feats are the result not just of great training, but of an astonishingly efficient digestive system. Revealing, irreverent, and always entertaining, Pontzer has written a book that will change how you eat, move, and live.

CrossFit celebrity Christmas Abbott shows how to attain the body of your dreams with a targeted eating strategy and total-body workout plan that will whip glutes and hips—and every problem area—into top shape. As a formerly “skinny fat” woman, Christmas Abbott knows what real women need to get the butt and body of their dreams. In *The Badass Body Diet*, she dispels the myth of the health benefits of a “pear shape” body, teaches readers how to spot-reduce excess fat with targeted meal plans and recipes that zap cellulite, and galvanizes them with a quick and simple workout plan for a toned butt—the key to total body fitness. Your “glutes” (the technical term for booty) are the body’s largest and most powerful muscle group—and one of the most beautiful—but they can go dormant, flat, and flabby. Packed with essential information, and inspirational before-and-after photos of her clients, *The Badass Body Diet* shows how to whip that butt into shape and provides essential information on how to: Select essential “booty foods”—the right proteins, fats, and carbs Experience a total body workout with an easy-to-follow, powerful exercise program Improve posture and functional mobility and enhance overall health Target cellulite through diet, workout strategies, and other proven tips And much more. Unlike most “one approach fits all” diet and exercise books, *The Badass Body Diet* identifies the three types of dieters that Christmas has discovered working with hundreds of clients at her CrossFit gyms—Modifiers, Gainers, and Maintainers—and tailors her approach to each, providing specific goals for maximum results. Stop obsessing about a flat belly, Christmas advises. A Badass Body is a birthright, and it starts at the bottom—with a trim and tight tush.

In *The New Rules of Lifting for Women*, authors Lou Schuler, Cassandra Forsythe and Alwyn Cosgrove present a comprehensive strength, conditioning and nutrition plan destined to revolutionize the way women work out. All the latest studies prove that strength training, not aerobics, provides the key to losing fat and building a fit, strong body. This book refutes the misconception that women will “bulk up” if they lift heavy weights. Nonsense! It's tough enough for men to pack on muscle, and they have much more of the hormone necessary to build muscle: natural testosterone. Muscles need to be strengthened to achieve a lean, healthy look. Properly conditioned muscles increase metabolism and promote weight loss -- it's that simple. The program demands that women put down the “Barbie” weights, step away from the treadmill and begin a strength and conditioning regime for the natural athlete in every woman. *The New Rules of Lifting for Women* will change the way women see fitness, nutrition and their own bodies.

Whether you're just getting started or training for a challenging physical event, this book gives you all the tools you need to become leaner, fitter, and stronger: nutritionally, physically, psychologically, and emotionally. GO HARD OR GO HOME...

Heather Crosby, Yum Universe: "Eat Your Feelings is a joyful, judgement-free zone and an opportunity to answer your body's call in an informed and delicious way." Lindsey Smith, The Food Mood Girl, shows how you can transform your lifestyle by learning from your cravings and using mood-boosting ingredients every day Blending together Lindsey Smith's passion for health and wellness, food and humor, Eat Your Feelings is a humorous, lighthearted take on your typical diet book. Busy young professionals wrestle with long hours, an exhausting dating culture, and the stress of the modern world. As days whiz by, it's normal to gravitate toward food—a quick slice of pizza, a chocolate bar, or a bag of chips—that fulfills a craving of the moment or gives a quick energy boost. And this impulse makes sense. Food gives us a sense of pleasure and joy. It can provide us with satisfaction and comfort. Food can awaken each of our senses to something new each time we eat. It gives us energy, and quite literally sustains life as we know it. It should be emotional. If you are feeling sad, stressed, exhausted, hangry, or bored, it's comforting to eat dishes you love and crave. But Lindsey Smith shows how simple it is to make those same meals and snacks with mood-boosting ingredients that will physically nourish instead of processed foods. In Eat Your Feelings, Lindsey Smith, the Food Mood Girl, will look at ways to eat healthy food based on what people tend to crave the most during heightened emotional states, introducing recipes with crunchy, cheesy, creamy, sweet, and salty themes and drink alternatives for those who tend to chug soda or coffee when all worked up. It's crucial to listen to your cravings: they are the gatekeepers that unlock the secrets to our unique bodies. But a major element of the Food Mood lifestyle is love, and revolutionizing the way you treat your body and your cravings will not only rid yourself of hanger pains but will also teach you how to listen and respond to your body with healthy ingredients and recipes.
