SAQs, MCQs, EMQs and OSCEs for MRCOG Part 2, Second edition Justin Konje,2009-03-27 This book established itself in its first edition as the definitive 'one-stop-shop' revision aid; the only one available to encompass all elements of the MRCOG Part 2 examination in a single volume. Now incorporating practice EMQs as well as the standard question types, this second edition will ensure that it retains its place on the 'must-have' list for every candidate preparing for this exam. Concentrating on testing the candidate's theoretical and practical knowledge as recommended in the current MRCOG syllabus, the book tests the trainee with questions in obstetrics and gynaecology and those aspects of medicine, surgery and paediatrics relevant to the practice of both. The book is divided into four key parts, one for each style of question, each of which opens with an introductory section on how to approach the exam and, crucially, how to fail it. # Part 1 provides a series of short answer practice papers. Common mistakes are highlighted as well as a list of key points required to get full marks. A sample answer is given for each question # Part 2 contains a mock paper for the MCQ part of the exam, containing 225 questions with answers and helpful annotations # Part 3 introduces the EMQ, giving the reader 40 questions in the style of the examination, together with answers and explanatory notes # Part 4 is devoted to the OSCE, with descriptions of 20 sample stations assessing different aspects of clinical practice, advice on how to tackle these, and suggested marking schemes. Throughout, questions have been designed to test factual knowledge and understanding, problem-solving ability, and clinical and communication skills.

Bailey was certainly no ordinary cat—an orange tabby who gained fans around the world when his humanlike antics went

viral. Sadly, when 14-year-old Bailey died, his family grieved their loss. They'd never find a cat quite like him—or would they? Then along came Carrot, an orange tabby kitten born as a stray, who appeared just as Erin Merryn and her young girls Abby, Hannah, and baby Claire were mending their broken hearts. Written in the voice of Carrot, follow her remarkable journey from shelter cat to top Instagram celebrity feline. Much like Bailey did, she loves spending time with her human family: making mischief with her girl gang; going joyriding in a pint-sized pink Barbie Jeep; doing arts-and-crafts projects; modeling a pink tutu and flowery headband; enjoying a spa day complete with fluffy robe and cucumber eye treatments; celebrating Christmas, Easter, and every holiday in between. It's no wonder that Carrot's videos have gone viral—garnering millions of views on Ellen, the Dodo, Good Morning America, Access Hollywood, People, and many more. Watch Out for Her Samantha M. Bailey, 2022-04-26 A tense psychological thriller about a mother who must keep watch at all times if she wants to keep her family safe—from USA TODAY and #1 national bestselling author Samantha M. Bailey. Wherever you go... she'll be watching. Sarah Goldman, mother to six-year-old Jacob, is relieved to move across the country. She has a lot she wants to leave behind, especially Holly Monroe, the pretty twenty-two-year-old babysitter she and her husband, Daniel, hired to take care of their young son last summer. It started out as a perfect arrangement—Sarah had a childminder her son adored, and Holly found the mother figure she'd always wanted. But Sarah's never been one to trust very easily, so she kept a close eye on Holly, maybe too close at times. What she saw raised some questions, not only about who Holly really was but what she was hiding. The more Sarah watched, the more she learned—until one day, she saw something she couldn't unsee, something so shocking that all she could do was flee. Sarah has put it all behind her and is starting over in a different city with her husband and son. They've settled into a friendly suburb where the neighbors, a tight

clique of good citizens, are always on the lookout for danger. But when Sarah finds hidden cameras in her new home, she has to wonder: has her past caught up to her, and worse yet, who's watching her now? A spine-tingling, page-turning novel from USA TODAY and #1 national bestselling author Samantha M. Bailey, *Watch Out for Her* is psychological suspense at its very best—a chilling look at trust, voyeurism, and obsession in the modern age, and how far we will go to watch out for those we love.
