From the USA TODAY Bestselling series Vampire Girl, comes the next book in the saga: MIDNIGHT STAR I was an ordinary girl, living an ordinary life, until I sold my soul to save my mother. Now, I am forced to choose between my heart and my conscience. Either way, someone I love will die.

Dubbed "The lazy man's way to easy sex and romance with 20 or more women a month," How to Become an Alpha Male is the no-risk, never-fail blueprint on how to 'magnetically' attract an endless flow of horny, ready-for-sex women to you... without ever having to play their games or deal with rejection. Sold as an ebook at AlphaMaleMethod.com, John Alexander's guide is now available, for the first time ever, as a hardcopy book. You see, once you have these secrets all the 'work' of meeting women will be done for you... automatically! You can just 'flip on' your magnetic powers of attraction... so to speak... and instantly bring sex, romance and more roaring into your life! Why does the Alpha Male Method work so well? Because it's based on the same hush-hush psychological tactics advertisers have used for centuries to get filthy rich. They work for anyone, anywhere and at any time (no matter how desperate your situation is right now).

This is the story of a young man who set out to discover the meaning of adventure, only to be pulled down the rabbit hole into a dark underworld filled with danger, drama, and wild sex. Reckless, raunchy, and riveting, this book documents the origins of the Naughty Nomad, a man who would later be dubbed "The Indiana Jones of Pussy". A daring rescue in the Antarctic, a border jump to escape Sudan, incarceration in Siberia, attempted murder, love, friendship, betrayal, and so much more! Join him on his epic misadventures journeying to... Antarctica The Far East Indochina Europe and every country in Southeast Asia! A journey into the heart of darkness, this is NOT your typical backpacker story.

Lady helps women find love, long-term relationships, and marriage in a modern environment where most men seem to only want casual sex. It shares the habits, values, and behaviors of a woman who is most likely to settle down with her ideal man while providing useful tips to reduce the anxiety and stress that are the root causes of wasting time with bad men, alcohol, and consumerism. Lady is divided into three books: -Book You helps you understand the true side of your female nature and why the feminist movement is making it difficult to connect with a man. -Book Men explains what men really want and why most of your relationships seem to go nowhere. It shares advice on how to maximize your value, date successfully, and enter a monogamous relationship with a good man who wants to marry you, even if you're over 30. -Book Relationships describes how to maintain and care for your relationship in a way that encourages a man to marry you. Lady provides practical knowledge and advice for women to identify and attract a good man for a loving relationship without having to sleep around or be needlessly hurt. It will help a woman nurture her feminine side and experience love with a dedicated man who wants to protect and provide for her.

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Pickup guide for Estonia.

From the Author: Wouldn't you like to know: Why she text you so much before but now NOTHING?? Why your multiple texts are killing the attraction? Why she is playing so hard to get? If she actually is interested in you? How to have her text you back immediately? How to safely flirt with the amazing results? How to have her waiting for your text rather than the opposite?? What if... She were the one texting you all of the time? You could get her to respond, right now!? You could get that really hot girl to finally pay attention to you? You stopped feeling so much anxiety over that one girl because too many girls were paying attention to you?? I promise you this, if you read this book and apply it's principles, you will have so much more success with women. Imagine, all of the cash you are leaving on the table by not understanding how to get what you want! Imagine, all of those dates, with so many hot girls that you didn't go on simply because you couldn't text right! Seriously, texting incorrectly can crush your chances with women permanently. I can't tell you how many women have vented to me their frustrations at what you are doing. These women WANT you to understand, they WANT you to say the right things! But like breaking wind mid sex, it is incredibly easy to snuff attraction. Let me teach you to really understand the opposite sex, and land that date with that really hot/amazing girl. -Mike Masters

One man's search for poosy paradise led him to a grisly city in Eastern Romania that had a plentiful supply of beautiful girls. It's a place that no sane man would voluntarily live in had it not contained the best fruit of what the human female species can offer. After blanketing Romanian television and newspapers as the "famous American sex writer" and a "world Don Juan," the author was determined to leverage the temporary fame with his existing game to experience nonstop adventure with the world's most beautiful women. The result was not exactly what he expected. This is the true story of a man's two month adventure in Eastern Romania, a place he believed all his dreams would come true.

Building once more on the core works of *The Rational Male* by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to *The Rational Male*, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

A spirited, deeply researched exploration of why capitalism is bad for women and how, when done right, socialism leads to economic independence, better labor conditions, better work-life balance and, yes, even better sex. In a witty, irreverent op-ed piece that went viral, Kristen Ghodsee argued that women had better sex under socialism. The response was tremendous -- clearly she articulated something many women had sensed for years: the problem is with capitalism, not with us. Ghodsee, an acclaimed ethnographer and professor of Russian and East European Studies, spent years researching what happened to women in countries that transitioned from state socialism to capitalism. She argues here that unregulated capitalism disproportionately harms women, and that we should learn from the past. By rejecting the bad and salvaging the good, we can adapt some socialist ideas to the 21st century and improve our lives. She tackles all aspects of a woman's life - work, parenting, sex and relationships, citizenship, and leadership. In a chapter called "Women: Like Men, But Cheaper," she talks about women in the workplace, discussing everything from the wage gap to harassment and discrimination. In "What To Expect When You're Expecting Exploitation," she addresses motherhood and how "having it all" is impossible under capitalism. Women are standing up for themselves like never before, from the increase in the number of women running for office to the women's march to the long-overdue public outcry against sexual harassment. Interest in socialism is also on the rise - whether it's the popularity of Bernie Sanders or the skyrocketing membership numbers of the Democratic Socialists of America. It's become increasingly clear to women that capitalism isn't working for us, and Ghodsee is the informed, lively guide who can show us the way forward.

Stasiland tells true stories of people who heroically resisted the communist dictatorship of East Germany, and of people who worked for its secret police, the Stasi. Internationally hailed as a classic, it is 'fascinating, entertaining, hilarious, horrifying and very important' (Tom Hanks) and 'a heartbreaking, beautifully written book.' (Claire Tomalin). East Germany was one of the most intrusive surveillance states of all time. One in 7 people spied on their friends, family and colleagues. In 'the most humane and sensitive way' (J.M. Coetzee) Funder tells the true stories of four people who had the extraordinary courage to refuse to collaborate with the Stasi, and the price they paid. She meets Miriam Weber, who was imprisoned at 16 after scaling the Berlin Wall. She drinks with the legendary "Mik Jegger" of the Eastern Bloc who was 'disappeared'. And she finds former Stasi men who defend their regime long past its demise, and yearn for the second coming of Communism. Stasiland won the Samuel Johnson Prize for best non-fiction published in English in 2004. It was a finalist for the Guardian First Book Award, the W.H. Heinemann Award, the Index Freedom of Expression Awards, The Age Book of the Year Awards, the Queensland Premier's Literary Award and the Adelaide Festival Awards for Literature (Innovation in Writing). It is read in schools and universities in many countries, and has been adapted for CD and the stage by The National Theatre, London.

Short, sassy, and bold, Mean Genes uses a Darwinian lens to examine the issues that most deeply affect our lives: body image, money, addiction, violence, and the endless search for happiness, love, and fidelity. But Burnham and Phelan don't simply describe the connections between our genes and our behavior; they also outline steps that we can take to tame our primal instincts and so improve the quality of our lives. Why do we want (and do) so many things that are bad for us? We vow to lose those extra five pounds, put more money in the bank, and mend neglected relationships, but our attempts often end in failure. Mean Genes reveals that struggles for self-improvement are, in fact, battles against our own genes -- genes that helped our cavewoman and caveman ancestors flourish but that are selfish and out of place in the modern world. Why do we like junk food more than fruit? Why is the road to romance so rocky? Why is happiness so elusive? What drives us into debt? An investigation into the biological nature of temptation and the struggle for control, Mean Genes answers these and other fundamental questions about human nature while giving us an edge to lead more satisfying lives.

Game teaches men how to meet and attract women in an age where smartphones and feminism have made connecting with the opposite sex harder than ever before. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you achieve your relationship goals.

If you want to play the Game, you've got to know the Rules. In his international bestseller The Game, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, The Stylelife Challenge, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of The Game. The Style Diaries offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," The Style Diaries takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

Building on the core works of The Rational Male – Preventive Medicine presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life. Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. Preventive Medicine also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it. The Rational Male – Preventive Medicine seeks to help men who "wish they knew then what they know now." The book is the first in of series complements to The Rational Male, the twelve-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere".

Drawing from his vast experience with women, the world-renowned seducer Aaron Sleazy wrote Minimal Game for regular guys who want to get laid more often, and without having to rely too much on luck. This is a fairly modest goal, but it is a realistic one that is within reach for pretty much any man. The knowledge in this book will enable you to have a stable sex life, so that lack of sex will cease to be a source of frustration for you. However, by revealing the key aspects of seduction, Minimal Game provides such a strong foundation that you will greatly benefit from it even if you are already getting a lot of women. In this case, you will learn how to become much more efficient, which will get you more girls in less time, and girls you have more in common with.

Welcome to my second dating book and my third book overall. After the success of my first book "Alpha Male Strategies, Dating in the Social Media Age" which was centered around becoming more of a catch to attract the quality of women you wanted to attract and how to build an attachment, I decided to write this book which is centered around maintaining those attachments. What's the point in attracting and building an attachment with women if you don't know how to maintain those attachments. This book is more for men who like to build rotations, have long term non-monogamous relationships and maintain them, or men who like long term monogamous relationships whether that be marriage or just the regular committed relationship.

The Best Of Roosh: Volume 2 is a remastered compilation of Roosh's top 79 blog articles published between February 2013 and October 2018, from a total of 631 that were written. What happens when a pickup artist suddenly receives God's grace after teaching a lifestyle of fornication for over a decade to a worldwide audience? American Pilgrim is a memoir that shares the first-year journey of a man upon his decision to repent from a life of evil to serve Jesus Christ. He travels across the United States to deliver his testimony in person through a series of lectures while chronicling the temptations that attempt to bring him back to Satan, the spiritual labors that deepen his faith as a new Christian, and the lamentable state of America on the cusp of great upheaval.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Presented here is the Marxist explanation of fascism, one of the most horrible forms of capitalist rule. In the 1920s and 1930s, exiled Russian revolutionary leader Leon Trotsky analysed German fascism as it developed. Through these prescient writings he tried to alert the workers' movement to the mortal danger threatening and arm it for the struggle. For Trotsky, fascism was a response of the capitalist ruling class to a severe crisis of its system. Through fascism, capitalism attempts to create a mass movement of the desperate middle class to use as a weapon to smash all forms of working-class organisation. Thus fascism did not die with Adolf Hitler in his Berlin bunker, but is inherent in the capitalist system. If that system is once more threatened by economic crisis and working-class revolt, the bosses may again turn to the fascist option. The threat of fascism with all its horrors can only be ended by the working class organising to get rid of capitalism and establish a socialist society.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

From #1 New York Times bestselling author Lauren Blakely comes the next book in the sexy, emotional and deliciously addictive *No Regrets* trilogy... I swear I'm changing. I'm trying so damn hard to step into the wild unknown of my future. At least Trey is on the other side waiting for me, and he's the closest I've ever come to something real, something true, something like love instead of addiction. But when I learn what the man I love has been hiding from me, I fear our future will be riskier than I ever could have imagined. And I don't know how the hell I'll ever be ready for it. *The Thrill of It* is the second novel in the *No Regrets* Trilogy and should be enjoyed following *The Start of Us*. Trey and Harley's story concludes in *Every Second With You*
