Gitanjali (1912) is a collection of poems by Rabindranath Tagore. Translated into English by Tagore and published with a groundbreaking introduction by Irish poet W. B. Yeats, Gitanjali is the collection that earned Tagore the 1912 Nobel Prize in Literature. When Yeats discovered Tagore's work in translation, he felt an intense kinship with a man whose work was similarly grounded in spirituality and opposition to the British Empire. For the Irish poet, Tagore's poems were at once deeply personal and essentially universal, like a secret kept by all and shared regardless: "I have carried the manuscript of these translations about with me for days, reading it in railway trains, or on the top of omnibuses and in restaurants, and I have often had to close it lest some stranger would see how much it moved me." Whether or not we admit it, his words never fail to remind us: to be human is to be vulnerable. "Thou hast made me endless, such is thy pleasure. This frail vessel thou emptiest again and again, and fillest it ever with fresh life. This little flute of a reed thou hast carried over hills and dales, and hast breathed through it melodies eternally new." The essence of Gitanjali is humility. Written following the deaths of his wife and two children, the collection unites poetry and prayer in search of peace. Grounded in Hindu tradition, his poems remain recognizable to readers of all faiths and nations. His subjects are love and loss, life and death, belief and despair. Through them, he approaches truth. With a beautifully designed cover and professionally typeset manuscript, this edition of Rabindranath Tagore's Gitanjali is a classic of Indian literature reimagined for modern readers.

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful

and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.

Dhaka may be one of the most densely populated cities in the world - noisy, grid-locked, short on public amenities, and blighted with sprawling slums - but, as these stories show, it is also one of the most colourful and chaotically joyful places you could possibly call home. Slum kids and film stars, day-dreaming rich boys, gangsters and former freedom fighters all rub shoulders in these streets, often with Dhaka's famous rickshaws ferrying them to and fro across cultural, economic and ethnic divides. Just like Dhaka itself, these stories thrive on the rich interplay between folk culture and high art; they both cherish and lampoon the city's great tradition of political protest, and they pay tribute to a nation that was borne out of a love of language, one language in particular, Bangla (from which all these stories have been translated).

Ignored by her well-meaning husband, Charulata falls in love with a high-spirited young cousin in *The Broken Nest* (Nashtaneer, 1901). Sharmila, in *Two Sisters* (Dui Bon, 1933) witnesses her husband sink her fortunes and his passion into his business – and her sister. And the invalid Neeraja finds her life slowly ebbing away as a new love awakens for her beloved husband in *The Arbour* (Malancha, 1934). Romantic, subtle and nuanced, Rabindranath Tagore's novellas are about the undercurrents in relationships, the mysteries of love, the ties and bonds of marriage, and above all about the dreams and desires of women.

Religious wars, global terrorism, pandemics, and genocide have all helped to usher in the Anxiety Age. Who better to lead the way out than popular psychic Sylvia Browne? In *End of Days*, Browne tackles the most daunting of subjects with her trademark clarity, wisdom, and serenity, answering such difficult questions as: What's coming in the next fifty years? What do the great prophecies of Nostradamus and the Book of Revelation mean? If the world is really going to end, what will unfold in our final hours? For anyone who's ever wondered where we're headed, and what—if anything—we can do to prevent a catastrophe of biblical proportions, *End of Days* is a riveting and insightful must-read.

*The Colony of Unrequited Dreams*, a Canadian bestseller, is a novel about Newfoundland that centres on the story of Joe Smallwood, the true-life controversial political figure who ushered the island through confederation with Canada and became its first premier. Narrated from Smallwood's perspective, it voices a deep longing on the part of the Newfoundlander to do something significant, "commensurate with the greatness of the land itself." Smallwood's chronicle of his development from poor schoolboy to Father of the Confederation is a story full of epic journeys and thwarted loves, travelling from the ice floes of the seal hunt to New York City, in a style reminiscent at times of John Irving, Robertson Davies and Charles Dickens. Absorbing and entertaining, *The Colony of Unrequited Dreams* provides us with a deep perspective on the relationship between private lives and what comes to be understood as history and shows, as E. Annie Proulx commented, "Wayne Johnston is a brilliant and accomplished writer." *The New York Times* said, "this prodigious, eventful, character-rich book is a noteworthy achievement: a biting, entertaining and inventive saga.... a brilliant and bravura literary performance."

An exiled Bengali dissident and former women's newspaper columnist traces her Muslim childhood in conflict-stricken Bangladesh, describing her philanderer father, fundamentalist mother, and sometimes violent community life.

*The First Promise* is a translation of Ashapura Debi's novel, *Pratham Pratisruti*, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharatiya Jnanpith, India's highest literary award, in 1977. Spanning the late eighteenth and early twentieth centuries, Ashapura tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year-old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held

out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.

The “uproariously funny” second book in the Rosy Crucifixion trilogy, “may be Miller’s masterpiece” (Choice). “Plexus is the core volume in *The Rosy Crucifixion*: the volume which has the most complete description of Henry Miller’s basic values, beliefs, opinions, judgments, both at the time of his ‘Crucifixion’ and at the later time when the trilogy was written. Plexus is simply the most marvelous volume of emotion and ideas and visions and nightmares about man and society in the twentieth century—with art as the link perhaps, or as the soul’s refuge—that I have read in many a long year. There is absolutely no subject in the world that Henry Miller does not seem to know about, want to talk about, and to evaluate with the deep authority of wisdom. He is probably the most learned of all our American writers, the most open to ideas and feelings, and yes, the most worshipful of all the aspects of life, as well as the most critical literary spokesman of our time.” —Maxwell Geismar

The film adaptation of Margaret Laurence's *The Stone Angel*, starring acclaimed actresses Ellen Burstyn and Ellen Page, and introducing Christine Horne, opens in theatres May 9, 2008. This special fortieth-anniversary edition of Margaret Laurence’s most celebrated novel will introduce readers again to one of the most memorable characters in Canadian fiction. Hagar Shipley is stubborn, querulous, self-reliant, and, at ninety, with her life nearly behind her, she makes a bold last step towards freedom and independence. As her story unfolds, we are drawn into her past. We meet Hagar as a young girl growing up in a black prairie town; as the wife of a virile but unsuccessful farmer with whom her marriage was stormy; as a mother who dominates her younger son; and, finally, as an old woman isolated by an uncompromising pride and by the stern virtues she has inherited from her pioneer ancestors. Vivid, evocative, moving, *The Stone Angel* celebrates the triumph of the spirit, and reveals Margaret Laurence at the height of her powers as a writer of extraordinary craft and profound insight into the workings of the human heart.

Winner of the American Book Award Based on the author's own experiences, this award-

winning novel was the first to tell the story of the evacuation, relocation, and dispersal of Canadian citizens of Japanese ancestry during the Second World War.

A savage indictment of religious extremism and man's inhumanity to man, *Lajja* was banned in Bangladesh, but became a bestseller in the rest of the world. The Duttas—Sudhamoy and Kironmoyee, and their children, Suranjan and Maya— have lived in Bangladesh all their lives. Despite being members of a small, vulnerable Hindu community, they refuse to leave their country, unlike most of their friends and relatives. Sudhamoy believes with a naive mix of optimism and idealism that his motherland will not let him down. And then, on 6 December 1992, the Babri Masjid is demolished. The world condemns the incident, but its immediate fallout is felt most acutely in Bangladesh, where Muslim mobs begin to seek out and attack Hindus. The nightmare inevitably arrives at the Duttas' doorstep, and their world begins to fall apart.
