"Signs and symbols rule the world, not words nor laws." - Confucius This timeless quote perfectly sums up the aims of Vigilant Citizen. To understand the world we live in, we must understand the symbols surrounding us. To understand these symbols, we must dig up their origin, which are often deeply hidden in occult mysteries. Vigilant Citizen aims to go beyond the face value of symbols found in pop culture to reveal their esoteric meaning

You hold in your hands the material result of many years' hard craft. This Book contains some of the secrets of Life itself; or rather, the occult deity of Life on Earth, Baphomet. Horned, vital, beautiful, awe full, our aeons old Chaos Magick idol finds a name from the Knights' Templar, then goes incognito through the Enlightenment (when flourished those great natural philosophers beloved of science historians), before emerging via devil worship and witchcraft into this era of Deep Ecology. Darwin could have used a picture of Baphomet as his frontispiece, to demonstrate the one flesh from which all species originate. Contacting this Great Spirit, the anima mundi, allows access to a new way of ordering the world, with fresh visions of how and why we could Live. Here the authors weave strands from their lives into a rich tapestry of images, which might give you a pointer or two towards your own self-realisation, whilst amusing, entertaining, and instructing along the way. Revolution, evolution, leap beyond the apocalypse to the

This is the first part of Eliphas Levi's last great discourse on the mysteries of occultism that was continued and concluded in *The Great Secret*. In it, Levi examines with great precision and insight the inner meanings of Qabalism and their relationship to the occult sciences. Part One is a commentary on the *Spihra Dzeniuta* by Simeon BenJochal, which includes an examination of the affinities between Qabalism and Freemasonry. Part Two pursues the correspondences between Qabalism, Numerology and the Tarot. This edition includes an appendix by Papus (Dr. Gerard Encausse) summarizing Levi's doctrines and teachings and supplying some fascinating information on some of the master's many disciples.

This is a tarot manual only! Satan's Tarot available separately on Etsy. Satan's Tarot is

unlike any in existence. It is not the typical deck that adheres to the traditional tarot arrangement. Satan's Tarot is a 78 card-deck that puts the reader into the flow of the current. It's a special, unique deck designed, and created to reach into and beyond the carnality walls of existence and submerge the reader in-between dark and light into the outer grey. Satan's Tarot appeared first in the world of the occult underground in 1993, where it made its debut 25 years ago. Busting onto the scene for a limited time: 78 Xerox, black and white, laminated cards. Appearing alongside with them in a limited edition form: a numbered, color, photograph set. Both sets won their way into the heart of the left-hand-path. Now Satan's Tarot has returned and this time better, stronger, and in real tarot card form. Seventy-eight, full-color, tarot cards comprised of the following: 5 - Alphabet of desire cards. 7 - Carnal nature cards. 2 - Royalty cards. 5 - Elemental cards. 5 - Elemental personality cards. 9 - Gates of Hell cards. 7 - Universal merit cards. 30 - Situation cards. 5 - Transformation cards. 3 - Triad cards. The 1993 original version of Satan's Tarot was designed and produced by the creators: Michael A. and Lori A. In 2018, Satan's Tarot has emerged with the same original creators behind the writing, the new detailed images, and the raw power inhabiting Satan's Tarot. Each image meticulously designed, hand-drawn, and digitally mastered to enhance every line into the technological age, so that you - the reader - can now hold in your hands a deck striking in appearance and precise in divining events of the past, present, and future. More specifically, Satan's Tarot is the deck that you have been

waiting for. Seventy-eight images leaving strong imprints that result in clear-cut to the point readings the reader and the inquirer can fully depended on. Satan's Tarot are here to show the world exactitude is not found in sugar-coated, bunny-fluff cards and long-winded books. Satan's Tarot is accuracy in your face and to the point.

There is far more to the Baphomet than mere idolatry; its angel-devil zoöomorphic hermaphroditic idol, with its flaming torch between its horns, conceals the Illuminated formulae of the Beast and his Scarlet Woman. It is the symbol of those primordial power zones whose colour is blood red, and such mysteries as are served in Tantric rites of the black goddess Kali, whose talisman is blood and whose totem is the goat. Symbolising the conjunction in Capricorn of Yesod (Luna) and Tiphareth (Sol) ie the solar eclipse or black sun (Black Son, Antichrist), it is the harbinger of Apocalypse, Opening the Way to the Black Aeon, and the embodiment of the Left Hand Path. Embrace the night as you succumb to visions of blood-red roses and feel the impassioned rhythms of your feverishly pounding heart. The Vampyre legend is rooted in darkness and seduction, yet its eternal message is one of spiritual hunger—to taste the Divine. Featuring Ian Daniels' richly evocative Gothic-style artwork, this hauntingly romantic deck is a tool for spiritual awakening. With it, you can plumb the depths of your inner shadows and emerge in the radiant light of truth. Inspired by the Rider-Waite structure, the deck shows the Fool, Priestess, and other traditional figures, while the suits bear unique names that call forth the mysterious and macabre: Scepters, Grails,

Knives, and Skulls. The companion book provides detailed card meanings, creative exercises, original spreads, and instructions for creating your own Vampyre character. Includes a 78-card deck and a 312-page book.

According to tradition, each Master or Mistress who was responsible for a particular Satanic Temple or group, was given on his or her assumption of that responsibility, a copy of the Black Book of Satan. The Black Book contained the basic Satanic rituals and instructions relating to ceremonial magick in general. The whole text of the traditional Black Book is included in the present work, together with several additional chapters (e.g. Self-Initiation; Organizing and Running a Temple). These additions make this present work a concise practical handbook for those seriously interested in the Black Arts.

There is truth in the idea that a real God is omnipresent. We cannot escape it. It is the sidewalks which we walk and the roads that we travel. It is the time that we wake to get to our jobs and perform our duties, and the distractions we use to fill the void between

those phases that we indulge so that we may fit in with others. God comes streaming forth from our televisions, smiles at us from the news-stands, and sings to us from our radios. God is why it is more important to us who some prominent actress is fucking than why we have not established a colony on the Moon. God is the guilt we feel in pleasure, and the pleasure we feel in guilt. God is taught to us in our churches and our schools, and is constantly re-enforced by our peers and authorities. God is omnipresent because he is in our heads. Our spirituality is the sense that there is something to the universe greater than that which we can perceive with our immediate senses, something that binds us to all other things. God is how we perceive this potentiality. An essential volume for serious students of the Tarot, this compelling survey describes the many fascinating decks imagined over time and the secret histories of mystics. This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into

three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

This collectable group of 22 beautifully designed Tarot cards is available in a handsome boxed set in either German or English language. Each card is a careful reproduction of one of Giger's paintings, and is interpreted by philosopher-magician Akron in a booklet of instructions, included with the set. To Akron Tarot is like an inexhaustible mine of symbols, suited to manifest Giger's aesthetics of apocalypse in literary style. Akron resorts to the tradition of the Tarot in order to convey the messages of Baphomet - a medieval secret symbol -- which is of special significance in Giger's work. H.R. Giger is a painter, Oscar-award winner and cult figure of an international artistic community, for which his aesthetics of the apocalypse represent inspiration and spiritual healing. His pictures are gripping, indeed sometimes shocking visions - they shake us from our unconsciousness as they relentlessly point to the hidden inner world of all things. The art of Giger is a journey to the most ancient destination of mankind: to birth and death, love and war, hope and the destruction of life.

in the Satanic Tarot, all myths about fortune-tellers and the kind of people who seek them out

are laid bare, the practice of fortune-telling is revealed for what it is (both in its strengths as well as its weaknesses), and a never-before seen method for interpreting the 78 cards of the Tarot fully rooted within the principles of The Satanic Bible is taught in exacting detail. The Satanic Tarot is a scathingly honest treatise on fortune-telling, and while many will call it depraved, some will recognize the wisdom that rests within its pages. Will you count yourself among those who dare to see? The NEWLY REVISED and UPDATED second edition of The Satanic Tarot corrects oversights present in the first edition, but also includes dozens of images to illustrate the concepts and arrangements discussed in the latter half of the book. To the casual observer, they're just a pack of playing cards. But to initiates, the mysterious figures of the Tarot deck symbolize the keys to ancient wisdom. The 78 cards can be employed to unlock the secrets of the universe and to foretell the future — but only by those who comprehend their esoteric truths. A pillar of occult science, The Tarot of the Bohemians provides a theological element to the work begun by Antoine Court de Gébelin, Etteilla, and Éliphas Lévi, and advanced by A. E. Waite, the distinguished scholar and designer of the most widely known deck. Geared toward initiates, its topics include an introduction to the study of the Tarot as well as its symbolism and applications. This revised edition includes a Preface by Waite in addition to illustrative plates, charts, and tables.

THE SINISTER TRADITION is an authorized edition of three core works of the Order of Nine Angles: the Grimoire of Baphomet, Codex Saerus, and Naos. The Order is one of the oldest schools to codify Satanic practice, and these texts form the basis of the ONA's hermetic Seven-Fold Way, and the system of Traditional Satanism. Herein is described a way of sinister, predatory spirituality which will challenge its readers to find and defy the limits of self and

society. Through the Grimoire of Baphomet, Codex Saerus, and Naos, the initiate learns the basics of the Septenary system, the mythos of the Dark Gods, the basics of Sinister Sorcery, Sinister Chant, the Star Game, and the Seven-Fold Way leading to Adept hood and beyond. The Book of Baphomet is one of 616's gems. It deals with all things Satanically goatish, includes a received text called Mandate VII: The Black One & has a lot to reveal about Eliphas Levi's Atu #15. Through images & texts 616 manages to capture the essence of the Black Man of the Witches' Sabbat quite nicely. 616 M.A. is an artist-magickian from Hamilton, Ontario, Canada who, for over the last thirty years, has been tempering his academic background in English, Philosophy & Education with his passionate exploration of magick, music & the visual arts. He has been seeking, finding & refining his magick for the last twenty years in Toronto, somewhere under the Shaitan (CN) Tower. BEAST-BABALON-BAPHOMET-BECOME.

How can we possibly embrace our truest self if we never step into the dark? Author and occultist Travis McHenry reveals the secret daemons of the 17th-century and conjures their powers into this unique set of 78-divination cards. Drawing on daemons, symbols, and sigils from ancient magickal grimoires including Archidoxis Magica and the Key of Solomon, Occult Tarot presents a fully realized divination tool to finally embrace and behold the mysteries of the night. The first tarot deck to faithfully adhere to the Solomonic principles of demon conjuration, Occult Tarot allows practitioners to discover the power of ancient demons and learn to tame the beasts that wander between the physical and spiritual worlds.

For the first time in the history of occult literature, this 4th Tarot Card of the great Hermes Trismegistos is being described and revealed. Included are unknown concentration and meditation exercises. Furthermore, there is a reference to the difference of magic and mysticism, as well as the dangers of a one-sided path. Ultimately, upon completion of the 4th Tarot Card, there will be a technique of unification with the universal God, who is the master of the sun sphere. In Quabbalah, this master is called 'Metatron'.
