The bad news is, you can't avoid the GMAT torture if you intend to go to graduate business school. Because of the grade inflation that skews GPAs, most graduate business schools now require the GMAT as a way of separating the wheat from the chaff. Now for the good news: By doing well on the GMAT you can overcome years of goofing off in school. A dynamite GMAT score can get you into a graduate program that otherwise wouldn't look twice at you and your C+ GPA. On the other hand, even with a GPA of 4.0 from a top-flight school, you'll be facing some pretty stiff competition, and a high GMAT score could make the difference between being admitted or not. If you're one of the quarter of a million business school hopefuls taking the GMAT this year, you'll want to use this friendly guide to help you outsmart the competition. Written by long-time test prep coach Suzee Vlk, The GMAT For Dummies offers you an enjoyable

way to get quickly up to speed with what you need to know to: Fine-tune your test-taking skills Bring the right stuff to the test Psych out the test Spot traps built into test questions Figure out the point behind questions Make the best educated guesses Combat test-taking anxiety Use your breaks wisely Save time and beat the clock The GMAT For Dummies features dozens of practice questions, two complete practice tests, and reviews to help you monitor your progress. And it's loaded with test-taking tips, tricks, and expert advice on how to: Assess your strengths and weaknesses Think "the GMAT way" Approach different types of questions Nail the grammar questions Ace the reading comprehension and critical reasoning questions Shine on the analytical writing assessments Master the general math questions Excel on the data sufficiency math questions This fat-free test prep guide is for bright, ambitious people on the move. It gets you on track with what you need to know and can use on the GMAT quickly, efficiently, and thoroughly.

This set of flash cards is designed to serve as a study aid for the Graduate Record Exam. The cards provide a review of GRE vocabulary words and math concepts as well as practice for the test. The set consists of: 250 Verbal Cards--designed to cover the most common vocabulary words on the test; they include definitions, antonyms, and sentence-completion practice 250 Math Cards--these are divided into 6 groups: 75 Math Facts, 25 Math Strategies, 65 Multiple-Choice Questions, 65 Quantitative Comparison Questions, 10 Multiple-Answer Questions, and 10 Numeric Entry Questions Each 4-1/2" x 2-3/4" card features a corner punch hole to accommodate a metal sorting ring enclosed with the set. "This manual's new edition offers prospective graduate students intensive preparation for the GRE Graduate Record Exam. Opening chapters provide a perspective on the exam with a GRE overview, advice on effective test-taking tactics, and a diagnostic test to help students pinpoint their strengths and weaknesses. Subsequent chapters review all GRE test areas and include practice exercises for the following topics: antonym, analogy, and sentence-completion questions, reading comprehension, vocabulary, analytical writing, discrete quantitative questions, quantitative comparison questions, data interpretation questions, and math. The math review includes questions in arithmetic, algebra, and geometry. The manual's concluding section presents five full-length model exams that reflect recent GREs in length, question types, and degree of difficulty. All questions are answered and explained."--Publisher's description.

An extensive working vocabulary is a prerequisite for test-taking success on the Graduate Record Exam. This book presents 800 graduate-level words with definitions that frequently appear on the exam. Words are used in different contexts to familiarize test takers with their many variations. The book's additional features include a pre-test that helps to diagnose weaknesses, a lengthy word list with extensive practice exercises, and a chapter that discusses and analyzes essential word roots. The book concludes with a post-test to assess progress. Answers are provided for all exercises and for all questions in the pre- and post-test.

FLASH CARDS are an important initial step towards mastering difficult vocabulary words that appear on the GRE, SAT, CET, CAT, etc. This product was designed from the ground up to target these tests. It is packed with more than 4000 testworthy words those that only students with an educated vocabulary are likely to know. These are the words that the test - designers love to include on competitive exams- especially in exam questions involving SYNONYMS, ANTONYMS, and ANALOGIES that test vocabulary directly. This latest edition also includes the PRONUNCIATION of all words.

Offers a guided approach to taking the GED and includes subject reviews that cover all four of the new test sections, in a book that also includes diagnostic tests and two full-length practice exams with answer explanations.
