"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

Buildium's Property Management Accounting teaches basic accounting concepts with property management specifically in mind. The purpose of this research is to investigate stereotypes as a way of understanding intense interpersonal and inter-group conflict between American Jews and Israeli immigrants living in the larger Jewish community of South Florida. The reasons for this inter-group conflict make for a complicated story. The major assumption being made here is that the conflict can be seen in the stereotypes, prejudices and impressions held by these two groups about themselves and each other. This study also seeks to determine the dominant stereotypes of Israeli immigrants to the U.S., or Yordim, to reach some understanding of the conflict between Yordim and American Jews.

The bookkeeper needs a comprehensive knowledge of the practical aspects of accounting. This means understanding how to issue billings, process cash receipts, calculate depreciation, construct a chart of accounts, value inventory, pay employees and suppliers, file tax returns, and produce financial statements. The Bookkeeping Guidebook covers all of these topics and more with dozens of examples, as well as forms, templates, and references to the author's popular Accounting Best Practices podcast.

Weygandt Accounting Principles starts with what students know. In the new Ninth Edition, students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned. Weygandt Accounting Principles introduces challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concept.

Accounting for churches is not the same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister. Lisa London, The Accountant Beside You who brought you QuickBooks for Churches & QuickBooks for Nonprofits, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. A CPA with decades of experience working with businesses as well as churches and other nonprofits, Lisa explains complex concepts in a reader-friendly, engaging manner. She is joined by Vickey Boatright, an accountant who runs THE online site for all things church accounting, [www.freechurchaccounting.com](http://www.freechurchaccounting.com). Together, Lisa and Vickey guide you through every essential aspect of church accounting. Church Accounting: The How-To Guide for Small & Growing Churches is a must-have reference for all the nuts and bolts of church accounting no matter what your accounting system. Lisa and Vickey help you set up accounting spreadsheets and explain the different types of accounting packages. If you are already using QuickBooks, it is also a perfect compliment to QuickBooks for Churches and Other Religious Organizations. Additionally, The Accountant Beside You will show you how to: calculate and file employee payroll without paying for an outside servicedesign and implement a
