Warrior Mage (Chains of Honor, Book 1) Lindsay Buroker,2015-04-25 His mother was one of the most powerful wizards in the Nurian Empire until she abandoned her people to become a notorious pirate. That choice doomed the family she left behind to a life of disgrace. Yanko White Fox doesn't remember his mother, but as the only gifted child in the family, he is expected to erase the mark she left on them all. With an affinity for earth magic and communicating with animals, he's not the most natural candidate to become a warrior mage, but it's the only sure route back into the Great Chief's good graces. He has resigned himself to training for that destiny, whether it matches his passions or not. Long before he's ready for his first battle, insurrection comes to his distant corner of the empire. Rebels take over the salt mine his family manages and slay the only relative who ever supported Yanko. On the heels of the tragedy, a courier brings a message from the Great Chief's son. Whether he is prepared or not, Yanko must undertake a quest, one that could save millions of lives... or fail utterly, leaving him dead, his family forgotten, and his people the victims of starvation and endless war. *Warrior Mage* is the first novel in the now complete *Chains of Honor* epic fantasy series.

Rise of the Mages Scott Drakeford,2022-02-08 "This book commits almost every crime against heroic fantasy that I can imagine ... and I have not been able to put it down." —Glen Cook, bestselling author of The Black Company A young warrior and his improbable band of allies face impossible odds as they seek to rescue his brother from the servants of the Fallen God. Emrael Ire is a student of war with lofty ambitions, despite being so poor his boots are more hole than leather. He and his talented younger brother Ban work hard to build themselves a better life at the Citadel, a school that specializes in both infusori Crafting and military arts. Their lives are upended when the power-hungry Lord Governor of the neighboring province invades the school with the help of a sinister sect of priests devoted to the newly awakened Fallen God of Glory. Many of the infusori Crafter students are captured—including Ban. Though Emrael stands little chance against the Lord Governor and his armies, he's desperate to save his brother—even if that means accepting the help of allies with uncertain motives, or becoming a practitioner of a forbidden magic. There is nothing he won't sacrifice to save his brother, but what happens when the cost of success is not his to pay? Battle of the Linguist Mages Scotto Moore, 2022-01-11 "This is a stand-alone novel with material enough for six... By the halfway point, it had blown my mind twice... an audacious, genre-bending whirlwind." —New York Times "It reads like Snow Crash had a dance-off with Gideon the Ninth, in a world where language isn't a virus from outer space, it's a goddamn alien invasion." —Charles Stross In modern day Los Angeles, a shadowy faction led by the Governor of California develops the arcane art of combat linguistics, planting the seeds of a future totalitarian empire. Time is short for Isobel to level up and choose a side—because the cabal has attracted much bigger and weirder enemies than the anarchist resistance, emerging from dark and vicious dimensions of reality and heading straight for planet Earth!
