Courageous History Makers: 11 Women from Latin America who changed the World highlights 11 women from Latin America who excelled in science, sports, the arts, journalism, politics and more. Some notable women featured include Mexican painter Frida Khalo, Nobel Peace Prize Winner Rigoberta Menchu, Grammy-winning musical icon Celia Cruz, and renowned pilot Hermelinda Urvina. The true biographical stories of these outstanding women are presented in rhyming verses. Additional educational resources are offered at the end of the book, including a bibliography reference page.

.Recommended for children ages 5-8, grades K-3rd.
How close to God will you be three years from now? If you were to look in your future, would you be happier? Do you have a family of your own? A new relationship? A new career? Retiree? Are you closer to God? Hey, you are probably being the version of yourself! But let's be real. You can't see the future. What you can do is aim to do good, be more content, have a peace of mind and hit all your goals, EVERY SINGLE DAY! You can do that by writing your goals and making sure you get the most important things done. Did you know that successful people don't

spend their whole day working? What they do is plan their actions and the weeks that follow so they don't work on the wrong things! This is exactly the goal of this Planner. To make you plan ahead, organize your day, week, month and years (3 years actually!) It also comes with Bible quotes to give you the inspiration to work harder and achieve your plans for the next three years. Quotes that are well chosen and will make a great impact in your life in many many ways. You would love this Planner because: It consists of 323 pages worth of journal notes for your daily, weekly and yearly from 2019 to 2021. Three years of companionship and crushing goals. Months and Days are Dated, so you don't have to. This will make it easier for you to go directly into writing your daily entry without taking extra time to write small details that can't distract you. It's always amazing to have a Physical copy of things that you write into. It makes it feel real, and by writing with pen and paper, you appreciate it more. There's plenty of space so that you can write a small paragraph, rather than just a single short line. The size is also 8.5 x 11 inches so you always have room to write more. It helps you be organized with your ideas, plan and execution. Instead of just remembering it on your mind, seeing a written plan can help you boost your productivity, give you energy and not waste time procrastinating. This planner is a perfect way of being able to do a task without it becoming a chore. It is amazing how it

The ultimate guide to living your life to the fullest, featuring full-color illustrations and lessons inspired by multiple Grammy Award-winning musical phenomenon Billie Eilish. "I hope to show people that they shouldn't care what other people think of them. I am really weird and, you know what? I like it, it's special to me, and it's fun to be weird. It's you and it's your life. Do what you want."—Billie Eilish With her trademark neon hair, imaginative, fashion-forward outfits, and thought-provoking lyrics, Billie Eilish refuses to conform to others' expectations of what a young, female pop star should look and sound like. Billie refuses to be labeled, restricted, or dismissed by anyone. An instant internet sensation, she quickly reached the pinnacle of pop culture success. Only eighteen years old, she's already won four Grammy awards (Album of the Year, Best Pop Vocal Album, Record of the Year, and Song of the Year), is the youngest artist to record a James Bond theme song, and has graced the cover of Vogue magazine. Billie's fans admire her ability to challenge the status quo and rewrite the rules. An iconoclast who lays down her own beat, she's become the ultimate role model for today's youth,

Fenimore Cooper (1789-1851) was a prolific and
popular American writer of the early 19th century.
His historical romances of frontier and Indian life in
the early American days created a unique form of
American literature. Before embarking on his career
as a writer, Cooper served in the U.S. Navy, which
greatly influenced many of his novels. The novel that
launched his career was The Spy, tale of espionage

When little Sergio realizes that the Snapper gang bullies others, he breaks away from them and makes new friends, only to become the new target of the gang's bullying.

The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work—poems that

From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.
