

Beastly Lindys Diary 15 Alex Flinn

Dr Keith Allan presents a coherent, consistent and comprehensive account of linguistic meaning, centred around an informally presented theory of meaning. It is intended for graduate and undergraduate students of linguistics, or any linguist curious about what a theory of meaning should seek to accomplish and the way to achieve that aim. The work assumes that the primary task of a theory of linguistic meaning is to describe the meaning of speech acts. This in turn presupposes a theory of semantics and a theory of prosodic meaning, as well as a proper treatment of the co-operative principle, context and background information. These matters are dealt with in detail. The second task of a theory of linguistic meaning is to identify what meaning is, to explain the relationships between sense and denotation, and to explicate the nature of meaningful properties and meaning relations. These matters are fully covered, and the work concludes with a summary of the principle arguments presented.

Brilliant, witty, perceptive essays about fly-fishing, the natural world, and life in general by the acknowledged master of fishing writers. With his inimitable combination of wit and wisdom, John Gierach once again celebrates the fly-fishing life in *Standing in a River Waving a Stick* and notes its benefits as a sport, philosophical pursuit, even therapy: "The solution to any problem—work, love, money, whatever—is to go fishing, and the worse the problem, the longer the trip should be." After all, fly-fishing does teach important life lessons, says Gierach—about solitude, patience, perspective, humor, and the sublime coffee break. Recounting both memorable fishing spots and memorable fish, Gierach discusses what makes a good fly pattern, the ethics of writing about undiscovered trout waters, the dread of getting skunked, and the camaraderie of fellow fishermen who can end almost any conversation with "Well, it's sort of like fishing, isn't it?" Reflecting on a lifetime of lessons learned at the end of a fly rod, Gierach concludes, "The one inscription you don't want carved on your tombstone is 'The Poor Son of a Bitch Didn't Fish Enough.'" Fortunately for Gierach fans, this is not likely to happen.

I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all. It all started with a curse. And a frog-napping. And one hot-looking princess, who asked me to lead a rescue mission. There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Everglades. Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked.

Alex Flinn, *New York Times* #1 bestseller, is back with more magical modernized fairy tales! These three present-day takes on classic stories appear in one collection for the first time.

Cloaked: Johnny spends his days relaxing in South Beach—until the visiting Princess Victoriana sends him on a quest to find a frog prince in the Florida Keys. This mashup of twisted fairy tales will keep readers hopping! *Kiss in Time*: Princess Talia, whose family rules a tiny European kingdom in the 1700s, has been warned to keep away from spindles. Jack, who's touring modern Europe on an educational trip, has been ordered to stay with his group. But teens aren't good listeners—and now they're going to have to find their way together. *Kiss in Time* is a Junior Library Guild Selection. *Towering*: While Rachel has been imprisoned in a tower by "Mama" for years, Wyatt's mother just shipped him off to live with a family acquaintance. Isolated as they are, what could they learn from the journal of a girl who's been missing for seventeen years?

Boxing is one of the oldest and most exciting of sports: its bruising and bloody confrontations have permeated Western culture since 3000 BC. During that period, there has hardly been a time in which young men, and sometimes women, did not raise their gloved or naked fists to one other. Throughout this history, potters, sculptors, painters, poets, novelists, cartoonists, song-writers, photographers and film-makers have been there to record and make sense of it all. In her encyclopaedic investigation, Kasia Boddy sheds new light on an elemental sports and struggle for dominance whose weapons are nothing more than fists. Boddy examines the shifting social, political and cultural resonances of this most visceral of sports, and shows how from Daniel Mendoza to Mike Tyson, boxers have embodied and enacted our anxieties about race, ethnicity, gender and sexuality. Looking afresh at everything from neoclassical sculpture to hip-hop lyrics, *Boxing* explores the way in which the history of boxing has intersected with the history of mass media, from cinema to radio to pay-per-view. The book also offers an intriguing new perspective on the work of such diverse figures as Henry Fielding, Spike Lee, Charlie Chaplin, Philip Roth, James Joyce, Mae West, Bertolt Brecht, and Charles Dickens. An all-encompassing study, *Boxing* ultimately reveals to us just how and why boxing has mattered so much to so many.

Three Beastly Kendra Chronicles *Beastly*, *Lindy's Diary*, *Bewitching* Harper Collins

Antifragile is a standalone book in Nassim Nicholas Taleb's landmark *Incerto* series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don't understand. The other books in the series are *Fooled by Randomness*, *The Black Swan*, *Skin in the Game*, and *The Bed of Procrustes*. Nassim Nicholas Taleb, the bestselling author of *The Black Swan* and one of the foremost thinkers of our time, reveals how to thrive in an uncertain world. Just as human bones get stronger when subjected to stress and tension, and rumors or riots intensify when someone tries to repress them, many things in life benefit from stress, disorder, volatility, and turmoil. What Taleb has identified and calls "antifragile" is that category of things that not only gain from chaos but need it in order to survive and flourish. In *The Black Swan*, Taleb showed us that highly improbable and unpredictable events underlie almost everything about our world. In *Antifragile*, Taleb stands uncertainty on its head, making it desirable, even necessary, and proposes that things be built in an antifragile manner. The antifragile is beyond the resilient or robust. The resilient resists shocks and stays the same; the antifragile gets better and better. Furthermore, the antifragile is immune to prediction errors and protected from adverse events. Why is the city-state better than the nation-state, why is debt bad for you, and why is what we call "efficient" not efficient at all? Why do government responses and social policies protect the strong and hurt the weak? Why should you write your resignation letter before even starting on the job? How did the sinking of the Titanic save lives? The book spans innovation by trial and error, life decisions, politics, urban planning, war, personal finance, economic systems, and medicine. And throughout, in addition to the street wisdom of Fat Tony

of Brooklyn, the voices and recipes of ancient wisdom, from Roman, Greek, Semitic, and medieval sources, are loud and clear. Antifragile is a blueprint for living in a Black Swan world. Erudite, witty, and iconoclastic, Taleb's message is revolutionary: The antifragile, and only the antifragile, will make it. Praise for Antifragile "Ambitious and thought-provoking . . . highly entertaining."—The Economist "A bold book explaining how and why we should embrace uncertainty, randomness, and error . . . It may just change our lives."—Newsweek

There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything. Tells the story of Kendra, a witch, and the first three-hundred years of her life, including takes on a classic fairy tale, the 1666 plague in Britain, the Titanic disaster, and the story of a modern-day, plain stepsister.

A hapless witch, a bad boy turned beast, a beautiful girl and her wicked stepmother...what more could you want in these four modernized fairy tales, in one collection for the first time, by #1 New York Times bestselling author Alex Flinn. *Beastly*: Kyle was the cutest guy at school—and the most heartless. Kendra's spell turned him into a beast, but can Lindy's love turn him back into a boy? After winning a VOYA Editor's Choice award and spending over 22 weeks on the New York Times bestseller list, *Beastly*, a retelling of *Beauty and the Beast*, became a major feature film starring Vanessa Hudgens, Alex Pettyfer, Mary Kate Olsen, and Neil Patrick Harris. *Beastly: Lindy's Diary*: This novella lets readers peek into the journal Lindy kept while she was getting to know—and love—her beast. *Bewitching*: Kendra shares her other schemes that have gone wrong . . . no matter how hard she tries! These tweaked fairy tales take readers all through history and all over the world. *Mirrored*: In this retelling of *Snow White*, beautiful Celine must take refuge with her friend Goose and his family since her wicked stepmother, Violet, is on a mission to be the fairest of all and won't let anything—including Celine—get in her way.

Don't miss this timely contemporary young adult novel from Alex Flinn, the #1 New York Times bestselling author of *Beastly*, about a teenage boy's struggle to break free from the cycle of abuse. "Gripping." —Publishers Weekly Intelligent, popular, handsome, and wealthy, sixteen-year-old Nick Andreas is pretty much perfect—on the outside, at least. What no one knows—not even his best friend—is the terror and anger that Nick faces every time he is alone with his father. Then he and Caitlin fall in love, and Nick thinks his problems are over. Caitlin is the one person he can confide in, the only person who understands him. But when Nick's anger and jealousy overtake him, things begin to spiral out of control and Nick realizes that he's more his father's son than he wants to be. Now Nick must confront his inner demons to stop the history of violence from repeating itself. Three perspectives -- one truth The victim: After his windshield was shattered with a baseball bat, HIV-positive Alex Crusan ducked under the steering wheel. But he knows what he saw. Now he must decide what he wants to tell. The witness: Daria Bickell never lies. So if she told the police she saw Clinton Cole do it, she must have. But did she really? The suspect: Clinton was seen in the vicinity of the crime that morning. And sure, he has problems with Alex. But he'd never do something like this. Would he?

A beast. Not quite wolf or bear, gorilla or dog but a horrible new creature who walks upright—a creature with fangs and claws and hair springing from every pore. I am a monster. You think I'm talking fairy tales? No way. The place is New York City. The time is now. It's no deformity, no disease. And I'll stay this way forever—ruined—unless I can break the spell. Yes, the spell, the one the witch in my English class cast on me. Why did she turn me into a beast who hides by day and prowls by night? I'll tell you. I'll tell you how I used to be Kyle Kingsbury, the guy you wished you were, with money, perfect looks, and the perfect life. And then, I'll tell you how I became perfectly . . . beastly.

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Foiled by Randomness is a standalone book in Nassim Nicholas Taleb's landmark *Incerto* series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don't understand. The other books in the series are *The Black Swan*, *Antifragile*, *Skin in the Game*, and *The Bed of Procrustes*. *Foiled by Randomness* is the word-of-mouth sensation that will change the way you think about business and the world. Nassim Nicholas Taleb—veteran trader, renowned risk expert, polymathic scholar, erudite raconteur, and New York Times bestselling author of *The Black Swan*—has written a modern classic that turns on its head what we believe about luck and skill. This book is about luck—or more precisely, about how we perceive and deal with luck in life and business. Set against the backdrop of the most conspicuous forum in which luck is mistaken for skill—the world of trading—*Foiled by Randomness* provides captivating insight into one of the least understood factors in all our lives. Writing in an entertaining narrative style, the author tackles major intellectual issues related to the underestimation of the influence of happenstance on our lives. The book is populated with an array of characters, some of whom have grasped, in their own way, the significance of chance: the baseball legend Yogi Berra; the philosopher of knowledge Karl Popper; the ancient world's wisest man, Solon; the modern financier George Soros; and the Greek voyager

Odysseus. We also meet the fictional Nero, who seems to understand the role of randomness in his professional life but falls victim to his own superstitious foolishness. However, the most recognizable character of all remains unnamed—the lucky fool who happens to be in the right place at the right time—he embodies the “survival of the least fit.” Such individuals attract devoted followers who believe in their guru’s insights and methods. But no one can replicate what is obtained by chance. Are we capable of distinguishing the fortunate charlatan from the genuine visionary? Must we always try to uncover nonexistent messages in random events? It may be impossible to guard ourselves against the vagaries of the goddess Fortuna, but after reading *Foiled by Randomness* we can be a little better prepared. Named by Fortune One of the Smartest Books of All Time A Financial Times Best Business Book of the Year Colonel Gabriel de Laurent departed for the war intending to die. After a decade of bloodstained battlegrounds while fighting in Napoleon’s army, Gabriel returns to the streets of Paris a shattered and haunted soul. Plagued by inner demons, he swallows the barrel of his flintlock pistol and pulls the trigger. But fate has a different plan. Ariaiah Larochelle is a survivor. Orphaned at twelve and victim to a devastating crime, she has learned to keep her back to walls and to trust no one. But when she finds a gravely injured soldier washed up on the River Seine, she’s moved by compassion. In spite of her reservations, she rescues him from the icy water and brings him into her home. Now scarred inside and out, Gabriel discovers a kindred spirit in Ariaiah – and feelings he imagined lost forever reawaken as he observes her strength in the face of adversity. But when Ariaiah’s own lethal secrets unfold, their new love is threatened by ancient ghosts. Can Gabriel and Ariaiah find hope in the wreckage of their pasts – or will the cycle of history repeat again? Perfect for fans of Gaelen Foley’s *Lord of Ice* and Judith James’s *Broken Wing*, *Finding Gabriel* features all the dark romance, searing passion, and historical intrigue of *The Phantom of the Opera* and *Les Misérables*.

A hapless witch, a bad boy turned beast, and his true love (or is she?) take to a Manhattan high school in Alex Flinn’s New York Times #1 bestselling series. These three modernized fairy tales appear in one collection for the first time. *Beastly*: Kyle was the cutest guy at school—and the most heartless. Kendra’s spell turned him into a beast, but can Lindy’s love turn him back into a boy? After winning a VOYA Editor’s Choice award and spending over 22 weeks on the New York Times bestseller list, *Beastly* became a major feature film starring Vanessa Hudgens, Alex Pettyfer, Mary Kate Olsen, and Neil Patrick Harris. *Beastly: Lindy’s Diary*: This novella lets readers peek into the journal Lindy kept while she was getting to know—and love—her beast. *Bewitching*: Kendra shares her other schemes that have gone wrong . . . no matter how hard she tries! 'Even the biographical individual is a social category', wrote Adorno. 'It can only be defined in a living context together with others.' In this major new biography, Stefan Müller-Doohm turns this maxim back on Adorno himself and provides a rich and comprehensive account of the life and work of one of the most brilliant minds of the twentieth century. This authoritative biography ranges across the whole of Adorno's life and career, from his childhood and student years to his years in emigration in the United States and his return to postwar Germany. At the same time, Muller-Doohm examines the full range of Adorno's writings on philosophy, sociology, literary theory, music theory and cultural criticism. Drawing on an array of sources from Adorno's personal correspondence with Horkheimer, Benjamin, Berg, Marcuse, Kracauer and Mann to interviews, notes and both published and unpublished writings, Muller-Doohm situates Adorno's contributions in the context of his times and provides a rich and balanced appraisal of his significance in the 20th Century as a whole. Müller-Doohm's clear prose succeeds in making accessible some of the most complex areas of Adorno's thought. This outstanding biography will be the standard work on Adorno for years to come.

Talia fell under a spell Jack broke the curse. I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. . . . I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind. I awakened in the same place but in another time—to a stranger's soft kiss. I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen. Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner! Now I'm stuck with a bratty princess and a trunk full of her jewels. . . . The good news: My parents will freak! Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all—even time?

See the #1 New York Times bestselling story *Beastly* through Lindy's eyes! This is her diary, kept while living in captivity with the beast. *Lindy's Diary* captures all the romance and edgy mystery of the original! Diary, I am locked away . . . with no one to confide in but you . . . and him. His fur, those claws—they caught me off guard at first, but now I'm noticing something else about him—something deeper. It's the look in his eye. It tells me he's got a secret to keep. That's okay—I've got one, too. I think I'm falling in love with him. . . . Lindy

In *Diva*, the companion to Alex Flinn's YA novel *Breathing Under Water*, Caitlin is dealing with a lot. She's living through the aftermath of an abusive relationship, she has a youth-obsessed mother who just doesn't understand her, and she's on a constant yo-yo diet to live up to the standards of her nitpicking friends. All Caitlin wants is to escape her not-so-glamorous life and pursue her dream of becoming a singer, but when she's accepted into the Miami High School of the Arts, her life doesn't magically become perfect. Yet despite some struggles to keep up with her competitive classmates and the distraction of cute new crush, Caitlin never loses her sense of humor and eventually gains the confidence to achieve her goals. Perfect for fans of such books as Carolyn Mackler's *The Earth, My Butt, and Other Big Round Things*.

New York Times #1 bestselling author Alex Flinn reimagined the fairy tale *Beauty and the Beast* in *Beastly* and gave a twist to the story of *Sleeping Beauty* in *A Kiss in Time*. Now with her gothic and darkly romantic YA novel *Towering*, Alex Flinn retells the tale of *Rapunzel*. When Rachel was taken to live in a tower by a woman she calls Mama, she was excited. She felt like a princess in a castle. But many years later, Rachel knows her palace is really a prison, and begins to plan her escape. She is encouraged by the speed with which her golden hair has been growing. It's gotten long enough to reach the ground. And she's begun dreaming of a green-eyed man. Could he be out there in the world? Is he coming to save her? Or will she find a way to save herself?

This edition offers true tales of these take-charge princesses plus dozens more in a fascinating read that's perfect for history buffs, feminists, and anyone seeking a different kind of bedtime story. You think you know her story. You've read the Brothers Grimm, you've watched the Disney cartoons, and you cheered as these virtuous women lived happily ever after. But real princesses didn't always get happy endings. Sure, plenty were graceful and benevolent leaders, but just as many were ruthless in their quest for power, and all of them had skeletons rattling in their majestic closets. Princess Stephanie von Hohenlohe was a Nazi spy. Empress Elisabeth of the Austro-Hungarian Empire slept wearing a mask of raw veal. Princess Olga of Kiev slaughtered her way to sainthood. And Princess Lakshmibai waged war on the battlefield with her toddler strapped to her back.

This completely reworked second edition of *Modern Esoteric* includes new information, over a dozen additional images, and up-to-date revisions. Winner of the Best Book Design 2014, *Modern Esoteric* examines the flaws in modern history and looks at how conspiracy theories, esoteric knowledge, and fringe subjects can be used to help change the dead-end course humanity seems to be following. The *Lifeology* section explores the long and storied "alternative narrative" of life on this planet. In the *Control* section, author Brad Olsen examines how Big Brother is here in the form of the New World Order, and how they keep the knowledge of humankind's true nature from the mass population. Finally, the *Thrive* section looks at all the ways humans are evolving to achieve their full potential.

In #1 New York Times bestselling author Alex Flinn's modern and mysterious retelling of *Snow White*, beauty is in the eye of the beholder and true love doesn't necessarily mean Prince Charming. Celine's life is the stuff fairy tales are made of. She's beautiful, talented, and brave. Unfortunately, her tale comes complete with a wicked stepmother! When Violet steps into Celine's life, everything changes and weird things begin to happen to her—bizarre accidents, strange illnesses, and rabid animal attacks. Celine doesn't feel safe anywhere. It's almost as if some hateful witch is out to get her. And there is. Violet has been waiting all her life to have Celine's father to herself. Getting rid of his gorgeous daughter is child's play for a witch as powerful as she is. Happy-ever-after isn't enough for Violet. She wants to be the fairest of them all, and Celine is in the way . . . but not for long. Forced to take refuge with her friend Goose and his family, Celine gives up everything she loves and goes deep undercover. But will it be enough to fool Violet, or will Celine's fate be decided by a reflection in a magic mirror? And where do you find Prince Charming in Miami anyway? *Mirrored* is a modern retelling of *Snow White*—told from the points of view of Violet, Celine, and Goose—with all the magic and mystery readers will love.

#1 New York Times bestselling author Alex Flinn is back with magical twists on four fairy-tale favorites, each featuring a little help from Kendra, the witch from *Beastly*, as she searches through cities and centuries for her lost love. Featuring retellings of favorite fairy tales such as "Little Red Riding Hood," "Rumpelstiltskin," "East of the Sun and West of the Moon," and "The Ugly Duckling," Kendra's adventures in *Beheld* are filled with fresh fairy-tale fun from beginning to end. Since she first beheld James over three hundred years ago, Kendra has tangled with witch hunters and wolves, helped a miller's daughter spin straw into gold, cowered in London as German bombs fell, and lived through who knows how many shipwrecks. But her powers have limits, and immortality can be lonely. Kendra isn't ready to stop searching for the warlock she met centuries ago. With the help of her magic mirror, Kendra will travel the world to reconnect with her lost love—and, of course, she can't help but play a hand in a few more stories along the way.

I shouldn't have come back to Miami . . . I've been escaping cops' notice for a year now. I'm no longer Michael Daye, high school athlete with a promising future. Now I look like someone with no future. When Michael saw a chance to leave town with a traveling carnival a year ago, he took it. Back then, his home life was spinning violently out of control. The carnival, with its "no questions asked" policy, seemed like a welcome escape. But now Michael's job has brought him back to Miami, where his mother is on trial for murder, making him wonder how much longer he can hide from his past . . . and his future.

Pretty in Pink meets *Anna and the French Kiss* in this charming romantic comedy *Ella* is nearly invisible at the Willing School, and that's just fine by her. She's got her friends - the fabulous Frankie and their sweet cohort Sadie. She's got her art - and her idol, the unappreciated 19th-century painter Edward Willing. Still, it's hard being a nobody and having a crush on the biggest somebody in the school: Alex Bainbridge. Especially when he is your French tutor, and lessons have started becoming, well, certainly more interesting than French ever has been before. But can the invisible girl actually end up with a happily ever after with the golden boy, when no one even knows they're dating? And is Ella going to dare to be that girl?

When and Where I Enter is an eloquent testimonial to the profound influence of African-American women on race and women's movements throughout American history.

Drawing on speeches, diaries, letters, and other original documents, Paula Giddings powerfully portrays how black women have transcended racist and sexist attitudes--often

confronting white feminists and black male leaders alike--to initiate social and political reform. From the open disregard for the rights of slave women to examples of today's more covert racism and sexism in civil rights and women's organizations, Giddings illuminates the black woman's crusade for equality. In the process, she paints unforgettable portraits of black female leaders, such as anti-lynching activist Ida B. Wells, educator and FDR adviser Mary McLeod Bethune, and the heroic civil rights leader Fannie Lou Hamer, among others, who fought both overt and institutionalized oppression. When and Where I Enter reveals the immense moral power black women possessed and sought to wield throughout their history--the same power that prompted Anna Julia Cooper in 1892 to tell a group of black clergymen, "Only the black woman can say 'when and where I enter, in the quiet, undisputed dignity of my womanhood, without violence and without suing or special patronage, then and there the whole . . . race enters with me.'"

WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York's Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series "It's absolutely gosh-wow, super-colossal—smart, funny, and a continual pleasure to read."—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A "towering, swash-buckling thrill of a book" (Newsweek), hailed as Chabon's "magnum opus" (The New York Review of Books), The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award

A new voice in fantasy weaves a rich, entrancing tale of a girl with powerful healing gifts — and the courage to use them to save her ailing kingdom. Shadows fall across the beautiful, lush kingdom after the queen is attacked by an unnatural beast, and the healing skills of her daughter, Alexandra, cannot save her. Too soon the widowed king is spellbound by a frightening stranger, a woman whose eyes reflect no light. In a terrifying moment, all Alexandra knows disappears, including her beloved brothers, leaving her banished to a barren land. But Alexandra has more gifts than she realizes as she confronts magic, murder, and the strongest of evil forces, and is unflinchingly brave as she struggles to reclaim what is rightfully hers. Fantasy lovers will be held in thrall by this tale full of visual detail, peppered with a formidable destructive force and sweetened with familial and romantic love.

Bewitching can be a beast. . . . Once, I put a curse on a beastly and arrogant high school boy. That one turned out all right. Others didn't. I go to a new school now—one where no one knows that I should have graduated long ago. I'm not still here because I'm stupid; I just don't age. You see, I'm immortal. And I pretty much know everything after hundreds of years—except for when to take my powers and butt out. I want to help, but things just go awry in ways I could never predict. Like when I tried to free some children from a gingerbread house and ended up being hanged. After I came back from the dead (immortal, remember?), I tried to play matchmaker for a French prince and ended up banished from France forever. And that little mermaid I found in the Titanic lifeboat? I don't even want to think about it. Now a girl named Emma needs me. I probably shouldn't get involved, but her gorgeous stepsister is conniving to the core. I think I have just the thing to fix that girl—and it isn't an enchanted pumpkin. Although you never know what will happen when I start . . . bewitching.
