"In the tradition of Tracy Chevalier's *Girl with a Pearl Earring*, Palombo has married fine art with romantic historical fiction in this lush and sensual interpretation of Medici Florence, artist Sandro Botticelli, and the muse that inspired them all." - Booklist *A girl as beautiful as Simonetta Cattaneo never wants for marriage proposals in 15th Century Italy, but she jumps at the chance to marry Marco Vespucci. Marco is young, handsome and well-educated. Not to mention he is one of the powerful Medici family's favored circle. Even before her marriage with Marco is set, Simonetta is swept up into Lorenzo and Giuliano de' Medici's glittering circle of politicians, poets, artists, and philosophers. The men of Florence—most notably the rakish Giuliano de' Medici—become enthralled with her beauty. That she is educated and an ardent reader of poetry makes her more desirable and fashionable still. But it is her acquaintance with a young painter,*

Sandro Botticelli, which strikes her heart most. Botticelli immediately invites Simonetta, newly proclaimed the most beautiful woman in Florence, to pose for him. As Simonetta learns to navigate her marriage, her place in Florentine society, and the politics of beauty and desire, she and Botticelli develop a passionate intimacy, one that leads to her immortalization in his masterpiece, *The Birth of Venus*. Alyssa Palombo's *The Most Beautiful Woman in Florence* vividly captures the dangerous allure of the artist and muse bond with candor and unforgettable passion.

Beautiful Girls is a dazzling debut collection about the secret lives of girls and women. The characters who inhabit Beth Ann Bauman's stories are the timid, the not-quite-fabulous, the public school Ophelias, who yearn for something grander than their current lot. These stories illuminate the search for love, friendship, connection, and identity. In "True," an exquisitely shy teenage girl tries to fathom the hidden secrets of beauty from a boy who's "the prettiest person in the entire school." A lonely divorcee in "Safeway" wanders the darkened aisles of a grocery store during a power outage, and becomes "certain a touch of rot had taken root in her heart...and that she still might live better." In "Wash, Rinse, Spin," a hapless young woman loses her laundry and must resort to the decrepit wardrobe she wore while working in B movies, as her dying father fades in her

"The most compelling, resonating novel I've read in years... A breathtakingly beautiful, yet heart-wrenchingly aching story that, despite its cruelty and humanity, uplifts the reader." - Omaha World-Herald
NEW YORK TIMES BESTSELLER It is 1968. Linnie, a young white woman with a developmental disability, and Homan, an African American deaf man, are locked away in an institution, the School for the Incurable and Feebleminded, and have been left to languish, forgotten. Deeply in love, they escape, and find refuge in the farmhouse of Martha, a retired schoolteacher and widow. But the couple is not alone-Linnie has just given birth to a baby girl. When the authorities catch up to them that same night, Homan escapes into the darkness, and Linnie is caught. But before she is forced back into the institution, she whispers two words to Martha: "Hide her." And so begins the 40-year epic journey of Linnie, Homan, Martha, and baby Julia-lives divided by seemingly insurmountable obstacles, yet drawn together by a secret pact and extraordinary love.

This is an intriguing and original examination of how issues of sex, race and nationalism get played out in US beauty pageants, and how pageants have tried to respond to large social and political change. She takes issue with those in Naomi Wolff's camp, as well as with conservatives.

Despite appearing in twenty-eight movies in little over a decade, Carole Landis (1919-1948) never quite became the major Hollywood star her onscreen presence should have afforded her. Although she acted in such enduring films as *A Scandal in Paris* and *Moon over Miami*,

she was most often relegated to supporting roles. Even when she played the major role in a feature, as she did in *The Powers Girl* and the film noir *I Wake Up Screaming!*, she was billed second or third behind other actors. This biography traces Landis's life, chronicling her beginnings as a dance hall entertainer in San Francisco, her career in Hollywood and abroad, her USO performances, and ultimately her suicide. Using interviews with actors who worked with Landis, contemporary movie magazines and journals, and correspondence, biographer Eric Gans reveals a tragic figure whose life was all too brief. Landis's big break came in 1940 with Hal Roach's *One Million B.C.* She appeared in thirteen Twentieth Century-Fox pictures between 1941 and 1946. In 1942-43, Landis entertained troops in England and North Africa in the only all-female USO tour. The trip led to her memoir, *Four Jills in a Jeep*, and a Fox movie of the same title. After her last American film in 1947, she completed two projects in England while having an affair with married actor Rex Harrison. Tormented by a love that could not lead to matrimony and depressed about growing older, she took a fatal drug overdose on July 5, 1948. Eric Gans is professor of French at University of California, Los Angeles. He is the author of numerous books including most recently *The Scenic Imagination: Originary Thinking from Hobbes to the Present Day*, and his articles have appeared in many periodicals. Interconnected stories of women of all ages. “If the fiction of Stephen King and Alice Munro had a literary love child, it might look like this” (The Washington Post). Moving along the Maine coast and beyond, the stories in *Goodnight, Beautiful Women* bring us into the sultry, mysterious inner lives of New England women and girls as they navigate the dangers and struggles of their outer worlds. With novelistic breadth and a quicksilver emotional intelligence, Noyes explores the ruptures and vicissitudes of growing up and growing old, and shines a light on our most uncomfortable impulses while masterfully charting the depths of our murky desires. A woman watches her husband throw—one by one—their earthly possessions into the local quarry, before vanishing himself; two girls from very different social classes find themselves deep in the throes of a punishing affair; a motherless teenager is sexually awakened in the aftermath of a local trauma; and a woman’s guilt from a childhood lie about her intellectually disabled cousin reverberates into her married years. Dark and brilliant, rhythmic and lucid, *Goodnight, Beautiful Women* marks the arrival of a fearless and unique new young voice in American fiction. “Anna Noyes’s stunning debut collection concerns girls and women struggling to break away, dealing with burdens like mental illness and neglect that threaten to transform and define them.” —The Wall Street Journal, “The Season’s Most Exciting Fiction Reads”
