Beautiful Disaster Francette Phal,2014-08-12 They created the game but eighteen year old Nicholas Grayson mastered the rules. They are young and entitled and utterly bored with their lives, so they play games to entertain themselves. They call it the bet and new girl Ellie Holbrook is their latest target. Ellie is not the kind of girl Nicholas dates, but she is pretty enough to be his next conquest and so he sets out to seduce her and claim a nice little prize at the end. But her seduction proves difficult when she openly rejects his advances. In his dogged pursuit of her he slowly finds himself in her small circle of trusted friends and meets her two year old daughter, Sophie. Life takes a startling turn for Nicholas when he realizes his happiness now lies with the young mother and her daughter. Falling in love with Ellie isn't something Nicholas ever thought could happen to him and he's completely frightened at how fiercely she makes him feel. But before he can further examine those emotions and clearly process them, enemies from Nicholas's personal circle of friends conspire to tear them apart and he must now decide whether their love is worth saving or allow his friends to take away the greatest thing that's ever happened to him.

Flawed Francette Phal,2015-02-06 You are this beautiful thing I want to destroy. Blood. That's the only memory he carries from a childhood he does not remember. And now it is all he knows. Blood is his life. Knox Bishop has done a lot of horrible things, all at the command of the man who holds his leash. It's a matter of loyalty for him. Allegiance to the man who saved his life when he was a child. So he goes where he is needed and does what he is told. He tortures. He kills. He kills. He tortures. It is an unrelenting cycle that he constantly craves and can never quite satisfy. Until her. Eighteen year old Lacey Barnes distributes her assets to fund her dreams. Medical school is the end game and she is determined to get there by any means necessary. But a family member's careless mistake derails her plans and now she must pay a price in order to save him. She goes to Knox willingly offering him the only valuable thing she has. Herself. In doing so he allows her into his world, a world she quickly realizes is void of any light and hope for escape is utterly elusive. But escape is something she finds that she no longer wants. He lays a path of pleasure laced agony for me to follow and I do. Stupidly I follow him down the blinding darkness of his euphoric hell. Fallen Too Far Abbi Glines,2014-03-04 Blaire Wynn left her small farmhouse in Alabama after her mother passed away to move in with her father and his new wife in their sprawling beach house along the Florida Gulf Coast. She isn't prepared for the lifestyle change and she knows she'll never fit into this world. Then there's her sexy stepbrother Rush, who's as spoiled as he is gorgeous: she knows he's anything but good for her and that he'll never be faithful to anyone.

Broken and Screwed Tijan,2016-05-26 Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her. This is part one, so expect a cliffhanger for an ending.

The Bet J. L. Beck,2019 I've always been known for bedding women and then breaking their hearts. It's just who I am. So when a bet I knew I couldn't lose was presented to me, I knew I couldn't turn it down. The rules were simple: draw a name from a hat, then seduce that woman-make her fall head over heels in love with you. I was sure it would be easy until I saw her name inked on the paper. Jules Peterson. My first love, my first kiss, and my first heartbreak. She was my former best friend until she left me when I needed her the most. Now, though? I'll make her pay. All that anger, hate, and heartbreak tainted me, and I plan to show her just how bad it hurt. She used to be my everything, but now she's just The Bet.

A sad and lonely existence for a young woman who had come to expect nothing more for herself. Her only happiness coming from making others miserable. Particularly Freaky Flynn. Flynn Hendrick lived a life completely disconnected even as he struggled to become something more than that boy with Asperger's. He was taunted and teased, bearing the brunt of systematic and calculated cruelty, ultimately culminating in a catastrophic turn of events that brought Ellie and Flynn's worlds crashing down. But then Flynn and Ellie grew up. And moved on. Until years later when their paths unexpectedly cross again and the bully and the freak are face to face once more. When labels come to define you, finding yourself feels impossible. Particularly for two people disconnected from the world who inexplicably find a connection in each other. And old wounds are never truly healed...and sometimes the further you try to run from yourself the closer you come to who you really are.

Well, now their parents' newly wedded bliss is wreaking havoc with both of their lives. Not that Conner is worried. He might be the new kid but he's never had a problem being the big man on campus. Until now. No one at this school seems to have gotten the memo that he's beloved. The girls aren't swooning and the guys are looking for any excuse to kick his butt back to California. When his stepsister throws out the challenge, it's a no brainer. If he can make head cheerleader Rosalie The Ice Queen Farlow fall at his feet, he'll have it all. But then again, if he wins the bet...he'll lose her. And what's the use of having it all if he loses the only thing that matters?
