Simple text and photographs depict the parts of flowers and their pollination.

Nearly a hundred poets from eighteen countries contributed more than 700 tanka to the anthology. The resulting mixture shows us the human condition is the same everywhere in the world. We work, we fall in love, we go to school, we shop, we travel, we worry, we worship, we fear, we aspire. We make homes and live dreams. Sometimes we are thwarted by illness, death, or crime. We have compassion for those less fortunate than ourselves, and when we are at our wit's end, we find spiritual sustenance where we least expect it: in the tattered beauty of a troubled world. In the end, we leave behind our poems as an anthology of the soul.

According to a recent study, only 2% of women describe themselves as 'beautiful.' (Dove Global Study 'The Real Truth About Beauty: A Global Report', 2004) The media instructs women how to 'look ten years younger,' 'cover up wrinkles,' or 'get fuller, plumper lips.' And even makeup products play off womens' insecurities, promising to conceal perceived flaws, define cheekbones, or make eyelashes fuller and longer. The underlying message? That there's something inherently wrong with the way women look and that they have to spend time, money, and energy keeping up with all the ways they should 'fix' themselves. In GET POSITIVELY BEAUTIFUL, makeup artist Carmindy from TLC's hit program What Not to Wear shows you how to change your mindset from negative fault-finding to a positive beauty philosophy. You learn how to find and focus on your best features and how to combat negative thoughts about your appearance. Carmindy demonstrates easy makeup techniques for eyes, brows, lashes, lips, cheeks, and skin, and how to adapt looks to different weather conditions and 'beauty moods.'

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 padfolio size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichs that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichs adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichs and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!). ***Benefits*** -We've taken 19 of the most ridiculous corporate clichs that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichs on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichs over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific clich and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death **NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN** • **NOMINATED FOR THE NAACP IMAGE AWARD** Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of "Uptown" to the mythical landscape of Purple Rain to the psychedelia of "Paisley Park." But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would

come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

NATIONAL BESTSELLER • The acclaimed Nobel Prize winner powerfully examines our obsession with beauty and conformity—and asks questions about race, class, and gender with her characteristic subtlety and grace. In Morrison's bestselling first novel, *Pecola Breedlove*—an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others—prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison's writing is "so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry" (The New York Times).

Sometimes, the things that a child hears about himself or herself is confusing to him or her. That is the case with the young boy in *Almond Eyes*. As a young child, he is constantly told that he has "beautiful Almond Eyes". He doesn't understand what this means until he asks his mother. She explains that his eyes are shaped like almonds because he is Korean. The boy then notices the different eye shapes of all of his friends. This is a wonderful book about celebrating the differences among friends.

Dr. William H. Bates discovered Natural Eyesight Improvement, 'The Bates Method'. His Experiments prove that tension in the outer eye muscles (oblique and Recti) disrupt, change the shape of the eye and focus of light rays in the eye resulting in; unclear close and distant vision, astigmatism, crossed, wandering eyes, cataract, glaucoma and other abnormal eye conditions. He proved that the outer eye muscles, (oblique) when relaxed, contracting, un-contracting normally change the shape of the eye to normal to produce clear close and distant vision. Relaxed ciliary, iris, tear gland and other inner, outer eye muscles also function correct, produce clear vision, healthy eyes. Mental, emotional strain, tension, using the eyes incorrect is the main cause of outer eye muscle, eye tension and unclear vision. Dr. Bates proved that relaxation of the mind, body, outer eye muscles results in a return of the eye to normal shape with correct focus of light rays in the eyes, on the retina with clear vision at all distances, removal of astigmatism and other eye problems, keeps the eyes healthy with normal circulation, eye pressure, correct function of the optic and other eye, visual system nerves. Abnormal pressure, tension, pulling on/in the eye, lens, retina is removed. The eye muscles; outer (oblique, recti & muscles for blinking, tears...) and inner (ciliary, iris... muscles near and attached to the lens) function correct producing perfect; convergence, accommodation for clear close and reading vision, divergence, un-accommodation for clear distant vision. Shifting 'eye movement' with Central-Fixation (central vision) and function of the retina, lens, brain, entire visual system are perfect. A few of Dr. Bates older articles were based on the beliefs of most Ophthalmologists. As Dr. Bates cured his own vision naturally, treated his patients, performed experiments on the eyes, eye muscles, nerves—he changed his view on accommodation and other eye functions. He then practiced, applied natural eye, vision treatments without the use of eyeglasses, surgery, drugs. This is the origin of Natural Eyesight Improvement. Dr. Bates recorded all his natural treatments, work in his Clinic in New York City, U.S.A. and other hospitals, locations during his lifetime in his book 'The Cure Of Imperfect Sight By Treatment Without Glasses' & 11 years, 132 Issues of his Monthly Better Eyesight Magazine. Eyeglasses are often prescribed unnecessarily or 'too strong' (over-corrected) due to temporary nervousness, pressure to hurry, limited, incorrect eye, head, neck, body movement during an eye exam. Eye doctors also prefer to prescribe an 'extra stronger strength' to the eyeglass lenses. All eyeglasses, especially strong eyeglass lenses, bifocals, astigmatism lenses, sunglasses cause fast, increased vision impairment and prescriptions for stronger eyeglass lenses. This leads to increased vision impairment, cataracts and other eye health, vision impairment. Dr. Bates' Book, Better Eyesight Magazines and 20 Natural Eyesight Improvement Books are Free in E-Book form with this book, on our website; <https://cleareyesight-batesmethod.info/>
