Eva Scrivo has worked with thousands of women over the years and knows firsthand that beauty is a learned skill that is within everyone's grasp. Approaching beauty as a whole and each person as an individual, *Eva Scrivo on Beauty* opens your eyes to a world of possibilities and provides the tools for attaining the looks and confidence you've always dreamed of. This is a definitive guide to gorgeous hair, glowing skin, beautiful makeup, a healthier body, more positive self-image, and a stronger fashion sense. By debunking common myths, simplifying professional techniques, translating industry terms, and sharing insights gained from years of experience, *Eva Scrivo on Beauty* not only teaches you the rules, it shows when to break them in order to create your own personal style. Consider this book and its author to be a beauty support system and lifestyle coach—a source of inspiration and a place to find both knowledge and encouragement. *Eva Scrivo on Beauty* gives you the virtual experience of sitting in Eva's chair at her salon and provides guidance on topics such as: Designing the right haircut for your features and lifestyle. Selecting hair color to complement your skin tone and add dimension to your cut. How to give yourself a salon-worthy blowout. Understanding what part of your beauty routine can be done at home and when to invest in the services of a skilled professional. Finding and effectively communicating with a good stylist. How the right eyebrow shape and color can change your entire face. Effective beauty routines for the morning, nighttime, and in between. Beauty foods that nourish your hair and skin. Overcoming the negative impact that stress has on your looks. Making smart fashion choices to pull it all together. And much more!

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Entrepreneurship is becoming a sought after profession these days. More and more people get attracted to this due to varied reasons. The activities one needs to take up to form the enterprise, the factors to consider and the other related aspects remain by and large similar or same. Some typical needs for forming the enterprise and starting the operations require one to define the type of business entity, get funding, making the necessary business plans, getting ready with the go-to-market strategy and so on. While people use the trial and error method, many times, a successful role-model will motivate the budding entrepreneur more than anything else. Thus, this book is an attempt to provide all the details for becoming an entrepreneur including ideation, proof of concept, design of the organisation, making the business plan, options for funding the business and role-models for looking up to. Becoming a Woman Entrepreneur can serve as a starter and become a handbook for a well-intentioned entrepreneur.

My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in your hands compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way. Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!

A common sense New Age guide to using your mind effectively to improve your life.

Google, Microsoft, Apple, Starbucks, and Wal-Mart are "category killers." Why? One key to their astounding success is that they have mastered the art of creating highly attractive partner and customer value propositions. They have all built their business on the principles and practices of Partnership Marketing to offer superior products, create long-term distribution opportunities, new revenue streams for their businesses, and increased brand awareness on a world-wide level. Developing an affiliation with the right partner allows both parties to realize successes that they could not have otherwise achieved on their own by transforming their individual strengths into mutual performance. Whether you're an entrepreneur working to expand your customer base and increase value or a corporation looking for cost-effective ways to stimulate growth and brand-presence on a tight budget, Partnership Marketing is a practical in-depth guide to this core business concept. A powerful strategy in good times, partnership marketing is an excellent way to gain competitive advantage and grow your business even in tough, recessionary economic conditions. As marketing resources are being slashed everywhere, coupled with employee lay-offs and cutbacks to existing programs, partnership marketing is a creative way to do more with less. Partnership Marketing provides the complete how-to of collaborating successfully with other organizations, including: how to align PM objectives to your resources; how to assess what you have to offer a partner-brand and how to leverage your core strengths; how to search for the right partner-brand; how to assess the pros and cons of partnering with other brands; and much more.
