

Becoming One A Story Of Triumph Over Dissociative Identity Disorder

By late 1936, the worst years of the Great Depression are over. Wealth has created new opportunities for Minnie: a beautiful home in California, a luxury car, the yearning desire by a handsome lieutenant, and the family's summer retreat, which draws her like a magnet. Secrets abound. A hidden bohemian community of writers, poets, artists, and escapists is scattered across the shifting, coastal dunes near the cottage. In contrast to the seclusion of the cottage, Minnie's screenwriter cousin introduces her to the intrigue and excitement of Hollywood. Dwayne warns her about the "ruthless" characters willing to do anything to satisfy their lust for fame, fortune, and forbidden pleasures. A crisis forces Minnie to return temporarily to the South and the plantation. Hospitality greets her, but her guard remains razor sharp. Some past grudges will only be settled by the gun. Only Minnie's character will determine her future.

Becoming One is an overview of many religious persuasions which teach about the concept of Oneness. It is also a step-by-step guide to Becoming One in body, mind and spirit which ultimately is our journey toward God. Becoming One includes scriptural references from many familiar religions including Gnostic and Modern Christianity, Mormonism, Toaism, Hinduism, Judaism, Kabbalism, etc. which help to define the intellectual word part of a 3-part formula for Celestial Integrity. Becoming One also includes appropriate symbols and therapies which access the spritual and physical elements of this 3-part formula for Celestial Integrity. You will not only read about oneness from multiple viewpoints, but you will be taken on a journey toward God and experience Becoming One.

International development programs strive not only to alleviate poverty but to transform people, aid workers and recipients alike. Becoming One grapples with this process by exploring the work of OISCA*, a prominent Japanese NGO in central Myanmar. OISCA's postwar origins at the intersection of Shinto, secularism, and rightwing politics, and its vision of inter-Asian solidarity and a sustainable future helped shape the organization's ideology and activities. By delving into the world of its aid workers—their everyday practices, discourses, and aspirations—author Chika Watanabe seeks to understand the NGO's political, social, and ethical effects. At OISCA training centers, Japanese and local staff teach sustainable agricultural skills and organic farming methods to rural youth. Much of the teaching involves laboring in the fields, harvesting produce, and caring for livestock: what they can't use themselves is sold at nearby markets. Watanabe's detailed and multi-sited ethnography shows how Japanese and Burmese actors mobilize around the idea of "becoming one" with Mother Earth and their human counterparts within a shared communal lifestyle. By exploring the tension between intentions and political effects—spanning environmentalism, cultural-nationalist ideologies of "Japaneseness," and aspirations to make the world a better place—Watanabe highlights fascinating questions and both positive and negative outcomes. Becoming One weaves together vivid descriptions of the intensive, intimate, and "muddy labor" of "making persons" (hitozukuri) with the wider historical resonances of these efforts, decentering common understandings of development, NGOs, and their moral and political promises. This engaging and thought-provoking book combines insights from anthropology, development studies, and religious studies to add to our understanding of modern Japan. *Organization for Industrial, Spiritual and Cultural Advancement

If you truly love Allah, you will die for him. Your death will mean much reward for you and your family in heaven. Only death will prove your love. It was the final test. A chance to win not only the love of Allah, but the love of her father—something she had never been able to earn. Esther took a deep breath and raised her hand in the air. At the age of eighteen, she had just volunteered to become a suicide bomber. Defying Jihad is the true story of a girl growing up under radical Islamic rule, trained to believe her ultimate purpose was to serve Allah by dying as a jihadist. But two nights before she was to leave forever, she had a dream . . . one that would change the course of her destiny. Against all odds, Esther became a follower of Jesus—even though leaving Islam meant her death sentence. But rather than kill her immediately, Esther's furious father challenged her to a series of public debates with Muslim scholars: the Bible versus the Quran. If Esther won, she might yet survive. But if the Muslim clerics won, Esther must renounce her Christian faith. For an entire month—if she lived that long—Esther would be brought before the mob daily to defend her newfound faith. Would God give her the words to argue against Muslim leaders, former friends, and even her own family? Defying Jihad is an amazing story of a woman prepared to surrender all for Jesus—and whose life transformed from terror to overwhelming love.

Open the pages of this book and learn how to experience exciting intensity in your sexual relationship, deeper levels of closeness on an emotional level, and the most fulfilling intimacy of all—spiritual ONEness. With God's help you can make your marriage all it should be and all you crave it to be—no matter what it's like now. Men want action. Women want feeling. From day one they're set up to misunderstand each other. Sometimes you must tell your mate the things you've done wrong, and sometimes you are much better off not to tell. The secret of a strong and intimate marriage is knowing what to share and what to leave buried. If you're in conflict over sexual desires—one wants to do something other doesn't—there is a logical and spiritual way to satisfy you both. As you grow closer to God, you will grow closer to each other.

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

All fiction is character-driven, according to William Bernhardt. How can you use characters to create dynamic fiction that will captivate readers? This book explains the relationship between

character and plot, and how the perfect melding of the two produces a mesmerizing story.

The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius": * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime. * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking. * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas. * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.

More and more classrooms across the country are filled with children who speak languages other than English. In these diverse classrooms, many teachers struggle with how to create reading and writing instruction that is appropriate for their English language learners. In *Becoming One Community*, Kathleen Fay and Suzanne Whaley provide expert guidance on helping students who are just learning English develop their voice and skills within reading and writing workshops.--JoAnn PortalupiWritten for the general classroom teacher whose class includes English language learners (ELLs), as well as for ELL teachers working in general classrooms, this book portrays ELL students in grades 3-6 who learn essential reading and writing skills and are full members of the classroom community. Throughout the book, Kathleen and Suzanne emphasize the importance of talk. By talking during science workshop, after read-aloud, or when sharing an idea with a partner, ELLs use language authentically and, in using it, become more adept speakers, readers and writers of English. Included are: classroom scenes with dialogue in whole-class and small-group settings; authentic one-on-one conferences with readers and writers at varying levels of English language proficiency; reflection by the teachers before, during, and after teaching; scenarios from inclusive classrooms and descriptions of teachers' decisions which enable them to be successful learning environments. This is not a quick how-to guide. *Becoming One Community* provides many practical examples of diverse classrooms at work and embeds theory on English-language development throughout. It gives teachers a repertoire of ideas to meet the needs of ELL students in their classroom but ultimately trusts in the teacher's own skills to best know their students and appreciate their innate intelligence.

A life of peace, happiness and calmness is in your power. Do you find yourself constantly stressed about the little things? Do you feel like you get attached to people too quickly? Are you easily annoyed or irritated by others? The path to acceptance, release and liberation is here. This book is your complete guide on how to live a happier more meaningful life. FREE BONUS Included Right After Conclusion - HURRY before it's gone! Publisher's Note: This expanded edition of *Letting Go* includes FRESH NEW CONTENT to better help you discover the peace to happiness and harmony. This book contains proven steps and strategies on how to release stress, manage attachments and how to live a fuller and healthier life. These vital teachings will make you enormously better equipped to take on all that life throws at you, and ultimately lead a life of happiness and fulfilment. Have you wondered why we hold on to problems and memories which serve no good purpose other than reminding us of how sad, lonely and hopeless we are? We hoard the memories which have no significant value other than giving us the feeling of failure. Replaying past mistakes which remind us of the pain, shame and regret take up most of the space in our brain. We have an attachment to hold on to all the frustration and worry in our lives. We often equate worry with responsibility, as if because we have responsibility we automatically have to worry. This book will lead you to the path to finding yourself, developing a fresher outlook on life and to understand how to deal with stress, anger and attachments. Learn what it takes to fully embrace life and let go of the self-created frustrations. Discover techniques to handle some of the challenging situations with a clear, calm mind and make conscious and reliable decisions. This book will not only let you feel more comfortable in your skin, but will also make you a happier person. Most importantly, you will have the ability to let go of non-beneficial thoughts and move on with a renewed sense of living. Here is a Preview of What You'll Learn... How to Unveil the Best in Ourselves Understand What Attachments Are & How We Can Release Them Explore Our Attachment to People, Relationships and Situations How Frustration Develops & Techniques to Release Tension How Our Perspective Shapes Our Reality How to Identify Harmful Environments & Methods to Change Them Proven Strategies to help us Become More Present How to Release Anger Effectively Fundamental building blocks in How We Become a New Person Much, much more! Check out What Others Are Saying.. "This is one of the best self-help books I've read. It actually made sense and addressed what it said it would do, which in my opinion is a rarity in these types of books. Like any self-help book, you must read it smart and not take everything the author says as gospel, but see how much of it really applies to what you are looking for. I highly recommend it for anyone hanging on to a lot of old hurts and struggling to get past certain portions of their life. If you have 'stuff' back there that is hindering the here and now, then I highly suggest it.- Audrey, August 2015 Live the life of happiness, peace and fulfilment that you deserve. LIMITED TIME BONUS OFFER: A sneak preview of Bestselling book 'Mindfulness for Beginners' included for FREE! Why wait? Click on the orange 'Buy Now with One Click' button on the top right hand corner of the page to purchase your copy today!

Pain is inevitable, universal, and for over one hundred million Americans, it's nearly constant. Chronic pain can be a miserable existence, but it doesn't mean we have to become miserable people. With his own chronic pain ailin him, pastor Craig Selness speaks and writes about pain using a Biblical perspective on living well. The good news of the gospel is that we can continue to do good - to be kind and gracious and loving and hopeful - despite physical struggle. His thoughtful, honest, and scriptural words will encourage anyone who hurts or loves someone who does.

The epic tale of Grandmaster Sin Kwang The ?s extraordinary struggle and ultimate triumph to become the youngest Grandmaster in history. "The Last Grandmaster" artfully weaves the legendary stories of historic martial arts heroes with the Grandmaster's own life story, set against many riveting events in the history of modern China.

What if you knew all the moments of my past that I am not proud of? What if you really knew me, the messy parts that I've hoped to forget and worked hard to conceal? For so long, my greatest fear was

what you might think of me if you only knew the whole story. It's exhausting, this guarding of our stories and struggles. Fear of being found out had caused me to hide—but I wasn't just covering my flaws, I was unintentionally blocking the beauty of God's grace. My journey to real freedom began when I quit running from my mess and started trusting Jesus to make something beautiful of it. This book is that story. It's stepping out of shame and insecurity into gospel freedom. It's letting God turn our failures and frailties into testimonies of His faithfulness. I've discovered that when we quit hiding, God gets the glory and we are able to fully embrace not only our relationship with Him, but also with one another. Transparency brings freedom, and in every moment, we'll find that God can absolutely be trusted. How do we reconcile the death sentence - specifically, a sentence of death that was pronounced on the 8th of May in 1987 - with our marriage, and more importantly, with eternallife? In order to answer this question, we need not only to lookback, but especially, to look forward. Before we were joined in marriage, we were two people from two extremely divergent backgrounds. Frank, the only child born to affluent parents, had a childhood of privilege; Rachel, the only daughter of a couple who later divorced, had a childhood racked with difficulties. In spite of the difficulties, Rachel became "one of us" - a hard-working American with a kind and gentle heart and a rock-solid belief in God. Despite the privileges and the affluence, Frank's "choices" - some that he made and some that had been foisted upon him - led him down the dark trail that ended, eventually, on Death Row in an Arizona prison. The stories of our lives are the stories of the two very different people, who, several years after the death sentence had been pronounced, were married on December 17, 1991. They are the stories of how Rachel became "one of us" and of how Frank's "choices" led him so far astray. They are the stories of how we met and married; but they go further, for they are the stories that explain how each of us discovered Orthodoxy and came to be Eastern Orthodox Christians, and especially, of how the trajectory of our lives has so completely changed. Merely being Orthodox Christians can never be enough; we have learned to lead lives of prayer, repentance, and most of all, hope. With our hope firmly grounded in our risen Lord and Savior, Jesus Christ, we look forward to life in Him, because only in Him are all things possible. We must emphasize that we did not "become one" upon our marriage, but years later. Through our individual life experiences and through our shared experiences, we have learned, at last, what is meant by "And The Two Shall Become One". At the request of clergy near and dear to us, we offer these, first, our individual and then, our shared experiences to the scrutiny and prayers of all who read them. And we pray, always for the salvation of all.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, she helped create the most welcoming and inclusive White House in history. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private.

A family in pain, desperate to find out what is ripping apart their once tight-knit group, turns to therapy for answers... but, as the initial four-hour session moves ahead, more and more secrets are revealed. Will these secrets rip this family apart forever? Can therapist Victoria Fields lead them back to each other and the peace and happiness they once enjoyed as a family?

According to Thomas Metzinger, no such things as selves exist in the world: nobody ever had or was a self. All that exists are phenomenal selves, as they appear in conscious experience. The phenomenal self, however, is not a thing but an ongoing process; it is the content of a "transparent self-model." In *Being No One*, Metzinger, a German philosopher, draws strongly on neuroscientific research to present a representationalist and functional analysis of what a consciously experienced first-person perspective actually is. Building a bridge between the humanities and the empirical sciences of the mind, he develops new conceptual toolkits and metaphors; uses case studies of unusual states of mind such as agnosia, neglect, blindsight, and hallucinations; and offers new sets of multilevel constraints for the concept of consciousness. Metzinger's central question is: How exactly does strong, consciously experienced subjectivity emerge out of objective events in the natural world? His epistemic goal is to determine whether conscious experience, in particular the experience of being someone that results from the emergence of a phenomenal self, can be analyzed on subpersonal levels of description. He also asks if and how our Cartesian intuitions that subjective experiences as such can never be reductively explained are themselves ultimately rooted in the deeper representational structure of our conscious minds.

You want inspiration on your next step in life? To delve into the deeper meanings of this journey and experience a paradigm shift of perspective in tune with the Universe. To feel a kindred spirit resonance that authentically interconnects to your own journey. This book has profound, insightful, intriguing, funny, mystical, magical reminders immersed with a colorful journey intertwined with wise guidance to awaken us to a more loving way of perceiving and living life. Readers have deemed this a must-read book. A paradigm shifter. Answers on every page. A guidebook to be called upon for inspiring reminders throughout the journey.

Whether you need a little inspiration or a completely new life direction, Your Illustrated Guide to Becoming One with the Universe provides you with the necessary push to find your true path--and a whimsical adventure to enjoy on the way there.

Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses

to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

A compelling romantic suspense story, a can't put down read that's more taboo than 'Fifty shades' **CONTENT WARNING: Due to mature content, recommended for readers aged 18+** A Naive Heart is a gripping romantic suspense that contains graphic and taboo sex scenes, relatable for all readers who enjoy new adult romance, contemporary romance, erotic romance and women's fiction. When Sarah meets and falls in love with John, a gentle school teacher, she couldn't be happier. But only weeks before their wedding, she learns he is a man with a secret. Broad-minded and undaunted, she still goes ahead with the big day. But there is yet worse to come for Sarah, as soon into their marriage the real Johns begins to evolve. She starts to grasp the true sexual nature of the man she married. He is clearly not the person she thought she knew and trusted. With each new discovery their relationship disintegrates a little more, but swearing his undying love and promising he'll never over indulge his fantasies again, Sarah desperately wants to believe him. And so she becomes determined once more to support her man and their fragile relationship. Johns control, however, weakens and he is consumed by his desires forcing him to lead a double life and fall further into the deepest of obsessions. His surreptitious behaviour hides an even bigger secret. The deception, devastation and hurt all come to the fore on their wedding anniversary when Sarah comes home early from work to surprise John. Heartbroken, she wonders if she or indeed their marriage can survive the journey her husband has embarked them upon. Based on a true story all names and places have been changed to protect the innocent and the guilty.

The most outstanding benefit that you will receive from studying and applying the information in this book is that you will change what you believe you can do. Your belief about yourself will grow and that is huge. Back in 1900, William James (Harvard) said "Believe in your belief will create the fact." This is what enabled Kathleen Cameron to make an immediate shift in her income from average to millions. Study this. Now you can too. Becoming "THE ONE" Will quickly shift your perception of what you are truly capable of accomplishing in any and all areas of your life. Will cause you to look at money in a totally different way and you will begin to understand why all the great leaders have clearly told us there is no limit to what you can earn. Will bring your order to your mind and will enable you to take care of whatever condition or circumstance may arise in a calm, confident manner. Will begin to turn caring and sharing into your habitual behaviour. Will turn every day to a good day by beginning the day with gratitude.

Emma Alexander has been living in San Diego the past eight years building her career. She's only been home once during that time. When she rushes home to deal with a family tragedy, she discovers small towns have long memories. Circumstances force her to deal with the reason she stayed away so long. Now she must decide between the life she left behind and the one she's secretly yearned for. Jack McElroy has been in love with Emma since they met their freshman year of college. The last four years of living in San Francisco have been torturous for him, being away from her. When her promotion moves her north, fear of ruining their friendship tempers his desire to show her how he truly feels. Will he be able to profess his love for her or will her ex-fiancé beat him to the punch?

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

Books about Multiple Personality Disorder have usually been written by mental health professionals as texts or case studies. Now, in Becoming One, author Sarah Olson has allowed us the rare privilege of entering her internal world as she journeys from fragmentation to wholeness. Two little girls, the author and her sister, were routinely terrorized and assaulted over a period of years by a family friend. One grew up closed and withdrawn, the other angry and self-destructive. And, most painful of all, their common suffering resulted in estrangement from each other. Becoming One began as Olson's attempt to provide a written account of her memories for her sister as a possible means of reconciliation and family healing. Olson argues that Multiple Personality Disorder (recently re-christened Dissociative Identity Disorder), rather than being a form of insanity as is popularly believed, is actually a brilliant coping mechanism relied upon in the most desperate of circumstances. It is nearly universally associated with severe trauma suffered by very young children and reveals a highly creative, terrified young mind doing whatever needs to be done to survive in an untenable world. The author's courage and generosity in candidly sharing her remarkable experiences afford an invaluable understanding of the effects of severe childhood abuse, and provides important insights into the world of dissociation. Through selected journal writings, letters, and transcripts of recorded therapy sessions, she highlights the role psychotherapy played in her recovery. Here is at once a highly personal look into an individual life, the dynamics of a troubled family, and the healing power of the therapeutic process.

Praise for DREAMING DANGEROUSLY 5 out of 5 star reviews: Once I read the first page, I couldn't put it down until I finished it. Dreaming Dangerously is a book I would recommend to anyone to read... the Author is skilled. -Dominique, Goodreads.com It really just blew me away how much I loved reading this book. Chani, Goodreads.com I loved Dreaming Dangerously. Mind reading is one of those things not all authors can write about. Dreaming Dangerously is a book I would highly recommend. - Kris Spor, Amazon customer Overview of DREAMING DANGEROUSLY: A teen mind-reader tries to keep her secret

from the gossips at her high school. A popular boy who finds out. Her nightmares start to come true. She must learn to trust him before it's too late to stop the tragedy that awaits. FOR ANYONE WHO WANTS YOUNG ADULT SCIENCE FICTION/FANTASY and can't get enough of Hunger Games, and Evermore, then you must read DREAMING DANGEROUSLY as your next YA thriller!! Other works by Kathleen Suzette Harsch: DARKNESS DESCENDS, book 2 of the Children of the Psi series is out now!

Recounts how the author, after realizing the daunting state of his health at age forty, overcame physical challenges and alcoholism over the course of two years while training for Hawaii's elite Ultraman competition.

Prepare for the ultimate erotic LitRPG experience! Five years ago, the world Changed. People transformed into fantastical Races, gained powerful and mystical Classes and could look up their Status at any time. However, while the world became disrupted by dungeons and mythical creatures and unlimited physical and mental potential, humanity mostly stayed the same. People - no matter their new Races and powers - went back to work, and the world continued on as if it was just another day. Honoka Jefferson is one of those people that Changed, but her life mostly stayed the same. Same boring job, same small and shapeless body, same non-existent social life, same tendency to make puns and quote old movies. Only now she had a sixteen-inch futanari cock! An architect working in Boston, all she wants is to figure out how to level up her Class and become something more than boring. If she can't obtain normal, she'll settle for turning into something MORE than normal. When a chance encounter leads to finally unlocking her powers, Honoka finds she might have gotten more than she can handle.-----WARNING: this is a work of erotic fiction and intended for adults. Themes include a monster girl lesbian harem, futa/female couplings, LitRPG/GameLit elements and lots of female growth (BE, FMG, GTS, etc). Seriously, this is not a run-of-the-mill harem novel: THERE IS A LOT OF SEX AND FETISH GROWTH/TRANSFORMATION!! The story contains some traumatic content.

Blended families have become almost a norm in America today and they present big challenges. Steve and Donna Houpe survived these challenges of making two families come together. They answer the tough questions with the love and hope families need.

Becoming One A Story of Triumph Over Multiple Personality Disorder Trilogy Publications

In this book you will read how a successful man, married to a strong and beautiful woman, with a great family, who had an amazing career and lived a life that most people would die for, would come out as transgender at 63 years old. You will enjoy reading a lot of funny and interesting stories in the book. Like when she almost burned the firehouse down that she worked at, or how she snuck into the 1980 Winter Olympic USA-Soviet Union hockey game, or while rescuing someone in a raging fire the woman she was rescuing said to her, "It's about time you fuckers got here." She also recounts how as Chief Financial Officer of American Ski Company, she helped to take them public on Wall Street. Her memoir will make you think, laugh and maybe even cry. It might also leave you in amazement. You won't be bored while waiting for 66 years of her life to be told because her life hasn't been boring, but rather, very interesting. She would be hard pressed to not find something to write about in a career that included 60 jobs, occupations, businesses owned or management positions. She tells of her life journey and eventually coming out as a trans-woman to friends and family. She speaks to the amazing acceptance she has been fortunate to receive and the hurtful rejection she's experienced. She hopes it will end your curiosity as to what being transgender is all about. This story describes her raw human emotions and what it is like to hide something about yourself from family and friends for 55 years and then finally telling everyone! It has been proven to her thru this journey that people can change and reach self-actualization. Her reality has helped her to develop a personal mission statement, which is: To educate and enlighten people about the trans community by setting a good example and do so, one person at a time. She hopes that after you've read this book you will be able to say, "Cami, you succeeded."

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kunlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

Being different from the masses is one of the greatest gifts that you possess! Let's face it: Who wants to be just like everyone else? Talk about boring! People come in all shapes and sizes and are born with natural and unnatural gifts and talents like no other, and your greatest challenge is to discover your gifts and then apply them to the world to create a better place, a better planet, a better universe! That is my challenge to you so that all of us can get along peacefully and become truly a population of one. I would like to ask you some questions to help you discover what makes you unique, different, and awesome. Are you different? Are you unique? Do you look different than others? Talk differently than others? Do you walk differently than others? Have you been born with talents that very few others have? Have you been brainwashed to look at your talents as a disability? Do you stay up nights dwelling on all the things in life you don't have, rather than focus on all the blessings you do have? Have you ever been bullied at school, at home, and in many areas in your life? Have you ever been called a retard, dumb, disabled? If you have answered yes to any of these questions, perhaps you have yet to understand, accept, and apply your unique gifts to make the world a better place. If you have answered Yes to any of these questions, I feel your pain, I have walked in your shoes, and I can empathize with your situation. I have been bullied, called a retard, told that I am disabled, put in special classes, advised that I should not expect to reach my goals. My name is Tyler McNamer and I have been called ALL of the above many, many times in my life. I am nineteen years old and have been blessed with autism my entire life. I have chosen to accept my label of autism not as a disability but as an extraordinary ability and I want to help you overcome the label that you may have suffered from for many years of your life. So what is autism? The dictionary defines autism as a mental condition, present from early childhood, characterized by great difficulty in communicating and forming relationships with others. Also, it is defined as a mental condition in which fantasy dominates over reality. So just how many people today are affected by this condition? According to a recent WebMD study, 1 in 88 kids today has autism and for boys the numbers is 1 in 54. Also you might be surprised to learn that since 2002, autism has

increased by 78 percent. Let's put those numbers in perspective. A high school with 1,000 students enrolled is going to have 11 students with this condition, and a bigger high school with 2,500 students is going to have 28 students with autism. So, now that you know more about autism, let me highlight some of the things you will learn by reading this book since I want to assure you that this book is not just a book about autism it is a book about how we can all live together in harmony regardless of our differences. In this book, you are going to learn that, despite our differences and diversities, we can get along and become a population of one to serve others. In this book, you will learn the importance of becoming the leader in your own life, following your dreams. You will learn to focus on your blessings instead of being discouraged by your challenges. In this book, you will learn to embrace change and continue to learn for a lifetime. In this book, you will learn what it is like to be blessed with the unique ability of having autism. You will learn how not only to cope with your gifts, but to thrive in life and pursue your goals despite your challenges. In this book, you will learn how to turn your ability into a blessing to serve others

Unlock time-tested secrets for building strong marriages with practical pointers on resolving conflict, developing intimacy, and much more. Couples will learn to strengthen, repair, or prepare for marriage that will last a lifetime.

This is the updated 2014 edition of the 1997 paperback "Becoming One: A Story of Triumph Over Multiple Personality Disorder," ISBN 978-0962387982, by Sarah E. Olson. It includes a 2014 Addendum, a new Foreword by Howard Asher, Psy.D, a new resources page, and a complete index. Two little girls, the author and her sister, were routinely terrorized and assaulted over a period of years by a family friend. One grew up closed and withdrawn, the other angry, self-destructive, and dissociated. Most painful of all, their common suffering resulted in estrangement from each other. "Becoming One" began as Sarah Olson's attempt to provide a written account of her memories for her sister as a means of reconciliation and healing. "Becoming One" documents Sarah's four-year process of discovery and recovery from Dissociative Identity Disorder. Utilizing letters she wrote to her therapist, Howard Asher, Psy.D, and transcripts from key audiotaped therapy sessions, Sarah created a book which offers a model of healing and hope to survivors of childhood sexual abuse, whether or not they personally experience dissociation. The author's courage and generosity in candidly sharing her remarkable experiences provides important insights into the world of dissociation. This book is a highly personal look into an individual life, the dynamics of a troubled family, and the healing power of the therapeutic process. Praise for "Becoming One" (from the 1997 edition, ISBN 978-0962387982, format: paperback): "Sarah Olson has written a fascinating account of her amazing healing journey and the mind's creative capacity to surmount unimaginable horror. Everyone can benefit from this inspiring book." - Lynne D. Finney, J.D., M.S.W., Author of "Reach for the Rainbow: Advanced Healing for Survivors of Sexual Abuse" "Becoming One" is a hopeful book which both dignifies people with Dissociative Identity Disorder, and sensitizes the rest of us to what that means and what can be done. Highly recommended." - Midwest Book Review "Piecing Sarah back together is like piecing a puzzle or mosaic together. Once all the pieces are in place, you are left with a beautiful image. Sterling work." - BeatleBangs1964 VINE VOICE "This book gives incredible insight into the work required by both the therapist and the patient with DID. ... I recommend "Becoming One" for both therapists and for those who continue to suffer from Dissociative Identity Disorder." - Meowzer "Wonderful book for a reference for my classes." - Wild Blue "In process myself and working through much of what Sarah describes, I could only say that I feel validated and believed, and perhaps for the first time, understood, by someone else." - raysemma

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

SYNOPSIS This book is about The Life, The Pain, and The Glory of Shakur (Coy Boy) McNish, growing up in the streets of South Philadelphia and migrated to West Philadelphia for a new way of life, but things didn't work out the way his mother Judy has planned. Shakur was associated with a lot of Street Legends in Philadelphia, New Jersey and New York and was sent to prison on a Federal Indictment. He realized that there was no more love or loyalty in them streets, so he decided to give up that lifestyle and become one of Philadelphia's successful corporate businessmen. He exposed many secrets in this book about certain individuals. He also shares certain events that he attended with some of his celebrity friends such as, State Property's own Rapper "Beanie Sigel." "Everybody wants to know "Who Is He," His Life, His Pain and how he turned it into His Glory! His Story is a must read for all those who can't seem to "Think Outside The Hood"! THE GAME IS DEAD! Mother Earth is warning that now is the time for life to change. In this narrative, written from her perspective, her twelve children have begun acting selfishly and inhumanely. She saw an increase in war, hunger, injustice and inequality. Her children were also harming the environment by polluting their planet and letting it become sick. In response, she sent out birds as messengers to observe and help her children as they learn the truth of their Divinity and their Oneness with Life. So begins The Spiritual Call to Become One, which seeks to usher in the Spiritual Truth of the Divine Light within Life. The Time of Change—an epoch of history predicted by author Tod William in ancient Atlantis—reveals that after a war in Pakistan, humanity will choose Peace and become one. With alien technology, humanity will travel the stars. The Divine Light within Life will guide humanity forward to greatness, and the Highest Source of Light will be given to Life. The Spiritual Call to Become One reveals Spiritual Truth as it has been channeled through Tod William, the reincarnation of an oracle from ancient Atlantis.
