The Bedford Introduction to Literature 8th Ed + Writing About Literature Michael Meyer, Janet E. Gardner, 2008-04-14

Compact Bedford Introduction to Literature, 8th Edition & Writing about Literature, 2nd Edition & Literactive Michael Meyer, University Janet E Gardner, 2008-10

The Bedford Introduction to Literature Michael Meyer, 2008 The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections including humorous works and readings from popular culture that students both enjoy and respond to. Complementing this unparalleled collection are proven editorial features that offer students real help with reading, appreciating, and writing about literature. The Bedford Introduction to Literature is a book designed to bring literature to life and to make students life-long readers. - Publisher.

The Compact Bedford Introduction to Literature Michael Meyer,2008-02-04 The Compact Bedford Introduction to Literature is designed to bring literature to life — and to make students lifelong readers. As an instructor of literature and writing, editor Michael Meyer understands that a particular challenge in today's classroom is that students may not see literature as relevant to their lives. They may have difficulty reading it critically and lack confidence in their writing skills. With these factors in mind, Meyer has put together a lively collection of literature drawn from many periods, cultures, and voices, with an excellent representation of contemporary authors, women authors, and authors of color. These works are presented with more than a dozen chapters of critical reading and writing support, and a generous helping of sample close readings, writing assignments, and student papers. And, because everyone teaches a little differently, the book offers more options for working with the literature than any comparable anthology — including in-depth chapters on major authors and case studies on individual works and universal themes.

9781319088606). Get the most recent updates on MLA citation in a convenient, 40-page resource based on The MLA Handbook, 8th Edition, with plenty of models. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to request a custom ISBN. The Compact Bedford Introduction to Literature is a best-seller for a reason: It brings literature to life for students, helping to make them lifelong readers and better writers. Classic works drawn from many periods and cultures appear alongside a strong showing from today's authors. There is plenty of support for students, with a dozen chapters of critical reading and writing support, helpful sample close readings, writing assignments, and student papers. And, because everyone teaches and learns a little differently, there are lots of options for working with the literature, including case studies on individual works and themes that everyone can relate to. In-depth chapters on major authors like Flannery O'Connor and Emily Dickinson take students deeper into their work, and the new tenth edition features a chapter on the fiction of Dagoberto Gilb, created in collaboration with the author himself—one more way that the anthology showcases literature as a living, changing art form.
