Modern Lager Beer George Fix, Jack Hendler, Laurie Fix, Joe Connolly, 1998-01-26 In the simplest definition, Viennas are amber-colored beers brewed with bottom-fermenting lager yeast. On the other hand, the terms Märzen and Oktoberfest originally referred to a brewing process—not a beer style. While the terms Vienna, Märzen and Oktoberfest may seem unrelated, history indicates otherwise. Over time, Viennas became standard beers brewed on a regular basis and often at a lower gravity. The Märzen and Oktoberfest beers became “festbiers,” brewed for celebrations each October. Historical records, nevertheless, indicate that successful versions of both latter styles had a definite “Viennese character,” and it is the primary goal of this book to delineate the fundamental attributes of the Vienna character. Recipes are included. *Brewers Publications' Classic Beer Style Series* is devoted to offering in-depth information on world-class beer styles by exploring their history, flavor profiles, brewing methods, recipes, and ingredients.
