It's time for these women to join the action, and Holly Robinson Peete, star of *21 Jump Street*, *For Your Love*, and *Hangin' with Mr. Cooper*, and wife of NFL quarterback Rodney Peete, has written this hip, smart, cheerful guide to help them do so. In *Get Your Own Damn Beer, I'm Watching the Game!*, Peete shares her infectious enthusiasm for pro football and takes the complexity out of the game by breaking it down to its component parts. She explains the role of each position player, provides a rundown of all on-field penalties and referees' hand signals, and offers an illustrated guide to some of the most common plays in the NFL. She gives her take on the most memorable plays in NFL history and dishes some inside dirt-in a breezy, girl-talkin' narrative that promises to turn the novice spectator into a well-informed football fanatic.

The Best Man I Can Be is the result of Leonard Dungey's 94 years of experiences. It has been written at the urging of family and friends, and a gut instinct on the part of the author to catalogue his experiences in the military as an African American and as the best man he can be. How does one become the best man he can be? Leonard Dungey strives to illustrate this through his own experiences—good and bad, local and abroad. His is a story to be remembered.

Drinking local harks back to the founding of Asheville in 1798. Whether it be moonshine or craft beer, the culture of local hooch is deeply ingrained in the mountain dwellers of Western North Carolina. Both residents and visitors alike enjoy Asheville's wealth of breweries, brewpubs, beer festivals and dedicated retailers. That enthusiasm earned the city the coveted Beer City, USA title year after year and prompted West Coast beer giants Sierra Nevada, New Belgium and Oskar Blues to establish production facilities here. Beer writer and educator Anne Fitten Glenn recounts this intoxicating history, from the suds-soaked saloons of "Hell's Half Acre" to the region's explosion into a beer Mecca.

In April of 1968 Steve McQueen arrives in San Francisco to film *Bullitt*. Rough-and-tumble SFPD Inspector Johnny O'Rorke, aka The Fixer, is the department's Executive Protection Officer. His job is to make sure that visiting celebrities are well taken care of. O'Rorke is instructed to take special care of McQueen; the city's movers and shakers are hoping to develop San Francisco into Hollywood North. McQueen takes a liking to O'Rorke, and when Russ Cortig, a member of his film crew, is busted at a wild Haight Ashbury party, he asks O'Rorke to try to have the charge dismissed. Fixing Cortig's arrest sheet is a minor problem, but it leads O'Rorke into a tangled web of intrigue and corruption that includes the murder of one of his longtime informers, a crossdresser who goes by the name of Vanessa the Undresser, tangling with a Chinatown drug lord, being shot at by a sadistic Soviet hit man, going up against a wealthy former Russian Mafia leader now living in San Francisco, dealing with a vicious local gangster, Alec Zek, aka The Swine, and a chasing after a priceless blue diamond known as the Stalin Blue. If that isn't complicated enough, O'Rorke breaks into a real sweat when McQueen asks him to make a screen test for a part in *Bullitt*. **Praise for SCREEN TEST:** "Steve McQueen. *Bullitt*. Transvestites. Murder. And the City by the Bay. Who could ask for more? Gear up for a rockin' roller coaster ride up and down San Francisco's tumultuous hills in Jerry Kennealy's entertaining, triple-fast thriller *Screen Test*, but make sure to wear your seatbelt." —Paul D. Marks, Shamus Award-winning author of *White Heat* **Praise for the books of Jerry Kennealy:** "Kennealy always delivers hard-boiled excitement nicely with humor and style." —Booklist "Kennealy's characters, combined with his seasoned ability to weave several plot elements into a smooth whole, make his books stand out in the crowded thriller genre." —Publisher's Weekly "Kennealy's nicely crafted stories always hold my interest. What do you get when you cross a journalist and a banker? A brewery, of course. "A great city should have great beer. New York finally has, thanks to Brooklyn. Steve Hindy and Tom Potter provided it. *Beer School* explains how they did it: their mistakes as well as their triumphs. Steve writes with a journalist's skepticism—as though he has forgotten that he is reporting on himself. Tom is even less forgiving—he's a banker, after all. The inside story reads at times like a cautionary tale, but it is an account of a great and welcome achievement." —Michael Jackson, *The Beer Hunter(r)* "An accessible and insightful case study with terrific insight for aspiring entrepreneurs. And if that's not enough, it is all about beer!" —Professor Murray Low, Executive Director, Lang Center for

Entrepreneurship, Columbia Business School "Great lessons on what every first-time entrepreneur will experience. Being down the block from the Brooklyn Brewery, I had firsthand witness to their positive impact on our community. I give Steve and Tom's book an A++!" —Norm Brodsky, Senior Contributing Editor, Inc. magazine "Beer School is a useful and entertaining book. In essence, this is the story of starting a beer business from scratch in New York City. The product is one readers can relate to, and the market is as tough as they get. What a fun challenge! The book can help not only those entrepreneurs who are starting a business but also those trying to grow one once it is established. Steve and Tom write with enthusiasm and insight about building their business. It is clear that they learned a lot along the way. Readers can learn from these lessons too." —Michael Preston, Adjunct Professor, Lang Center for Entrepreneurship, Columbia Business School, and coauthor, *The Road to Success: How to Manage Growth* "Although we (thankfully!) never had to deal with the Mob, being held up at gunpoint, or having our beer and equipment ripped off, we definitely identified with the challenges faced in those early days of cobbling a brewery together. The revealing story Steve and Tom tell about two partners entering a business out of passion, in an industry they knew little about, being seriously undercapitalized, with an overly naive business plan, and their ultimate success, is an inspiring tale." —Ken Grossman, founder, Sierra Nevada Brewing Co.

The ingredients are simple -- beer, cheese, and spices -- and the result is delicious. Still, beer cheese is a rarefied dish not common in cookbooks or on menus. Since the 1940s, this creamy appetizer with a kick, traditionally served with pretzels, has quietly found its way into pubs and restaurants throughout the South and Midwest. The original recipe is cloaked in a mystery nearly as deep as the JFK assassination. Ask most makers and they'll act demure about the contents of their dip. Some refuse to disclose what kind of beer or cheese they use or which extra spices they add. Others keep their preparation instructions secret. Garin Pirnia traces the history of beer cheese from its beginnings at the Driftwood Inn in Winchester, Kentucky, to today, situating it alongside other dishes such as the German cheese spread obatzda, queso dip, and pimento cheese. She surveys the restaurants that serve this distinctive dip, highlights points of interest along the Beer Cheese Trail, and includes dozens of recipes, from the classic original, to new twists like Pawpaw Beer Cheese, to dishes that incorporate the spread, such as Crab Broccoli, Beer Cheese Casserole, and Beer Cheese Buttermilk Biscuits. Packed full of interviews with restaurateurs who serve it, artisans who process it, and even home cooks who enter their special (and secret) recipes in contests, *The Beer Cheese Book* will entertain and educate, all while making your mouth water. Fortunately, it will also teach you how to whip up your own batch. 33 Pages for Beer Fans, and Oktoberfest Celebratopns Enjoy BEER coloring pages of happy people drinking beer, Oktoberfest designs, Beer Barrels, Mugs, Glasses and Bottles.
