

Before You Leap A Frogs Eye View Of Lifes Greatest Lessons Kermit The Frog

Who says having all your dreams come true is a good thing? Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please! But Rennie's dreams aren't so easy to elude. Sketching what she can remember of them helps some, but her drawings are taking on a life of their own and the dreams they represent are starting to come true. Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

A frog escapes to Monet's Giverny garden where he gives the artist some tips & inspiration.

When a wayward frog jumps into Pluto's water bowl, the Mickey Mouse Clubhouse "sensational six" decide to offer some guidance to the young amphibian. Looking at the world surrounding the Clubhouse from the frog's point of view, children learn important lessons about planning, patience and persistence! These life-skill lessons are carefully intertwined with early-math learning, including counting to 10, finding likenesses and differences, and categorizing. Readers will have lots of fun helping the gang's amphibian friend find his way.

From one of the most famous divas of our time comes The Diva Code: Miss Piggy on Life, Love, and the 10,000 Idiotic Things Men Frogs Do. Over her years of celebrity, Miss Piggy has gleaned, glommed, and garnered much wisdom about what's wrong with everyone else and what's right with her. Now, in the latest book from the Muppets, Miss Piggy is ready to share with vous her best advice on love, fashion, career, attitude, and her secrets of diva-dom! It's time for you to release your inner diva! Get what you deserve! And give others exactly what they deserve! Take, for example, Miss Piggy's insights on a few of the idiotic things men frogs do... HE'S JUST NOT READY TO COMMIT--You give him the pleasure of your company (plus untold hours of prep time) and in return he's not willing to commit to anything. Mention a romantic getaway, a steady and exclusive dating policy, a long-term relationship, marriage . . . and he runs for the exit! WHAT VOUS NEED TO DO: The best defense is a good offense, which means that you must never give up trying to make him commit. Remember: Never stop being offensive. HE'S STATUS OBSESSED--It's all about the label, the fancy car, the platinum-encrusted watch, the vacation place in Gstaad, and the showy perks. WHAT VOUS NEED TO DO: Give moi his number. HE'S A NARCISSIST--This guy can usually be found at the gym defining his triceps, biceps, bicuspids, you name it. And when he's not pumping iron, he's primping in front of the mirror--tweezing, conditioning, moisturizing, and otherwise invading your personal grooming space. WHAT VOUS NEED TO DO: Ask yourself if he's such a hunk that he's worth it. If so, get more mirrors. If not, dump him . . . but get more mirrors anyway. After all, narcissism isn't a bad thing if it's about vous.

While hopping through life, Christina takes a look at the value of a daily approach to life's lessons. No matter the outcome of your day whether it goes to plan or not, there is always something that we can learn. We can learn joy in despair and we can learn triumph in failure. Through the lens of her own life, Christina invites readers to look at their lives from a perspective beyond their own lily pad, and to consider the pond as a whole. Her struggles, progress and accomplishments will ripple in your own life as you look for your own takeaways. Sometimes silly and sometimes somber, these daily anecdotes are always interesting, and always thoughtful. You don't know from one day to the next whether she will swim deep for the next lily pad or jump and reach for the stars, but there is never a dull moment. Red Paint Spilman, Actor and Director

A riddle: Five frogs are sitting on a log. Four decide to jump off. How many are left? Answer: Five Why? Because there's a difference between deciding and doing. Written by Mark L. Feldman and Michael F. Spratt of PricewaterhouseCoopers, Five Frogs on a Log offers readers an entertaining and no-nonsense field guide to the mergers and acquisitions jungle, packed with insight and instruction for executing corporate change and capturing shareholder value. Whether you're buying another company or acquiring a new vision of the future, this book proffers an unconventional perspective and a practical, readily accessible set of solutions to the single greatest challenge facing today's managers: executing rapid transitions ion mergers, acquisitions and gut wrenching change. Designed for corporate managers and CEOs caught up in the whirlwind of change, every chapter provides accessible ideas and wisdom for navigating the most demanding business transitions. The authors offer a unique hands-on perspective based on their work with top Fortune 500 firms. As they state: "Increasingly, the companies that win are those that learn faster, act quicker and adapt sooner. They will compress time by making and executing early, informed decisions about economic value creation, ruthless prioritization and focused resource allocation. They will use these decisions to take early firm stands on management deployment, organization structure and culture. Their actions will increasingly be linked to long-term, sustained economic value creation." The advice and expertise offered in this book can be used to solve a range of operational problems from speeding up new product development to merging two businesses; from changing company culture to repositioning a business in a while new marketplace. Whatever the challenges and opportunities facing you, your company, your industry, Five Frogs on a Log will move you from deciding to doing.

A little frog's first leap out into the world is a big, scary thing. But luckily, mama is always there to catch him when he comes home. As the leaps get bigger, frog gets braver—and before he knows it, he's soaring out to the moon and beyond! This loveable little frog will hurdle his way into your heart. Come leap along, and see what it's like to shoot for the stars . . . and always have a landing pad ready to catch you.

Are you awed by the smell of flowers or the busy buzz of the bees? Are you awed by the all of the snow or the rustle of the trees? In The Book of Awe, readers are reminded to take a minute and see the beauty in the everyday things around them.

A collection of poems written from the point of view of Kermit the Frog about his fellow Muppets, including Miss Piggy, Fozzie Bear, and Gonzo.

A collection of wise and witty quotes from and inspired by Jim Henson similar in format to The World According to Mister Rogers. "When I was young, it was my ambition to be one of the people who made a difference in this world. My hope is to leave the world a little better for my having been there. It's a wonderful life and I love it." -Jim Henson "Yeah, well, I've got a dream too. But it's about singing and dancing and making people happy. That's the kind of dream that gets better the more people you share it with. And, well, I've found a whole bunch of friends who have the same dream. And, it kind of makes us like a family." -Kermit the Frog, The Muppet Movie

Before You Leap A Frog's-eye View of Life's Greatest Lessons Meredith Books

In his 20 year affiliation with Jim Henson's Muppets Joseph A. Bailey was a staff writer on both Sesame Street and The Muppet Show. He also co-wrote the television specials Big Bird in China, Christmas Eve on Sesame Street and Rocky Mountain Holiday, starring John Denver and the Muppets on location in Aspen, Colorado. Additionally, Mr. Bailey wrote Sesame Street song lyrics, albums, five 90-minute Sesame Street Live! musicals, Muppet Business Meeting Films and special material for Big Bird's appearances in the White House and Carnegie Hall. The Muppet Show guest stars he wrote for include George Burns, Bob Hope, Steve Martin, Rudolf Nureyev, John Cleese, Milton Berle and Peter Sellers. For his writing, Mr. Bailey has garnered 5 Emmys, 3 Emmy nominations, a Writers Guild of America Award and a George Foster Peabody Award. Mr. Bailey lives in Manhattan with his wife, Gail. He indulges in occasional long-distance motorcycle trips and claims to speak French and play piano to the equal amusement of others.

Have you ever wanted to just give up? Have you ever looked out at the world and thought, "What's the point?" Well, we're here to tell you that God is the point, and He's got a serious plan for your life that you might not even be aware of! In fact, as a child of God, He's promised us that we have nothing to fear because He is always by our side (Deuteronomy 31:6). Come share the inspirational journeys of twelve souls as they experience the Hand of God moving through their lives in humorous, heart-wrenching, and amazing ways. Through story after powerful story, Alexandria Altman and J. Allen Hewett illustrate the power and majesty of God's hand in action by reminding us of one crucial thing: always Pray Before You Leap! See what happens when you put your faith in God and His words into action!

"The Celebrated Jumping Frog of Calaveras County" is an 1865 short story by Mark Twain. It was his first great success as a writer and brought him national attention.[1] The story has also been published as "Jim Smiley and His Jumping Frog" (its original title) and "The Notorious Jumping Frog of Calaveras County". In it, the narrator retells a story he heard from a bartender, Simon Wheeler, at the Angels Hotel in Angels Camp, California, about the gambler Jim Smiley. The narrator describes him: "If he even seen a straddle bug start to go anywheres, he would bet you how long it would take him to get to wherever he going to, and if you took him up, he would foller that straddle bug to Mexico but what he would find out where he was bound for and how long he was on the road."

Kermit the Frog shares his thoughts on such topics as The Frugal Frog (recession tips), Finding the Tadpole Within, Green and Mean (tips on saving the earth), and Frogs Who Love Too Much

You won't want to miss this incredible new collection by certified Orff instructor and best-selling Alfred author, Elizabeth Gilpatrick. Learn about pitch, rhythm, music reading, and improvisation in major, minor, and modal tonalities as you participate in these 100% reproducible general music songs and activities, most with optional Orff accompaniments. Your students will achieve their musical best as they sing and play these educational and fun lessons. A solid curriculum choice for elementary classrooms.

How far could you hop? If you hopped like a frog...you could jump from home plate to first base in one mighty leap! Did you know that a frog can jump 20 times its body length? Or that an ant can lift an object 50 times its own weight? Read this book and find out what you could do -- if you had the amazing abilities of animals! And there are endless possibilities for making more hilarious comparisons of your own. Get ready for ratio and proportion like you've never seen them before!

When Vivian left town for a three-month residency, she had no idea that she'd come back to find her life turned upside down.

The casual boyfriend who'd seemed ready to commit? Changed his mind.

The job she'd loved so much? Gone.

The parents she'd assumed would be there for emotional support? Off on the adventure of their lives.

When she realizes that she's essentially homeless, jobless and boyfriend-less, Vivian knows something has to change. She needs to take charge.

Inspired by her aunt's idea that a girl has to kiss at least fifty frogs to find her prince, Vivian comes up with a plan: she's going to go on a series of first dates only, and each one must end in a kiss. She'll chronicle each date--the good, the bad and the downright unbelievable--and turn the stories into an in-depth magazine series about the realities of dating in the twenty-first century.

While none of the frogs she meets--and kisses--make her heart leap, there's a guy closer to home who definitely does . . . and despite the fact that Charlie always seems to catch Vivian at her most awkward and embarrassing moments, she can't help wondering if it's time to ditch the plan . . . and kiss just one more frog.

Where did Soggy the Froggy go? What does Soaker the Croaker know? What is all the splashing about? Read this story and you will find out! Young readers will quickly engage with Annie Lang's vividly detailed characters and imagery as the story unfolds. The moral to the story is obvious, but it is presented in a way that is not so much about paying attention to words of caution as it is about taking advice intended to keep us safe. Unlike traditional children's books where the main character solves his own problems, this story presents a more realistic scenario whereas the younger character may need a little help in order to get out of a precarious situation and to learn a valuable life lesson from the experience. "Look Before You Leap, Froggy!" is a terrific "read it together" publication that encourages discussion with each turn of the page. This is Annie Lang's fourth published children's book title and the first time her fun frog characters have been introduced to young readers!

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

Kermit shares his life lessons, in a collection of wit and wisdom about such milestones as growing up, leaving home, starting a career, and falling in love.

Praise for DREAMING DANGEROUSLY 5 out of 5 star reviews: Once I read the first page, I couldn't put it down until I finished it. Dreaming Dangerously is a book I would recommend to anyone to read... the Author is skilled. -Dominique, Goodreads.com It really just blew me away how much I loved reading this book. Chani, Goodreads.com I loved Dreaming Dangerously. Mind reading is one of those things not all authors can write about. Dreaming Dangerously is a book I would highly recommend. - Kris Spor, Amazon customer Overview of DREAMING DANGEROUSLY: A teen mind-reader tries to keep her secret from the gossips at her high school. A popular boy who finds out. Her nightmares start to come true. She must learn to trust him before it's too late to stop the tragedy that awaits. FOR ANYONE WHO WANTS YOUNG ADULT SCIENCE FICTION/FANTASY and can't get enough of Hunger Games, and Evermore, then you must read DREAMING DANGEROUSLY as your next YA thriller!! Other works by Kathleen Suzette Harsch: DARKNESS DESCENDS, book 2 of the Children of the Psi series is out now!

What's that noise? The jungle can be a scary place for a tiny tree frog like Felix, and all the strange noises are making him a little bit jumpy. Help Felix find a safe place -- and perhaps a special someone -- so he can nod off for a peaceful sleep.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

IF YOU KISS A FROG, HE JUST MIGHT TURN INTO A PRINCE. IF YOU KISS A TOAD, HE'LL JUST PEE ON YOUR HAND. This is the book emotionally abusive partners do NOT want you to read. It sounds so simple -- get out of a harsh relationship, remove the shrapnel, and move on. But some guys don't make that possible. Sometimes you get out of the relationship, like with a narcissist, but you can't recover because he doesn't give you a chance. He won't leave you alone long enough. Alexandra Nouri knows that personality-disordered people, psychopaths, sociopaths, and their ilk, in fact make leaving as difficult as possible. Getting out of a relationship with a narcissist is excruciating, but staying out of one takes the resolve of an Army. A narcissist is constantly pushing and pulling, devaluing you and everything about you, sucking you back in and making you believe the two of you have a chance, and basically pushing some very tender buttons, all in a big fat confusing and chaotic mess. When a relationship is ending, feeling hurt and angry is normal, but if you feel like you're losing your mind, like your very survival is being threatened, then this book is written with you in mind. Those feelings mean he's messing with your head. And that's not cool. "Life," Aunt Alex says, "is uncertain, and mysterious. However, when it comes to life, you can count on three things. The sun will always rise in the East. If you hold up a cast iron frying pan and then let it go, it will not hover in the air and make a tweety sound. And if you go back to a guy with a personality disorder, he WILL hurt you again." Their breakups are all the same. Idealize, devalue, annihilate, string along, devalue, string along, annihilate, string along. The toad modus operandi gets very old and very boring, very fast. When he manipulates, deceives, and encroaches on your boundaries, that's not a power struggle. Or an argument. That's abuse. Aunt Alex's Army is the answer. The Army will brief you, train you, and give you your marching orders to a toad-free life. This is Aunt Alex's Army Manual, and here she musters the troops to lift up and empower the reader. You'll learn: * Who Toads Are * Who Kisses Them * Why Moving Forward Takes An Army * The Three Toad Truths * The Five Toad Motivators for Getting Into Relationships * What Toadspeak is, and Why It Drives People Crazy * What To Do About It * Your Psyche's Information Highway, and How to

Pave New Roads to Health * The Five Army Maneuvers In Reality * Why It's Mandatory to Be All You Can Be There's nothing wrong with believing in epic love. There's just something wrong with expecting to get it from a narcissist. "You lost him because you're not good enough" is the #1 most toxic, worthless lie an ex sometimes hears from the toad, from other people, and even the gremlins inside her head. These are lies a toad wants you to believe -- that the reason you two aren't together right now in utter bliss is because you're not good enough. Not attractive enough, not interesting enough, not smart, happy, compatible, sexy, open, fun enough, doesn't matter: He wants you to believe the reason you two aren't working out is because of a serious shortcoming in YOU. Usually this is very vague, with hints and shrugging dissatisfaction. And he's really hoping this vagueness takes the focus off of the real causes of all the destruction: His absence of empathy. In the book *Toads, and the Women Who Kiss Them Aunt Alex's Army Manual*, Alexandra Nouri gives legions of examples of their confusing, bizarre ways, and straightens them out for you. She supports you in your new quiet disregard for BS, and helps you rise above the chaos and neurosis of his weird behavior. She translates the Toadspeak. She teaches you how to remove the shrapnel of his abuse so your broken heart can heal. A portion of the proceeds goes to the Futures Without Violence Fund. Find them at [www dot futureswithoutviolence dot org](http://www.dot.futureswithoutviolence.org).

A frog wreaks havoc by leaping onto a checkerboard, into a kitchen sink, and even onto a pizza while Mickey, Goofy, and their friends try to convince him to look before he leaps.

A revised edition of the best-selling book *Before You Leap: A Frog's-Eye View of Life's Greatest Lessons*. This updated edition is a fun, full color gift book which includes two brand new chapters. It's sure to delight kids and adults! In this gift book Kermit the Frog shares his own story in a funny, heartfelt manner about his life and yours. After telling the tale of his remarkable career, and about all the amazing people and pigs (like you-know-who) he's met along the way, Kermit shares his advice on many of life's milestones: -Growing up: Every tadpole must drop their tail. How to get the drop on life. -Falling In Love: Hollywood romance, interspecies dating. No one knows more about love than this frog. -Starting a Career: Kermit climbed out of the swamp and into Hollywood. How to make a big splash in life. -Enjoying the Good life: Friends, laughter...and sharing "Fridays With Fozzie". © Disney

Join these animals as they leap, crawl, race, and sing in this playful board book by award-winning author Douglas Florian. Leap, frog, leap! Creep, caterpillar, creep! In this playful, rhyming story by award-winning author Douglas Florian, join these animals as they do what they do best! Watch a frog leap, a caterpillar creep, a rabbit race, a cheetah chase, a hen peck, a turtle trek, a sparrow sing, a monkey swing, a crab crawl, a crow call, a gull soar, a bear explore, a spider spin, a crocodile grin, and a chick peep! At the end, a child sleeps with all the animals surrounding him.

A red-lipped batfish waddles across the sea floor on its fins, searching for small sea creatures to eat. Other animals may fly or glide, or jet-propel themselves to get around. These creatures come equipped with legs, wings, or tentacles, and they often move from place to place in surprising ways. In the latest eye-catching escape into the kingdom of Animalia, Caldecott Honor-winning team Jenkins and Page show how animals roll, fly, walk, leap, climb, swim and even flip! This fascinating and fun illustrated nonfiction melds science, art, biology, and the environment together in a detailed and well-researched book about how animals move in our world today.

Spot the difference is an amazing activity that boosts your child's fine-ground perception. Fine-ground perception is the skill that would allow children to see in-between the negative spaces. This makes it possible to locate hidden objects, which is an important element to learning math and reading. Don't forget to checkout with a copy of this activity book today!

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless...provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" *Alone Among People* is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: *Alone Among People (Paperback)* A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

Greg Gilmore fought hard against returning to Hershey, PA. He has trouble breathing in a town with so many Morrisons running around. Janine Morris, a woman as deeply entrenched in secrets and special military skills as him, only adds to his discomfort. Keeping his family safe is his number one goal. So why do Janine's haunted amber eyes keep enticing him to throw away all his cares and concerns to join forces with a woman who could bring all his enemies right down on the Morrison Family?

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Pepe the King Prawn is no ordinary shrimp. He's an entrepreneur, a raconteur, a ladies' prawn, a schemer, and a specialist at looking on the bright side of life! Known for his hilarious, uninhibited honesty and his smooth-talking way with the ladies, Pepe has finally written the book everyone has been begging him to publish. (Well, actually they wanted him to publish his little black book. But some things are priceless, okay.) From family and friendship to romance and roguery--plus everything in between--Pepe's words of wisdom will delight readers of all ages. Served up hot, fresh, and filled with wit, pith, and a dash of salsa--this is Pepe's guide to life, love, and livin' large. Pepe is a prawn for our time, guaranteed to make your life lively, hot, and very, very spicy!

You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or

live with what you have, this is the book for you.

Peace of mind is all Greg Cole has wanted since the murder of his twin sister, Scarlett. In his new sun-soaked Florida life, he thought he had found it. But when Scarlett s killer is released early from prison with a cast-iron alibi, Greg realizes that his past is about to explode into his present, with terrifying consequences. To expose the truth he must open up old wounds. As a talk therapist, Greg knows all about dark secrets, but when a childhood friendship comes to the fore and the police turn their spotlight on him, the thought of analyzing his own psyche is a disturbing prospect. How far can he trust his own memories? With his life coming apart at the seams, and his grip on reality beginning to unravel, Greg must face the ghosts of his past if he hopes to prove his innocence and live to see another day."

Sam and the Frog is a 30 page beginning reader book for preschoolers. Sam and the Frog are in a competition to see who can outdo the other. Who can hop, eat, swim, smile, or wave the best? Why does the frog think Sam won? Students will laugh at the comical cartoon drawings. Sam and the Frog is an easy book to read for emergent readers. The repetitive phrases help students to feel successful. This amusing book makes learning to read fun.

Did you ever wonder how you could tell the difference between the good guys and bad? Once you can, what do you do? Most importantly, what do you need to be to live the most satisfied and productive life, and to attract the right kind of guy (Prince) while avoiding the wrong (the Frog)? The author, along with countless women and law enforcement officers, offers a guide on the single girl who is singleminded in her search for Prince Charming. Christine Kerrick reveals stories and techniques used by professionals to get the most information from a date to make the most informed decision for your future.
