The Arian Christian Bible reflects the beliefs of Arian Christians. (The word 'Arian' should not be confused with the with the word 'Aryan' or racist 'Aryan' beliefs) Arian Christians believe that Jesus' highest teachings are contained in the New Testament in Jesus' own words as reported by the Gospels of Matthew, Mark and Luke (The Arian Christian Bible). The namesake of these beliefs, St Arius of Alexandria, rejected the politically generated divinity of Jesus that was imposed by the Council of Nicaea, which was convened at the behest of Roman Emperor Constantine I in 325 AD. The purpose of this Council was to bring the structure of the Christian Church into conformity with the structure of the Roman Empire as the State Religion, that is; one religion, the Catholic (universal) Church; one theology, the Holy Trinity; and one religious leader, the Pope, and to form a basis for the suppression of other brands of Christianity. Arius opposed these measures. The Arian Christian Bible is a 'must have' for all true Christians.

"Love your neighbor like yourself" is a divine recommendation which too often takes just the opposite way in the midst of the human community. Unfortunately, this fact is observed across every race and religion in this earth. At different levels of course, we tend to behave like crabs toward our fellow men. It means that we are hypocrites, wicked, envious, insincere, jealous, hateful; all this, just for selfish reasons. Let us love one another like he has loved us. This is the key to peaceful and loving cohabitation. This is the antidote against this social and spiritual cancer.

This is the fourth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

"I have to go." His husky whisper of reluctance drew her closer. "Don't." The word mingled in the air with the chocolate and the dampening grass. Her hand caressed his fingers, inviting him to stay. Under cover of night, they meet to share secrets that, if discovered, will threaten both their lives.
