This book provides a revolutionary new 3-step tracing technique that beginning artists can use to quickly learn to draw manga characters just like a pro! Every page presents a classic manga pose, from walking and running to jumping for joy, in three different steps: 1. A simple outline of the body 2. The defining elements of the character (like clothes, hair and facial expression) highlighted for easy tracing so you can practice placing them onto the basic body outline 3. The finished drawing (for inspiration).

Popular manga artists Junka Morozumi and Tomomi Mizuna guide you through a series of carefully graded lessons to build up your skills gradually. Each pose and scene has a star skill level, so you can build your way up from 1 to 5! Chapter 1 deals with the basic poses of standing, walking, and running. Chapter 2 presents signature manga poses such as turning around in surprise and being angry with hands on hips. Chapter 3 practices various sitting and lying down poses. Chapter 4 deals with drawing perspective, looking at characters from above, below and diagonal viewpoints. Chapter 5 focuses on 2-person manga poses including the classic prince with a princess in his arms. Chapter 6 lets readers try out the skills they have acquired by tracing and copying a full-page manga illustration containing multiple characters. These six lessons are supplemented by expert tips and easy exercises for capturing the right facial expressions, drawing the clothes and getting the perspective and body proportions right. Beginning manga artists are in good hands with Morozumi, who lectures at art academies in Tokyo, and Mizuna, whose work has been exhibited in the U.S., Europe and beyond. If you've been looking for an easy-to-use guide to drawing manga, The Manga Artist's Handbook: Drawing Basic Characters is the perfect place to start!

You want to draw manga, and Manga University will show you how. You'll get VERY good at this. After all, we've been teaching people just like you for more than 20 years. "How to Draw Manga: Basics and Beyond!" is the latest in Manga University's lineup of best-selling instructional books. The book features more than 1,000 illustrations drawn by Japanese manga artists whose work has appeared in leading publications, including Shonen Sunday and Young Jump. You will learn how to draw like a professional because your teachers are professionals. We've divided the book into four easy-to-follow chapters that will have you drawing original characters from head to toe in no time at all: Heads First! We begin at the top, with a chapter on how to draw heads. After all, heads are the first thing most people notice, in both art and out in the real world. And in art, just like in the real world, you want to make sure your characters make a vivid first impression ... whether they're completely human, or totally out-of-this-world. Let's Make Faces! The expression the eyes are the window to the soul is particularly true when it comes to manga. You can tell a lot about a character's personality by peering into their eyes. In this chapter, we explain the basics of drawing eyes. But we don't stop there. We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all about drawing bodies. We go over the differences between male and female body proportions, count heads to determine the heights of our characters, and learn how to draw hands, arms, feet, and legs. Strike a Pose! Our book's final chapter is all about making a physical statement. We show characters standing tall, sitting down, throwing punches, giving hugs, and more. Because even beautifully drawn characters look boring if they're frozen stiff. The book also includes a section on manga tools. Plus, you'll get to know the artists who contributed to the book through exclusive interviews in which they talk about their favorite manga and anime series, hobbies, how they work, and more!

**BRING YOUR IMAGINATION TO LIFE** In her second manga book, best-selling author J.C. Amberlyn focuses on favorite manga archetype characters, with a fun and lively how-to-draw book aimed at beginners. Every genre of manga has its typical characters—plucky hero and heroine; school boys and girls; funny friend/sidekick; serious warrior; young innocent; bishounen; genki girls; chibis; chibi animals; cat girls/cat boys; magical girls; adorable animals; strong/scary animals; gothic characters; fantasy characters—and they are all here along with the step-by-step drawing instructions needed to give even beginners the direction they need to create the favorite characters they can't get enough of. A final chapter on backgrounds, scenery, and the environment will further give readers the information they need to pull everything together and create their own manga characters and the worlds they live in. Includes 23 step-by-step demonstrations and exercises. J.C. Amberlyn takes you through everything you need to know to create your favorite manga characters from Japanese comics or design your own. **INCLUDES IN-DEPTH INSTRUCTION ON:**
