

Belle Astute E Coraggiose Otto Storie Di Eroine Ediz A Colori

The New York Times bestselling Halloween picture book is now a full-size board book, perfect for sharing with little ones! This rollicking, rhyming tale from master storyteller Julia Donaldson is the perfect Halloween read-aloud for the youngest listeners. A friendly witch, hungry dragon, and muddy monster learn about friendship, and readers will delight in the surprising (and not too scary) ending.

Snow White is on the run from an evil witch when she stumbles upon a little house in the woods. When the 77 dwarfs who live there invite her to stay, it seems like a perfect solution --- at first.

This volume is a treasure chest of classic Eastern tales drawing on the rich folklore of Turkey. Forty-four Turkish Fairy Tales has not been in print for almost 100 years, mainly because the original edition had lavish production standards. On the used market, mint copies of the 1913 original can cost up to four figures. This volume is appropriately titled Fairy Tales because something definitely 'fairy' occurs. There are talking animals, flying horses, birds that magically change into beautiful maidens, quests to win the hand of a princess, magical objects, simple, yet brave, peasants, wizards, witches, dragons and dungeons, epic journeys, and loveable fools. The majority of these stories contain encounters with 'Dews', or Turkish supernatural beings, better known in the West as 'Genies.' Sometimes the Turkish Dews are also called 'Arabs' There are many other specifically Turkish elements and references in the stories, for which the glossary at the end of the book is of particular help. So this isn't simply an orientalist set of European Tales, but was drawn from an authentic Turkish oral storytelling tradition by Dr. Ignacz Kunos . Plus, there are almost 200 illustrations exquisitely crafted by Willy Pogany. While our production is not as lavish as the original, it does contain the original illustrations.

Note: some of the illustrations could be considered unsuitable by 21st Century standards because they can be considered as caricatures with obvious ethnic stereotypes. However, in most cases, the illustrator is portraying imaginary creatures, which are supposed to be grotesque. Also to be remembered is the book was originally produced in 1913 when the world's attitudes towards racial tolerance and acceptance were quite different to those of today. 33% of the net will be donated to charities in Turkey for education scholarships

Here are ten of the greatest and best-loved Greek legends retold with warmth and humour for young children and illustrated with bright, friendly artwork. Meet Theseus and the Minotaur, Odysseus, Pandora, King Midas and a whole cast of larger-than-life characters in a series of extraordinary adventures. The perfect introduction to Greek Myths.

A collection of Andersen's stories, including "The Steadfast Tin Soldier", "The Fir Tree", and "The Money pig".

Halibut Jackson is so shy that he makes special outfits to blend in wherever he goes, but the clothes he wears to a party at the palace only make him stand out.

Kamo won't get on a bike. Not even his friend's grandfather's classic. He says he has a bad feeling - it turns out he was right. As he lies in his hospital bed it seems to his friends that their funny, crazy pal is turning into someone else - someone fierce and strong who can escape from anywhere.

A hungry wolf tries to fool a very clever little girl into thinking that he is her grandmother.

The story of the adorable dragon with a heart of gold is now available in a chunky board book format perfect for Julia Donaldson & Axel Scheffler's youngest fans. What do dragons learn at Madam Dragon's school? How to fly. . . How to roar. . . How to breathe fire! Zog is the most eager student in the class, but he's also the most accident prone. With each test (and each bump, bruise, or scrape), his dream of earning a gold star seems further away than ever. But a mysterious girl keeps coming to his rescue. And when Zog faces his toughest test yet, she may be just the person to help Zog win classroom glory! The beloved creators of Room on the Broom, The Gruffalo, and Stick Man are back with this tale of an unexpected hero who's good as gold.

In an era of accelerating technology and increasing complexity, how should we reimagine the emancipatory potential of feminism? How should gender politics be reconfigured in a world being transformed by automation, globalization and the digital revolution? These questions are addressed in this bold new book by Helen Hester, a founding member of the 'Laboria Cuboniks' collective that developed the acclaimed manifesto 'Xenofeminism: A Politics for Alienation'. Hester develops a three-part definition of xenofeminism grounded in the ideas of technomaterialism, anti-naturalism, and gender abolitionism. She elaborates these ideas in relation to assistive reproductive technologies and interrogates the relationship between reproduction and futurity, while steering clear of a problematic anti-natalism. Finally, she examines what xenofeminist technologies might look like in practice, using the history of one specific device to argue for a future-oriented gender politics that can facilitate alternative models of reproduction. Challenging and iconoclastic, this visionary book is the essential guide to one of the most exciting intellectual trends in contemporary feminism.

Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our final story from Siobhan, and a book to be treasured.

Presents five stories about Littlenose, a young Neanderthal boy, as he adopts a young woolly mammoth, participates in the Sun Dance festival, stumbles upon a painted cave, makes music by blowing on pipes, and saves his father who fell into a trap.

In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of

the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

A tale inspired by Claude Monet's Water Lilies masterpieces features a lovely but vain frog, Antoinette, who engages in increasingly determined antics in her effort to be featured in a famous artist's paintings of a pond in Giverny.

From the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist. 'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together' To Georg Røed, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity.

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion." —Publishers Weekly

NEW YORK TIMES BESTSELLER AUSTRALIAN BOOK INDUSTRY AWARD FOR INTERNATIONAL BOOK OF THE YEAR The New York Times bestselling *Good Night Stories for Rebel Girls* is a children's book packed with 100 bedtime stories about the lives of extraordinary women from the past and the present, illustrated by 60 female artists from all over the world. This must-have volume brings readers on an empowering journey, introducing them to the real-life adventures of trailblazing women from Elizabeth I to Malala Yousafzai. The unique narrative style of *Good Night Stories for Rebel Girls* transforms each biography into a fairytale, filling readers with wonder and a burning curiosity to know more about each hero. Each woman's story is also accompanied by a full-page, full-color portrait that captures her rebel spirit.

At sunrise, young Michael spots a whale on the shores of the Thames and thinks he must be dreaming. But the creature is real and it has a message for him - one that only an open-minded child can deliver to the rest of the world.

The adventure that began in Siobhan Dowd's popular novel *The London Eye Mystery* at long last continues as three kids investigate a theft at the Guggenheim Museum. When Ted and his big sister, Kat, take a trip to New York to visit their cousin Salim and their aunt Gloria, they think they're prepared for big-city adventures. But when a famous painting is stolen from the Guggenheim Museum, where Aunt Gloria works, the surprises begin to mount faster than they could have anticipated. With the police looking at Aunt Gloria as the prime suspect, Ted, Kat, and Salim become sleuthing partners, following a trail of clues across NYC to prove her innocence--and to pinpoint the real thief. Ultimately, it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery.

Friedrich Wilhelm Nietzsche (1844-1900) was a German philosopher. His writing included critiques of religion, morality, contemporary culture, philosophy and science, using a distinctive style and displaying a fondness for aphorism. Nietzsche's influence remains substantial within and beyond philosophy, notably in existentialism and postmodernism. Nietzsche's *Third Untimely Meditation* is not only his homage to Schopenhauer, but a reflection on education in the most comprehensive sense. Many of Nietzsche's writings aimed at instructing the modern world on how to philosophize with a sledgehammer, but the premise of the *Third Meditation* is altogether more gentle, namely the singular marvel that is every human being.

Sumptuous novel centering on the life of sixteenth-century Italian Isabella D'Este.

The inner world needs its own vocabulary, and Osho is a master of creating a language to describe experiences of the inner world that is simple, unpretentious and clear. 'The ABC of Enlightenment' is not just a dictionary but a book on life itself. It contains concise quotes by Osho on a large variety of topics. For those who are unfamiliar with him, this is an easy introduction to his way of life and also an entertaining reference book. From 'Absolute' to 'Zen' Osho is never at lack of profoundness and both traditional and contemporary issues are redefined and reinterpreted for a contemporary understanding.

A review of the original edition of *The Burdens of Disease* that appeared in *ISIS* stated, "Hays has written a remarkable book. He too has a message: That epidemics are primarily dependent on poverty and that the West has consistently refused to accept this." This revised edition confirms the book's timely value and provides a sweeping approach to the history of disease. In this updated volume, with revisions and additions to the original content, including the evolution of drug-resistant diseases and expanded coverage of HIV/AIDS, along with recent data on mortality figures and other relevant statistics, J. N. Hays chronicles perceptions and responses to plague and pestilence over two thousand years of western history. Disease is framed as a multidimensional construct, situated at the intersection of history, politics, culture, and medicine, and rooted in mentalities and social relations as much as in biological conditions of pathology. This revised edition of *The Burdens of Disease* also studies the victims of epidemics, paying close attention to the relationships among poverty, power, and disease. Now available in paperback, in this courageous memoir, Fawzia Koofi, Afghanistan's most popular female politician, gives us her first-hand account of Afghan history through the rule of the Mujahedeen and Taliban, her experiences of the Afghanistan War, and the effects of these events on the lives of women in Afghanistan. In writing *Letters to My Daughters*, Fawzia has created a fresh take on Afghan society and Islam, and a gripping account of a life lived under the most harrowing of circumstances. Fawzia is the nineteenth child of twenty-three in a family with seven wives. Her father was an incorruptible politician strongly attached to Afghan tradition. When he was murdered by the Mujahedeen, Fawzia's illiterate mother escaped with her children and decided to send the ten-year-old Fawzia to school. As the civil war raged, Fawzia dodged bullets and snipers to attend class, determined to be the first person in her family to receive an education. Fawzia went on to marry a man she loved, and they had two cherished daughters, Shohra and Shaharad. Sadly, the arrival of the Taliban spelled an end to Fawzia's freedom. Outraged and deeply saddened by the injustice she saw around her, and by the tainting of her Islamic faith, she discovered politics for herself, following in her father's footsteps. Tragically, this choice has led to security threats to her life by Islamic extremists. Thus, *Letters to My Daughters* is not only a record of her life, but also acts as a literal letter through which Fawzia can pass on her wisdom about justice and dignity to her daughters, not knowing for how long she will survive such attacks.

The former Senior Vice President of Apple Computer and close colleague of Steve Jobs's throughout his tenure, Jay Elliot takes readers on a remarkable tour through Jobs's astonishing career. From the inception of game-changing products like the Apple II and the Macintosh, to his stunning fall from grace, and on to his rebirth at the helm of Apple, his involvement with Pixar, and the development of the iPod, iPhone, iPad, and much more, *The Steve Jobs Way* presents real-life examples of Jobs's leadership challenges and triumphs, showing readers how to apply these principles to their own lives and careers. Packed with exclusive interviews from key figures in Apple Computer's history, this revealing account provides a rarely seen, intimate glimpse into the Steve Jobs you won't see on stage, thoroughly exploring his management and leadership principles. From product development meetings to design labs, through executive boardroom showdowns to the world outside of Silicon Valley, readers will see the real Steve Jobs, the "Boy Genius" who forever transformed technology and the way we work, play, consume, and communicate--all through the eyes of someone who worked side by side with Jobs. Written in partnership with William L. Simon, coauthor of the bestselling Jobs biography *iCon*, *The Steve Jobs Way* is the "how to be like Steve" book that readers have been waiting for. Applying quirky illustrations and fun, informative text, *100 Events That Made History* takes a look at the key events from the past that have helped shape our present. From bloodthirsty battles and rebellious revolutions to curious coincidences and unfortunate accidents. Full of history and history-makers, *100 Events That Made History* contains all the historical accounts you'd expect to find, and plenty that you wouldn't! Divided into five chapters: Momentous Moments, Battling It Out, Weird or What?, Nasty Nature, and The Good, the Bad, and the Ugly, major moments that have changed the course of history are showcased together with minor incidents to give full context to each event. From the Gold Rush to the moon landing, and the Great Fire of London to the sinking of the Titanic, *100 Events That Made History* is perfect for book reports, school projects, or anytime reading to satisfy and educate curious minds.

The World of Odysseus is a concise and penetrating account of the society that gave birth to the *Iliad* and the *Odyssey*--a book that provides a vivid picture of the Greek Dark Ages, its men and women, works and days, morals and values. Long celebrated as a pathbreaking achievement in the social history of the ancient world, M.I. Finley's brilliant study remains, as classicist Bernard Knox notes in his introduction to this new edition, "as indispensable to the professional as it is accessible to the general reader"--a fundamental companion for students of Homer and Homeric Greece.

MAFIA. CAMORRA. 'NDRANGHETA. The Sicilian mafia, known as Cosa Nostra, is far from being Italy's only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples; and, from the poor and isolated region of Calabria, the mysterious 'ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy's institutions, drastically curtailed the life-chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely adapted to corrupt and exploit its own specific environment, as it collaborates with, learns from, and goes to war with the other mafias. Today, the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The 'ndrangheta controls much of Europe's wholesale cocaine trade and, by some estimates, 3 percent of Italy's total GDP. *Blood Brotherhoods* traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century, and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. *Blood Brotherhoods* is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.
