What Guts the Black Swordsman and his companions had seen as an island refuge for monstrous sea creatures and the ghost ship of the demonic Bonebeard is, in fact, the very lair of the malefic sea god that controls them. With no avenue of escape, Guts must once again don the Berserker armor to give his company any chance of survival. But without the protective influence of the sorceress Schierke, Guts risks being forever lost within the cursed armor and becoming an even greater threat to his comrades!

Now that the evil Count has been killed and dragged to Hell by the demon lords of the Godhand, Guts, the Black Swordsman, hooks up with his former benefactor, the mercenary Gambino. But it's a deadly reunion, one that nearly takes Guts' life. The following years see Guts wandering from battlefield to battlefield, where his awesome skills as a slayer catch the eye of both warring parties, including the legendary Griffith, warrior leader of the Band of the Hawk, who is eager to test his combat skills against those of the Black Swordsman. As usual, anytime that Guts is involved there will be hell to pay!

Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland's king. But the King doesn't take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland's army, and the AWOL Guts may be the only answer to the Hawks' — and Griffith's — lethal problems.

The first Berserk novel, conceived by series creator Kentaro Miura and written by Makoto Fukami, novelist and

screenwriter for the Berserk anime, Psycho-Pass and Resident Evil: Vendetta. The Flame Dragon Knight also presents ten full-page illustrations by Kentaro Miura. The Band of the Hawk — what's left of them — are on the run, Guts and Casca having rescued the Hawks' leader, Griffith, from the horrors of the King of Midland's dungeons. Starved, tortured mercilessly and imprisoned in an iron mask, Griffith hangs to life and sanity by a thread... and he'll be no help against the King's latest charges sent to bring him back to pay for his dalliance with the King's daughter. Now the depleted Hawks will have to face the Knights of the Black Dog, led by the merciless, bestial Wyald... one bad dog who's even worse when he unleashes the beast within!

Guts the Black Swordsman and his companions brave the open sea, hoping to reach Puck's homeland, Elfhelm, and its powerful elven king, who might be able to restore the sanity of Guts' former lover, Casca. But seeking out a sanctuary for Casca means that Guts must postpone his hunt for his ex-friend and leader, Griffith, who has been reborn as a demon lord hell-bent on conquest. The winds of change blow fast and hard across the war-torn lands of the Holy See, and if Guts waits too long to exact his vengeance, Griffith might attain his murderous goals before Guts can return to Midland to stop him!

Warrior supreme Guts, the Black Swordsman, has seen better days — and more popular — in the kingdom of Midland, a land he once defended as captain of the Band of the Hawk. But the Hawks were betrayed and slaughtered, and now the holier-than-thou Holy Iron Chain Knights have captured Guts and plan to whip some repentance into him — literally. But Guts isn't so easily held at bay, at when he manages to escape with the Holy Knights' leader, Farnese, as his hostage, the demons that are drawn to Guts' Brand of Sacrifice are all too willing to show her the teeming darkness in her own soul!
