The apostle Paul didn't plan to go to Galatia. God used a physical ailment to direct him there, carrying the gospel of the Lord Jesus Christ. The relationship Paul would build with the Galatian converts--and his determination for the truth of the gospel to be preserved among them--led to one of the most passionate letters in the New Testament. Paul would not sit quietly by and let those who'd been liberated by Christ's glorious gospel submit again to a yoke of slavery. He'd send a letter with the volume turned up, calling believers to stand firm in the truth, stay bold in love, and walk by the Spirit. He'd remind them what it looked like to live for God's approval rather than human approval. The eternal words God entrusted to Paul for the churches of Galatia are as needed today as they were when the ink was still wet on the ancient pages. Join Beth and Melissa Moore for a six-week deep dive into Paul's captivating letter to the Galatians. Come to know the letter's original recipients. Study its original context and embrace its timeless relevance. Discover--or perhaps rediscover--what makes the gospel of Jesus Christ revolutionary to those who choose to believe. Find out how everything has changed, now that faith has come.

We are currently at a strategic cultural intersection with relationships between women and men eroding. And it seems no one knows what to do. While it is good for women to expose their pain, what often happens is that they immediately blame the person at the other end of it, which sets up a never-ending cycle of accusations, denial, avoidance, and ultimately devastation for everyone involved. This moment of discovery should not signal the end but instead become an opportunity to create a different world where men and women are better together. *Better Together* is a beacon of hope in a challenging storm. It's where thoughts can be rechanneled and hope rekindled as author Danielle Strickland offers steps toward a real and workable solution. Her premise is that two things are needed for change: 1) imagine a better world, and 2) understand oppression. Understanding how oppression works is an important part of undoing it. Danielle says, "I refuse to believe that all men are bad. I also refuse to believe that all women are victims. I don't want to be just hopeful, I want to be strategically hopeful. I want to work toward a better world with a shared view of the future that looks like equality, freedom, and flourishing."

Thirty years in the making, *Audacious* is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something

they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When *Godly People Do Ungodly Things* will be a guide to authentic repentance and restoration.

God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works."—Beth Moore; *Believing God*

Today's twisted pictures of gender roles create confusion over how a woman should define herself. Women and men are encouraged to move closer to center and away from the traits that distinguish male from female. How can women feel good about themselves when society is constantly dictating what they can and should be? In *FIGHT LIKE A GIRL*, Lisa Bevere exhorts us to embrace the differences between sexes. Her goal is to encourage women to celebrate the unique aspects of femininity. Instead of trying to adopt ill-fitting character traits, women should see themselves as designed and valued by God and savor their femininity as their strength, not a flaw.
