Byron Knight's world isn't what most would consider perfect, but he is satisfied with the way his life is going. There are only two people in this world whom he loves - his brothers, Blake and Tyler Knight. A woman is now threatening the carefully balanced beam the brothers have been holding on to, and her name is McKenzie Beaumont. Before she had entered the life of his brother Blake, no one, male or female, had ever come between the three men, but McKenzie and her twisted business has interfered for the last time in the Knight brothers' lives, and she is about to feel Byron's wrath. McKenzie Beaumont hasn't always been so closed off, so cold, or what the world sees as cold, but she's learned the hard way that men are never to be trusted. If she stays ahead of the game, protects the women she employs, then the women - herself included - are the true winners, even if the men think they have all the control. Who will prevail in this battle of the sexes? Who has the most to lose? Find out in the third installment of the Forbidden series by NYT best-selling author Melody Anne.

Betrayed is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had been in Nazi Germany. Betrayed demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

disobedience has consequences... punishing ones. Having her in my arms and under my control had become an obsession. Nothing was going to keep me from claiming her before the eyes of God and man. She's finally mine now... and I'm never letting her go.

Tyler Knight isn't nearly as hardened as his brothers. He was too young to remember the horrific death of his parents, the betrayal of his mother, or the weakness of his father. But he's watched his brothers, and the hardened life they have led, and he's always been the calm in the storm for them all, bringing light to an otherwise darkened world. When he watches his brothers find a ray of sun in their otherwise turbulent lives, he wonders why he can't find the same and he goes on a quest, for the first time doing it all on his own without the negative words of his brothers in his ear. But he's about to learn that no matter how much he may want to hide from his dark past, it's something that won't disappear. And it's about to catch up to him. See the exciting conclusion to NYT best-selling author Melody Anne's Forbidden Series with Tyler Knight's story.
