NEW YORK TIMES BESTSELLER • 80 stir-fried-saucy, sweet-and-tangy mostly Thai-ish recipes from the mom who taught Chrissy (almost) everything she knows, Pepper Teigen! Whether she's frying up a batch of her crispy-garlicky wings for John's football Sundays or making Chrissy her favorite afternoon snack—instant ramen noodles with ground pork, cabbage, scallions, and cilantro—Pepper Teigen loves feeding her famously fabulous family. Through these eighty recipes, Pepper teaches you how to make all her hits. You'll find playful twists on Thai classics, such as Fried Chicken Larb, which is all crunch with lots of lime, chile, and fish sauce, and Pad Thai Brussels Sprouts, which bring the fun tastes and textures of pad thai to a healthy sheet of pan-roasted vegetables. And there are the traditional dishes Pepper grew up with, like khao tod crispy rice salad and tom zapp hot and sour soup. Pepper shares stories about her life, too, such as how she used to sell sweet-savory kanom krok coconut-and-corn pancakes to commuters when she was ten years old in Thailand (now she makes them with her granddaughter, Luna, as a treat) and how, once she moved to the United States, she would cobble together tastes of home with ingredients she could find in her new homeland, like turning shredded cabbage and carrots into a mock-papaya salad. Influenced by Thailand, California, and everywhere in between, Pepper's mouthwatering recipes and sharp sense of humor will satisfy anyone craving a taste of something sensational, whether that's a peek into America's most-talked-about family's kitchen or a rich and spicy spoonful of Massaman Beef Curry.

Take a walk down memory lane with this 1950s decorating classic, re-released for a whole new generation The year is 1956. America is a mere decade past World War II. Richard Nixon is next in command to President Dwight Eisenhower, the Dow Jones soars above 500, and Norma Jean Mortenson legally changes her name to Marilyn Monroe. Two words described the decade, as John Updike wrote in the short story "When Everyone Was Pregnant": Fear and gratitude. And during this boom period, grateful young families thrilled to find themselves homeowners after the uncertainty of the Great Depression followed by a second Great War. Those empty rooms needed filling in order to make the house a home, and homeowners turned to the iconic Better Homes and Gardens brand. Better Homes and Gardens Decorating Book, the first edition of a title that would spawn ten editions over the years, became the new home bible for injecting class, style (and the occasional misguided cowboy wallpaper) into American homes. While exploring numerous styles, the main theme of the book is the on-trend mid-century modern sensibility, a style as appropriate today as it was six decades ago when the book was initially released. Filled with hundreds of full-color period photos, dozens of adorable illustrations, and decorating tips and tricks that are both helpful and nostalgic, the book remains a fun classic. With this welcome hardcover release, reproduced exactly as it looked and read in the 1950s, everything old is new again.

A guide to small-scale cooking, with over 190 recipes for main and side dishes, desserts, and beverages for both beginning and experienced cooks, featuring over 20 tips for efficient and economical cooking.

A captivating collection that celebrates the wonderful recipes from the Betty Crocker archives in a package that appeals to the modern cook? Betty Crocker Lost Recipes is the

ultimate treasure for the most devoted Betty Crocker fans, as well as cooks who are interested in recipes with a retro/nostalgic twist. Eighty percent of the book includes tried-and-true recipes that simply aren't in today's cooking repertoire--mainly from-scratch recipes that are hard to find. Twenty percent is a fun look back at some of the cooking customs of the past that may not be worth repeating, but are worth remembering. Features include ideas like "How to Throw a Hawaiian Tiki Party," and the robust introductory pages contain interesting stories, anecdotes, and artwork from Betty Crocker's history. Recipes are carefully curated to ensure that they are still relevant, achievable, and made with available ingredients--think Beef Stroganoff, Chicken la King, Waldorf Salad, and Chiffon Cake. These lost recipes are ready to grace the tables of a whole new generation of cooks.

Better Homes and Gardens' New Cook Book

This new and fully revised edition of the beloved New Junior Cookbook is the perfect way to introduce children ages 6 to 10 to the rules of the kitchen and successful cooking. The book begins with the framework needed for navigating the kitchen—safety is always first. Then recipe chapters that cover breakfast, brunch, supper, snacks, and desserts draw in children with their colorful and whimsical illustrations. All recipes in this edition are new, and are nutritious without sacrificing great taste. Throughout, kids learn the message that good food fuels the body, and the recipes, tips, and hints hone that message. Each recipe is easy to follow, with a simple-to-read ingredient list, a list of tools needed, and a step-by-step method. In addition, there are food swaps in recipes, turning kids from picky eaters into chefs who customize their food as they please. Full nutrition, including grams of sugar, is included in every recipe.
