An eBook, complete reference guide, travels easily to the courtroom or classroom. This invaluable handbook from NITA®, bridges the gap between knowing the rules of evidence and applying them in a judicial setting--and clearly identifies what proposed evidence is subject to exclusion by objection. The updated Seventh Edition provides the reader--judge, lawyer, or law student--with a primer on the fine art of making effective objections to inadmissible evidence. The eBook versions of this title feature links to Lexis Advance for further legal research options.

Critical Thinking is a comprehensive and accessible introduction to the essential skills of good reasoning, written by Canadian authors for Canadian readers. The book includes a thorough treatment of such central topics as deductive and inductive reasoning, logical fallacies, how to recognize and avoid ambiguity, and how to distinguish what is relevant from what is not. Later chapters discuss the application of critical thinking skills to particular topics and tasks, including scientific reasoning, moral reasoning, media analysis, and essay writing. This seventh edition is revised and updated throughout and includes a new chapter on legal reasoning as well as access to a companion website of additional questions and other useful resources.

As you master each chapter in *Inorganic Chemistry*, having detailed solutions handy allows you to confirm your answers and develop your ability to think through the

problem-solving process.

Lucas' "The Art of Public Speaking" is the leading public speaking textbook in the field. Whether a novice or an experienced speaker when beginning the course, every student will learn how to be a better public speaker through Lucas' clear explanations. Creative activities, vivid examples, annotated speech samples, and foundation of classic and contemporary rhetoric provide students a strong understanding of public speaking. When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, Teaching Public Speaking Online with The Art of Public Speaking.
