"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

With Respect to Sex is an intimate ethnography that offers a provocative account of sexual and social difference in India. The subjects of this study are hijras or the "third sex" of India—individuals who occupy a unique, liminal space between male and female, sacred and profane. Hijras are men who sacrifice their genitalia to a goddess in return for the power to confer fertility on newlyweds and newborn children, a ritual role they are respected for, at the same time as they are stigmatized for their ambiguous sexuality. By focusing on the hijra community, Gayatri Reddy sheds new light on Indian society and the intricate negotiations of identity across various domains of everyday life. Further, by reframing hijra identity through the local economy of respect, this ethnography highlights the complex relationships among local and global, sexual and moral, economies. This book will be regarded as the definitive work on hijras, one that will be of enormous interest to anthropologists, students of South Asian culture, and specialists in the study of gender and sexuality.

The Indian diaspora in Australia and New Zealand represents a successful ethnic community making significant contributions to their host societies and economies. However, because of their small number—slightly more than half a million— they rarely find mention in the global literature on Indian diaspora. The present volume seeks to remedy this oversight. Charting the chequered 250-year-old history of both the 'old' and the 'new' diaspora in the antipodes, the chapters narrate the stories of labourers who journeyed under the pressure of colonial capital

and post-war professional migrants who went in search of better opportunities. In the context of the 'White Australia' and 'White New Zealand' policies designed to stem the arrival of Asians in the early twentieth century, we read of the complex survival stratagems adopted by migrants to circumvent the stringent insular world view of the existing white settlers in these countries. Together with stories of the collective suffering and struggles of the diaspora, we are presented with stories of individual resilience, enterprise, and social mobility.

"Nepal has the third highest rate of child marriage in Asia, with 37 percent of girls marrying before age 18, and 10 percent marrying before the age of 15, despite the fact that the minimum age of marriage is 20 under Nepal law. This report is based on 149 interviews conducted across Nepal, most with married girls and young women who married as girls. It describes the devastating effects of child marriage, including denial of access to education, serious health consequences of early pregnancy, and domestic abuse. A complex web of factors drives these child marriages, including poverty, lack of access to education, child labor, social pressures, and harmful practices. Cutting across all of these is entrenched gender inequality, and damaging social norms that make girls less valued than boys in Nepali society. In July 2014, Nepal's government pledged to end child marriage by 2020. By 2016, this goal has shifted to ending child marriage by 2030. But the government has yet to take the concrete steps needed to achieve either goal. The report calls on Nepal to release a comprehensive plan to combat child marriage, and seeks to support that process with recommendations drawn directly from the experiences of the married children who continue to be deeply harmed by this practice"--Page [4] of cover.

Vimala Thakar gave a series of inspiring talks on the Bhagavad Gita in three separate seminars, during 1992 and 1993 in Italy. Moreover, persuades us to remain united with the ultimate reality, not only to intellectual understanding but through everything that we do, at every moment.

This book covers several dimensions of disaster studies as an emerging discipline. It is the inaugural book in the series 'Disaster Studies and Management' and deals with questions such as "Is disaster management a field of practice, a profession, or simply a new area of study?" Exploring intersectionalities, the book also examines areas of research that could help enhance the discourse on disaster management from policy and practice perspectives, revisiting conventional event-centric approaches, which are the basis for most writings on the subject. Several case studies and comparative analyses reflect a critical reading of research and practice concerning disasters and their management. The book offers valuable insights into various subjects including the challenge of establishing inter- and multi-disciplinary teams within the academia involved in disaster studies, and sociological and anthropological readings of post-disaster memoryscapes. Each of the contributors has an enduring interest in disaster studies, thus enriching the book immensely. This book will be of interest to all the students and scholars of disaster studies and disaster management, as well as to practitioners and policymakers.

The acclaimed Proust biographer William Carter portrays Proust's amorous adventures and misadventures from adolescence through his adult years, supplying where appropriate Proust's own sensitive, intelligent, and often disillusioned observations about love and sexuality. Proust is revealed as a man agonizingly caught between the constant fear of public exposure as a homosexual and the need to find and express love. In telling the story of Proust in love, Carter also shows how the author's experiences became major themes in his novel *In Search of Lost Time*. Carter discusses Proust's adolescent sexual experiences, his disastrous brothel visit to cure homosexual inclinations, and his first great loves. He also addresses the duel Proust fought with the journalist Jean Lorrain after he alluded to Proust's homosexuality in print, his flirtations with respectable women and high-class prostitutes, and his affairs with young men of the servant class. With new revelations about Proust's love life and a gallery of photographs, the book provides an unprecedented glimpse of Proust's gay Paris.

"An immensely lovable debut novel . . . It's the kind of magic you'll feel lucky to find." —Ron Charles, *The Washington Post* **SHORTLISTED FOR THE COSTA FIRST NOVEL AWARD FINALIST FOR THE IRISH BOOK AWARD FOR NEWCOMER OF THE YEAR FINALIST FOR THE COMEDY WOMEN IN PRINT PRIZE** Meet Majella O'Neill, a heroine like no other, in this

captivating Irish debut that has been called Milkman meets Derry Girls Majella is happiest out of the spotlight, away from her neighbors' stares and the gossips of the small town in Northern Ireland where she grew up just after the Troubles. She lives a quiet life caring for her alcoholic mother, working in the local chip shop, watching the regular customers come and go. She wears the same clothes each day (overalls, too small), has the same dinner each night (fish and chips, microwaved at home after her shift ends), and binge-watches old DVDs of the same show (Dallas, best show on TV) from the comfort of her bed. But underneath Majella's seemingly ordinary life are the facts that she doesn't know where her father is and that every person in her town has been changed by the lingering divide between Protestants and Catholics. When Majella's predictable existence is upended by the death of her granny, she comes to realize there may be more to life than the gossips of Aghybogey, the pub, and the chip shop. In fact, there just may be a whole big world outside her small town. Told in a highly original voice, with a captivating heroine readers will love and root for, *Big Girl, Small Town* will appeal to fans of Sally Rooney, Ottessa Moshfegh, and accessible literary fiction with an edge. *Gujarat Files* is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of *Boys & Sex*, it's clear that Orenstein believes in the goodness of boys and the men they can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein's *Girls & Sex* broke ground, shattered taboos, and launched conversations about young women's right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word “hilarious” robs boys of empathy; pornography as the new sex education; boys' understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men's experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program for monographs. Visit www.luminosoa.org to learn more. In *Forging the Ideal Educated Girl*, Shenila Khoja-Moolji traces the figure of the 'educated girl' to examine the evolving politics of educational reform and development campaigns in colonial India and Pakistan. She challenges the prevailing common sense associated with calls for women's and girls' education and argues that such advocacy is not simply about access to education but, more crucially, concerned with producing ideal Muslim woman-/girl-subjects with specific relationships to the patriarchal family, paid work, Islam, and the nation-state. Thus, discourses on girls'/ women's education are sites for the construction of not only gender but also class relations, religion, and the nation.

A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (*The Paris Review Online*). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (*The Daily Beast*) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (Matthew Gallaway, author of *The Metropolis Case*). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on

the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).
