

Bharat Ka Swatantrata Sangharsh By Vipin Chandra

Why has the flow of big, world-changing ideas slowed down? A provocative look at what happens next at the frontiers of human knowledge. The history of humanity is the history of big ideas that expand our frontiers—from the wheel to space flight, cave painting to the massively multiplayer game, monotheistic religion to quantum theory. And yet for the past few decades, apart from a rush of new gadgets and the explosion of digital technology, world-changing ideas have been harder to come by. Since the 1970s, big ideas have happened incrementally—recycled, focused in narrow bands of innovation. In this provocative book, Michael Bhaskar looks at why the flow of big, world-changing ideas has slowed, and what this means for the future. Bhaskar argues that the challenge at the frontiers of knowledge has arisen not because we are unimaginative and bad at realizing big ideas but because we have already pushed so far. If we compare the world of our great-great-great-grandparents to ours today, we can see how a series of transformative ideas revolutionized almost everything in just a century and a half. But recently, because of short-termism, risk aversion, and fractious decision making, we have built a cautious, unimaginative world. Bhaskar shows how we can start to expand the frontier again by thinking big—embarking on the next Universal Declaration of Human Rights or Apollo mission—and embracing change.

There has been a continual effort to malign this august presence by propagandists of the ideology which was responsible for the tragedy on January the 30th, 1948. A play was staged, justifying the murder and glorifying the murderer. Now there is a group that wishes to construct a temple of the

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

murderer. At the subtle level, a campaign is going on distorting the facts and propagating lies against the values Bapu stood for. All this is happening, because they are still afraid of Gandhi's presence in the psyche of India. That is why it is very relevant to underline the facts again; hence, the book.

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.

From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as From Plassey to Partition. This Volume Is A Compilation Of A Series Of Lectures Delivered By The Eminent Social Anthropologist M. N. Srinivas. These Lectures Have Been Widely Acclaimed And Have Since Been Recommended Or Prescribed As A Text For Students Of Sociology, Anthropology And Indian Studies. The Book Remains The Classic Of Social

Anthropology As It Was Hailed, When First Published.

Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, An Indian Pilgrim traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part—"I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down." The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.

Bharat, Gandhi Ke Bad is the Hindi translated edition of India After Gandhi, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world's largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Sushant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. India After Gandhi, the English version was picked as the Book of the

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a second volume, which also has a translated called Bharat: Nehru Ke Baad. About the author: Columnist, commentator and writer, Ramachandra Gua, born in 1958, is one of India's best historians who has documented recent history. Born and brought up in Dehradun, Gua, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gua has written are: India after Gandhi, The States of Indian Cricket and This Fissured Land: An Ecological History of India.

This monograph on Baba Kharak Singh endeavours to depict the life and times of this great son of India, who was mainly responsible for moulding the course of events in the politics of modern punjab and inculcating nationalist and secular values in the regional politics.

Bharat Ka Swatantrata Sangharsh Anamika Pub & Distributors Bharat Ka Rashtriya Andolan Evam Swatantrata Sangharsh 1857-1947 In 2 Vols. Baba Kharak Singh and India's Struggle for Freedom NBT India Ernest Renan was one of the leading lights of the Parisian intellectual scene in the second half of the nineteenth century. A philologist, historian, and biblical scholar, he was a prominent voice of French liberalism and secularism. Today most familiar in the English-

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

speaking world for his 1882 lecture "What Is a Nation?" and its definition of a nation as an "everyday plebiscite," Renan was a major figure in the debates surrounding the Franco-Prussian War, the Paris Commune, and the birth of the Third Republic and had a profound influence on thinkers across the political spectrum who grappled with the problem of authority and social organization in the new world wrought by the forces of modernization. *What Is a Nation? and Other Political Writings* is the first English-language anthology of Renan's political thought. Offering a broad selection of Renan's writings from several periods of his public life, most previously untranslated, it restores Renan to his place as one of France's major liberal thinkers and gives vital critical context to his views on nationalism. The anthology illuminates the characteristics that distinguished nineteenth-century French liberalism from its English and American counterparts as well as the more controversial parts of Renan's legacy, including his analysis of colonial expansion, his views on Islam and Judaism, and the role of race in his thought. The volume contains a critical introduction to Renan's life and work as well as detailed annotations that assist in recovering the wealth and complexity of his thought.

In this autobiography, also titled *The Story of My Experiments with Truth*, Mohandas K. Gandhi recounts his life from childhood up until 1921, noting that "my life from this point onward has been so public that there is hardly anything about it that people do not know." HarperCollins chose this work as one of the "100 Most Important Spiritual Books of the 20th Century." The

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

pursuit of truth was a guiding principle for Gandhi. He states that it "is not my purpose to attempt a real autobiography. I simply want to tell the story of my numerous experiments with truth, and as my life consists of nothing but those experiments, it is true that the story will take the shape of an autobiography." He also notes that this "will of course include experiments with non-violence, celibacy and other principles of conduct believed to be distinct from truth."

Hindutva: Who is a Hindu? is an ideological pamphlet by Vinayak Damodar Savarkar. Originally published under the title Essentials Of Hindutva in 1923, it was retitled Hindutva: Who Is a Hindu? when reprinted in 1928.

This Book has comprehensive General Knowledge about Madhya Pradesh for the Candidates of Various Competitive Exams.

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

With reference to India.

The Indian Rebellion of 1857 was a major, but ultimately unsuccessful, uprising in India in 1857-58 against the rule of the British East India Company, which functioned as a sovereign power on behalf of the British Crown.

The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, *The New Yorker*)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge’s book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.

Beginning with a discussion on frameworks of writing history, the volume sheds light on the origins and growth of civilizations, empires, and religions. It covers the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as the Harappan civilization. The author discussed the rise of Jainism and Buddhism, Magadha, and the beginning of territorial states. The period of Mauryas, Central Asian countries, Satavahanas, Guptas, and Harshvardhana are also analysed. He highlights important phenomena such as the varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. He also examines the process of transition from ancient to medieval India and addresses topical issues such as the origin of the Aryan culture. This engaging and lucid text, by one of the best-known scholars of ancient India, will be indispensable for students and teachers of ancient Indian history. This book is the Hindi translation of the English edition.

The book provides a comprehensive account of the

Get Free Bharat Ka Swatantrata Sangharsh By Vipin Chandra

social, religious and economic conditions and policies from the Sultanate to the Mughal period in early medieval India. It details the account of the three centuries known for its Islamic influence and rule and the presence of formidable dynasties. The book provides a sound understanding of the history of the period and also evinces the learnings of mutual quarrels and internecine war.

'Durgeshnandini' is the first novel of Bankim Chandra. It refers to the beloved daughter of the master of Fort Mandaran, Birendra Singh. Fort Mandaran was an estate near Bishnupur of United Bengal, constructed by Pathan Sultan Hussain Shah's commander-in-chief Ismail Ghazi. After the Pathans were driven away by Mughal Emperor Akbar, by turn of historical events, the estate came under the control of Hindu commander Jaidhar Singh. Birendra was his natural heir, who before taking it over, had served in Akbar's army as a commander himself. The novel unfolds a saga of Pathan Sultan Katlu Khan's repeat attempts to enter and conquer the Banga province. To crush him and his ambition, Emperor Akbar had sent his most trusted and valiant courtier Raja Man Singh to take charge of Banga and rescue people from Pathans' tyrannious atrocities. Raja Man Singh sent his valorous son Jagat Singh to crush the Pathans. While growingly successful at the job in many small guerrilla-type battles, by turns of events, Jagat Singh encounters Tillottama and both fall in love at first sight. How, due to an inadvertent move, both of them came under captivity of the marauding Pathan Sultan and later earned their freedom, have been described in a captivating style of
