Erwin Lutzer's book helped thousands grasp the healing power of forgiveness. Now on DVD, the message is even simpler to apply in real life situations. Bitterness is a self-inflicted wound. By choosing not to forgive, we voluntarily sentence ourselves to diminished, pain-filled lives.

Why would anyone do such a thing? Because forgiveness seems an inappropriate response to offense. Painful, personal wounds cry out for justice. But what if justice is not possible? Or if it doesn't undo the damage done? In this DVD series of lessons and companion study guide, noted pastor and author Erwin Lutzer carefully illustrates how it is possible to right the wrongs of your life. Whether you've been wronged--or have wronged others--he makes it possible to experience the freedom of forgiveness and the restoration of a clear conscience.

While this story reads like a short police report, Cain and Abel's tragic narrative plays a definitive role in the biblical saga

called the great controversy. As we review their story, we might assume that if we had a chance to meet Cain and Abel, just by looking, we could easily determine who was the kind Abel and who was the mean-spirited Cain. Are you sure? Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother? As we study their lives, it's easy for us to have preconceived ideas because we don't know what was going through Cain's mind until Cain's behavior plainly displays it for all of us to see. It's human to be biased. But that's not God's way of judging! This book dives deeper into the story to reveal God's perspective. I invite you to dive in with me as objectively as possible. Don't prejudge. Be persuaded by biblical evidence—wherever it leads you!
