'Jesus and the Eyewitness' argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus. The author challenges the assumption that the accounts of Jesus circulated as 'anonymous community traditions', asserting instead that they were transmitted in the name of the original eyewitnesses. To drive home this controversial point, Bauckham draws on internal literary evidence, the use of personal names in first-century Jewish Palestine, and recent developments in the understanding of oral tradition. Jesus and the Eyewitnesses also taps into the rich resources of modern study of memory, especially in cognitive psychology, refuting the conclusions of the form critics and calling New Testament scholarship to make a clean break with this long-dominant tradition. Finally, Bauckham challenges readers to end the classic division between the 'historical Jesus' and the 'Christ of faith', proposing instead the 'Jesus of testimony' as presented by the Gospels. Sure to ignite heated debate on the precise character of the testimony about Jesus, Jesus and the Eyewitnesses is a groundbreaking work that will be valued by scholars, students, and all who seek to understand the origins of the Gospels.

In a moving, lyrical tale about the cost and fragility of freedom, a New York Times best-selling author and an acclaimed artist follow the life of a man who courageously shipped himself out of slavery. What have I to fear? My master broke every promise to me. I lost my beloved wife and our dear children. All, sold South. Neither my time nor my body is mine. The breath of life is all I have to lose. And bondage is suffocating me. Henry Brown wrote that, long before he came to be known as Box, he "entered the world a slave." He was put to work as a child and passed down from one generation to the next — as property. When he was an adult, his wife and children were sold away from him out of spite. Henry Brown watched as his family left bound in chains, headed to the deeper South. What more could be taken from him? But then hope — and help — came in the form of the Underground Railroad. Escape! In stanzas of six lines each, each line representing one side of a box, celebrated poet Carole Boston Weatherford powerfully narrates Henry Brown's story of how he came to send himself in a box from slavery to freedom. Strikingly illustrated in rich hues and patterns by artist Michele Wood, Box is augmented with historical records and an introductory excerpt from Henry's own writing as well as a time line, notes from the author, and a bibliography.

History's final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In Dateline Jerusalem, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: "The Arab Spring doesn't lead to democracy, it leads to Jerusalem." Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. Dateline Jerusalem untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today's news might focus on Washington, New York, London, or Moscow, but history's final chapter will be written in Jerusalem. Chris Mitchell's firsthand experiences and reporting uniquely qualify him to expound on and explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureau chief for CBN News since August 2000. The story of the bus--and the passengers who changed history. Like all buses in Montgomery, Alabama, in the 1950s, bus #2857 was segregated: white passengers sat in the front and black passengers sat in the back. Bus #2857 was an ordinary public bus until a woman named Rosa Parks, who had just put in a long day as a seamstress, refused to give up her seat to a white passenger. Her arrest sparked the Montgomery Bus Boycott, a major event in the Civil Rights moment, led by a young minister named Dr. Martin Luther King, Jr. For 382 days, black passengers chose to walk rather than ride the buses in Montgomery. From the streets of Montgomery to its present home in the Henry Ford Museum, here is the remarkable story, a recipient of the Crystal Kite Award, of a bus and the passengers who changed history.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.
