Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological – perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based – or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. All the women of the Bible offers a rich biographical perspective on every female figure in scripture -- including the famous, the little-known, and even the unnamed. In more than 300 engaging and insightful portraits, Edith Deen brings alive the saints and sorceresses, queens and servants, mothers and daughters, wives and widows whose profound influence is felt through-out the Bible. "You can almost trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying mother of Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there was the mother of Jesus. On the other hand, Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded." Combining thorough detail with a lively and dramatic narrative, All of the Women of the Bible portrays the real women behind the Biblical stories and shows how, in their human struggles and triumphs, they are very much like the women of today. With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture, this is an ideal resources for teachers, Bible students, preachers, and writers, as well as anyone who wants to learn what it was really like to be a woman in Biblical times.
