We love ragtag rebels who defeat the empire in films we watch and books we read. But living in centers of the world's wealth and power, do we recognize that we are participants in today's version of empire? Most of the Bible is written for and by people under threat or under the thumb of a variety of empires. The question faced by the children of Israel and the early followers of Jesus was how to live for the kingdom of God while powerful empires demanded full obedience. Does living with affluence and influence change the way we read and understand that story? Are we likely to miss the way the Bible critiques our use of wealth, weapons, and walls? What do Abraham, Moses, and Daniel teach us about living in the heart of the empire and reaching for something better? What can Paul teach us about using the resources of the empire to spread the message that Jesus is Lord, not Caesar? What do the birth and death of Jesus teach us about how God is redeeming the world of empires? Is our citizenship in the empire a temptation, or an opportunity?

Contains dozens of bible-based fill-in-the-blank, matching and other paper-and-pencil quizzes.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

A highly informative yet fun approach to understanding the world's all-time best-selling book It's pretty hard to build a house if you don't know how to read a blueprint. In the same way, it's difficult to develop your faith if you don't know how to read the Bible—or are reluctant even to open it. In The Bible Blueprint, best-selling author and popular speaker Joe Paprocki cleverly uses a blueprint metaphor to help Catholics gain a solid understanding of the structure and organization of the Bible, and to help them build confidence in navigating its pages. Among other topics, Paprocki covers the different genres of biblical writing, key figures in biblical history, and the methods Catholics rely on to interpret the Bible. Readers are also shown how to consult commentaries, concordances, and other valuable tools of Bible study to deepen their understanding of God's Word. Witty cartoons, sidebars, and quizzes throughout the book keep the tone fun and engaging; eight perforated Bible bookmarks are bound into the book. For the large number of Catholics who have never felt comfortable with the Scriptures, and for any Catholic new to the faith, The Bible Blueprint serves as an effective, nonthreatening introduction to God's Word, as well as a gateway to a deeper relationship with Christ.

Preaching's Preacher's Guide to the Best Bible Reference for 2014 (Old Testament Commentaries) The prophet Jeremiah addressed the people of Judah and Jerusalem over a forty-year period leading up to the destruction of Jerusalem in 587 B.C. The book of Jeremiah addresses the exiles, especially those in Babylon, in the years after the catastrophe. Here we encounter Jeremiah the prophet who, from his youth to old age, delivered the word of God to the people of Israel at the most terrifying time in all their troubled history. Understanding Jeremiah's context is essential to understanding his life and message. More than that we must encounter the God of Jeremiah--an encounter that should be both profoundly disturbing and ultimately reassuring, as it was for him. If Jeremiah spoke in his day, and if the book still speaks today, in both cases it is because of the God who called the man to speak and commanded the book to be written. In the end, Jeremiah is a book of the victory of God's love and grace. His redemptive, reconstructive work comprises the book's portrait of the future--a future that we see fulfilled in the New Testament through the life, death and resurrection of Jesus the Messiah. Ultimately we see it in God's dwelling with his redeemed people forever in the new creation. A replacement volume in the Bible Speaks Today Old Testament commentary series, this book offers a new exposition on the book of Jeremiah.

Prophecy Unfulfilled represents a continuation of the author's quest for the truth of God, by firstly uncovering the untruths that he had been taught during his formative years as a Catholic. Earlier works focused on the claimed new (replacement) covenant, the rejection of the Sabbath, and the rejection of Torah. Using the rules of evidence as in a court of law, this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus, some two thousand years ago. The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence, the latter being used most often by biblical scholars and Christian apologists. The first step is to authenticate the extant documents by examining the chain of custody and, thus, establish authority. Next is to authenticate the attributed authorship of the writings, to determine whether the authors were firsthand witnesses of the events they described, or whether their narratives are hearsay, with or without corroboration. Where little verbal agreement is found, this is circumstantial evidence of separate traditions developing the resultant theology. The study proceeds by examining every verse in the NKJV (New King James Version) of the New Testament that is annotated as being in fulfillment of prophecy, comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures. Where significant variations exist, the author seeks an understanding from New Testament scholars, whom he frequently quotes. The eschatological temper of the early church is given due consideration, especially concerning the expectations of the Jews regarding the mission of the Messiah. Finally, the accomplishments of Jesus, as enshrined in Christian creeds, is compared with what is spoken of by the prophets. The author's conclusion is encapsulated in the book's title.
